Then something happened that nobody had planned: the chief, who had travelled for three days in a truck to be there, stood up in the back of the room in his tribal robe and said in a loud and steady voice, with an interpreter at his elbow, that the river was his people's grandmother and that the company had killed her.

在每周一次的**头脑风暴**会上，每位员工都被要求带来一个想法，她提出了一个**系列**节目，讲暖化的气候对本地区的**非常规**影响：干涸的河流、毫**无关**联的暴风雨、**酸**雨，以及**冬天**雪的**缺乏**。

The editor, a **round**, tired man with a **pet** cat named after the **banner** above his desk and a habit of **swinging** in his chair, rolled his eyes. "**Questionable**," he said. "Frankly, it is a **dazzling** idea, but it might spoil the mood of the station."

Maya did not hesitate. She seized the megaphone and ran to the main road, where she flagged down a lorry, and with the engineer and the neuroscientist, who had been drinking coffee in the school kitchen, she drove at a reckless speed to the estate.
玛雅毫不犹豫。她抓起扩音器，跑到大路上，拦下一辆卡车，和工程师以及在学校厨房里喝咖啡的神经科学家一起，以不顾一切的速度驶向那片住宅区。

They knocked on every door and rang every bell; they shouted, begged and in the end dragged out by the arm a number of people in dressing gowns, some still holding coffee cups, and Mr. Voss's own mother, an old lady with a fur hat and a small dog, who was furious but kind enough to say a word of thanks.
他们敲遍了每一扇门，按遍了每一个门铃；他们喊叫、恳求，最后拽着手臂拉出来好几个穿着睡袍的人，有些人手里还端着咖啡杯，其中包括沃斯先生自己的母亲，一位戴着毛皮帽、牵着小狗的老太太，她怒气冲冲，却还有礼貌地说了句谢谢。

Seventeen minutes later the wave struck, a muddy brown wall as high as a bus, which swept away the garden walls and tore the roofs from the houses like the lids from tins, but the street was empty.
十七分钟后，浪头拍了过来，那是一堵公共汽车般高的泥褐色水墙，卷走了花园围墙，像揭罐头盖子一样掀掉了房屋的屋顶，但街上已经空无一人。

The **federal** government sent an inspector, a **prompt** and neat woman with an **unwieldy** briefcase and a **slogan** on her badge, "Facts Before Feelings", to **investigate** what had happened, and she opened a **session** in the town hall, a gloomy building with a stuffed **camel** in the lobby, a relic of some forgotten exhibition.

联邦政府派来一位检查员，一个**干练**整洁的女人，带着一只**笨重的**公文包，徽章上写着一句**口号**“事实先于感受”，来**调查**事情的经过，她在市政厅召开了**听证会**，那是一座阴沉的建筑，门厅里立着一头**骆驼**标本，是某次早已被遗忘的展览留下的遗物。

The **scope** of her inquiry was wide: she was to find out whether the warnings had been accurate, why the old dam had not been repaired, whether anybody had tried to conceal what was known, and how the losses should be **compensated**.

She took **inventory** of every document, listened to the **major** witnesses and examined the models of the meteorologist, the engineer and the economist; the **extent** of the evidence surprised even her.

她**清点**了所有文件，听取了**主要**证人的陈述，审查了气象学家、工程师和经济学家的模型；证据**之多**，连她自己都感到意外。

It became **apparent** that Mr. Voss had known about the crack in the dam for two years, that he had received a written report from an engineer and had put it in a drawer; that he had paid a consultant to produce a **volatile** and sloppy study, which said that the dam was "adequate"; and that, with a small group of friends in the city, he had **conspired** to hide the facts until his housing estate was sold.

事情**渐渐明朗**：沃斯先生两年前就知道水坝有裂缝，他收到过一位工程师的书面报告，却把它塞进了抽屉；他花钱请一位顾问炮制了一份**漂浮不定**的敷衍研究，说水坝“足够安全”；并且他和城里的一小撮朋友**合谋**，把事实隐瞒到他的住宅区卖出为止。

His **profit-making** scheme, the inspector said in her summary, was the **gross** abuse of a trust, and the **verdict** of the public would be harsher than that of the law.

检查员在总结里说，他那套**牟利**的计划是对信任的**严重**滥用，而公众的**裁决**将比法律的裁决更严厉。

Mr. Voss, who had lost his **hair** on one side from anger, if one believed the gossip, appeared in the town hall in a velvet jacket with an expensive **accessory** in every pocket, but without his usual swagger; he **defied** the inspector in a loud voice and then wept, and then, to the amazement of the **spectators**, **sneezed** seven times in succession, which was not in his script, and which spoiled his **performance** entirely.

如果相信闲话的话，沃斯先生气得一侧**头发**都掉了，他穿着天鹅绒夹克出现在市政厅，每个口袋里都装着昂贵的小**配饰**，却没了往日的神气；他大声**顶撞**检查员，然后哭了，接着让**旁观者**吃惊的是，他连续打了七个**喷嚏**，这并不在他的台词里，把他的**表演**完全毁了。

The new dam, built with the **maximum** safety margin, was a **prototype** of its kind, and engineers from three countries came to study it; a school in the lower town taught every child to read a barometer; and on the first Sunday of each spring, in a quiet **ritual**, the whole population walked up to the hill in everyday clothes to remember the night of the flood, to share bread, and to eat a slice of lemon cake in memory of a certain meteorologist.

傍晚时分，她有时仍会想，自己当初冒那么大风险是否很傻：丢了旧工作，赔上积蓄、同事的**敬重**、房东的好感，甚至让她那位耐心的父亲的**肝**都跟着受累，他为此胃痛了一个星期。

But in the end she always arrived at the same conclusion, which she wrote on the first page of her notebook, in neat capital letters, next to a drawing of a waterfall: "The **root** of the whole matter is the courage to say what you know. Everything else is the **load** that comes with it."

但最后她总是得出同一个结论，并用整齐的大写字母写在笔记本第一页上，旁边画着一道瀑布："整件事的**根子**，在于说出你所知道的东西的勇气。其余一切，都是随之而来的**负担**。"

"He was **bankrupt** in a year," the old man continued, "and he died in a hospital with nobody to hold his hand. It was a cruel injustice, a **falsehood** that I helped to build, and a **deception** that I have tried to forget with a bottle every night."
"他一年后就**破产了**，"老人继续说，"死在医院里，没人握着他的手。那是一桩残酷的不公，一个我帮着编造的**谎言**，一场我每天夜里都试图用酒来忘掉的**欺骗**。"

The villagers listened, some with **doubt**, some with a dull **numb** stare, and one, an old fisherman with a leather face, **yawned** loudly; but the **policewoman**, who was young, **diligent** and **alert**, raised her hand and asked, "Who will be **responsible** if the cliff falls?"

村民们听着，有些人满脸**怀疑**，有些人目光呆滞**麻木**，其中一位脸像皮革的老渔夫大声打了个**哈欠**；但那位年轻、**勤勉**而**机警**的**女警察**举起手，问道："如果悬崖塌了，谁来**负责**？"

The young man looked at his papers. "A **liability** of this kind is very unlikely," he said **mildly**. "But we would, of course, **indicate** in the contract that the risk is yours."

年轻人看了看手里的文件。"这类**责任**的可能性很小，"他**温和地**说，"不过我们当然会在合同里**注明**，风险由你们承担。"

There was an angry noise in the hall; a **schism** had already begun to show between the young, who wanted jobs and a little glamour, and the old, who thought that a village was something more than a pile of stones and a bank account.

大厅里响起一片愤怒的声音；**分裂**已经开始显现，年轻人想要工作和一点光鲜，老人则认为村子不只是一堆石头和一个银行账户。

Tobias, who was neither young nor old but a little of both, sat in the back and said nothing; he was thinking about the **bean** field behind the school, the **corn** that the children planted every spring, the swallows' **nest** under the eaves of the post office, and the **cemetery** on the hill, where his father and mother lay beneath the shade of a **rotten** old oak.

托拜厄斯既不年轻也不年老，兼有二者的特点，他坐在后排一言不发；他在想学校后面的**豆**田，孩子们每年春天种下的**玉米**，邮局屋檐下燕子的**巢**，还有山上的**墓地**——他的父母躺在一棵**朽烂**的老橡树的树荫下。

He looked at the maps on the wall and he was reminded of an old rule of his work, that a letter, once delivered, could not be taken back; and he saw, with a **moment** of clear and terrible logic, that the decision of the village would be like that, because it was **linear** and **inexorable**, a **ship** leaving harbour for ever.

他望着墙上的地图，想起了自己工作里的一条老规矩：信一旦送出，就收不回来；他在一**瞬间**清晰而可怕的逻辑中看到，村子的决定也会是这样，因为它是**线性的**、**不可**逆转的，像一条永远离开港口的**船**。

"We shall not **surrender** in a moment of weakness," he said, to his own surprise, rising to his feet in the middle of the hall. "Let us **bet** on our own village, and let us arrange our own future."

"我们不要在一时软弱中**投降**，"他说，自己也感到意外，他站起身来，立在大厅中央，"让我们**押注**在自己的村子上，让我们自己来安排自己的未来。"

Nobody had ever heard him make a **speech**, and the audience, which had been yawning, sat up; the policewoman smiled; and the old fisherman, who had been dozing, said: "He is right, and he is a man who has never told a lie in thirty years of carrying other people's secrets."

没人听过他发表**演说**，原本哈欠连连的听众都坐直了身子；女警察笑了；老渔夫原本在打瞌睡，这时说："他说得对，而且他是个在三十年里替别人保管秘密、却从没撒过一次谎的人。"

那天夜里，在自己的厨房里，背后垫着**靠垫**，手里捧着一碗**冒着热气**的豆子汤，托拜厄斯制订了一个计划。

It was not an original plan, and nobody would call it clever; it was only the plan of a man who knew that the best way to **combat** an **unjust war** was not to fight it with violence but to make it unnecessary.

这不是一个新颖的计划，也没有人会说它聪明；它只是一个人的计划，他知道**对抗不义**之**战**的最好办法，不是用暴力去打，而是让它变得没有必要。

"If the company says that we are poor and **dependent**," he told Sonata, who was chewing a **leaf** by the window, "then we must make ourselves rich and independent. The **surplus** of every farm, the music of every house and the skills of every hand must be put **together**."

"如果公司说我们贫穷又**依赖**别人，"他对站在窗边嚼着**树叶**的"奏鸣曲"说，"那我们就必须让自己富足而独立。每户农家的**盈余**、每户人家的音乐、每双手的技能，都必须汇集在**一起**。"

The next morning he went from door to door in his overcoat, knocking, listening and writing in a small notebook; the villagers received him with hot drinks and **constant** talk, because a mailman was a friend, and because, as he put it, "a letter is not a threat, nor a bribe, nor a sales pitch."

第二天早上，他穿着大衣挨家挨户敲门、倾听，并在一本小笔记本上记录；村民们用热饮和**不停**的闲谈接待他，因为邮递员是朋友，也因为，如他自己所说："一封信不是威胁，不是贿赂，也不是推销。"

He met a **composer** who had retired to the hills and who wrote beautiful songs for nobody; a boy who could repair any **valve** or pipe; a woman who knew how to **ventilate** a damp cellar and a way to **extend** the life of old wood; a baker who knew how to refine flour; and a **freshman** from the university who was home for a fortnight and who **studied behavioral** economics.

他遇到一位退隐山中、为无人而写美妙歌曲的**作曲家**；一个能修任何**阀门**或管子的男孩；一位懂得给潮湿地窖**通风**、也懂得**延长**旧木头寿命的妇女；一位懂得精磨面粉的面包师；还有一个回家待两周、**研究行为**经济学的**大学**新生。

The freshman, a thin, **spontaneous** and rather talkative young man with a **paperback** in his pocket, said that the profits of the company were mostly an illusion, and that the village could, by **organising** a cooperative, earn more than any hotel chain would ever pay.

那位新生是个瘦瘦的、**随性**而相当健谈的年轻人，口袋里揣着一本**平装**书，他说公司的利润大多是一种幻觉，村子通过**组织**合作社，赚的钱比任何连锁酒店付给的都多。

"It is a simple matter of **incentive**," he said, "and of **domain**: if the village owns the land, the boats and the brand, it can set its own price; and the **reward** is not a wage but a share."

“这只是**激励**和**领地**的简单问题，”他说，“如果村子拥有土地、船只和品牌，就可以自己定价；而**回报**不是工资，而是一份股份。”

He drew a **rectangle** on a napkin and divided it into four **layers**: the farm, the harbour, the music and the school; and then, with the diligence of a young man who has found his first great idea, he began to fill in the numbers.

他在餐巾上画了一个**长方形**，把它分成四**层**：农场、港口、音乐和学校；然后，他带着一个找到第一个伟大想法的年轻人的勤奋，开始填写数字。

The village meeting that followed was the biggest in memory.

随后的村民大会是记忆中规模最大的一次。

The hall was packed; people stood in the aisles, **kneeled** on the floor, leaned out of the windows and sat on the steps; the ventilation was poor, the air was thick with steam from wet coats, and the old stove had been lit, though nobody had any need for it.

大厅里挤得满满的；人们站在过道里，**跪**在地上，探出窗外，坐在台阶上；通风很差，湿大衣散发的蒸汽使空气浓稠，老炉子也点着了，尽管没人需要它。

Tobias stood at the front, a little pale, with his coat open and a heap of notes in his hands, and began: "I am not a speaker, and I am no economist; I am the mailman, and I have read more private letters from this village than any man alive, without opening one."

托拜厄斯站在前面，脸色有点苍白，大衣敞着，手里拿着一叠笔记，他开始说：“我不是演说家，也不是经济学家；我是邮递员，我送过的这个村子的私人信件比任何活着的人都多，却一封也没拆过。”

The audience laughed, and he continued in a calmer voice: "I have noticed that people here write to each other when they are angry, and not when they are happy, and that they hand out **criticism** like seed corn, freely and in large quantities; but we are, together, a village that has weathered five centuries of storms, and we do not need a company to tell us who we are."

听众笑了，他用更平静的声音继续说：“我注意到，这里的人生气时才给彼此写信，高兴时不写，而且他们分发**批评**就像撒种子一样，随意而且大量；但我们作为一个整体，是一座熬过了五个世纪风暴的村子，我们不需要一家公司来告诉我们是谁。”

He spoke of the freshman's plan; he explained that a cooperative would **permit** every family to hold a share, that the school would teach a mixture of the old crafts and the new subjects, with **pedagogy** designed by the retired teachers; and that the fishermen would sell their catch directly, with no middlemen, while the composer would organise a summer festival and the diplomats of the hotel chain could come, if they wished, as guests.

A low murmur went through the hall, and an old woman in the back row, a retired **witch** of the village theatre who had played every wicked part for forty years, stood up and **tapped** her stick on the floor.

大厅里响起一阵低低的嗡嗡声，后排一位老妇人站了起来，她是村剧团退休的“**女巫**”，四十年来演遍了所有恶毒的角色，此刻她用拐杖**敲**了敲地板。

"Young man," she said, "I have seen hunger, and I have seen **fever**, and I have seen your kind come with a smile before. You will not **coax** us, you will not **bore** us into agreement, and you will not make us feel like **cowards** in our own village."

“年轻人，”她说，“我见过饥饿，见过**高烧**，也见过你这种人带着微笑前来。你**哄**不了我们，也别想**烦**得我们点头，更别想让我们在自己的村子里觉得像**懦夫**。”

The audience cheered; some of them began to **bat** their hats against their knees, and a few **gaped** at her, for nobody had thought the old witch capable of such fire.

"The **background** of our quarrel," she said, "is not money but memory. And I should say that the company has a habit of using the word 'only' as an **adverb** of comfort: only a hotel, only a pier, only a small change."

“我们这场争吵的**背景**，”她说，“不是金钱，而是记忆。我还要说，这家公司有个习惯，把‘只’当作一个安慰性的**副词**：只是一家酒店，只是一座码头，只是一点小改变。”

She spoke of the **universality** of hope, of the full **spectrum** of people in the hall, from the poorest fisherman to the richest widow, and of the **temporal** limits of a single life: "We are here for a short time, and what we leave is a place, not a bank account."

她谈到希望的**普遍性**，谈到大厅里从最穷的渔夫到最富的寡妇的**各色人等**，也谈到一个人一生的**时间**有限：“我们在这里只待很短的时间，我们留下的是一个地方，而不是一个银行账户。”

When she sat down, Tobias stepped forward again, this time with a letter in his hand.

她坐下后，托拜厄斯再次走上前去，这次手里拿着一封信。

"I am a **recipient** of your trust," he said, "and tonight I must break a rule. This letter came to me three days ago, addressed to the village council, and I have carried it **till** now."

“我是你们信任的**接受者**，”他说，“今晚我必须破一个规矩。这封信三天前寄到我手里，收信人是村议会，我一直带着它，**直到**现在。”

He opened it and read it aloud. It was from a **diplomatic** office in the capital, and it said, in the dry, **tedious** language of officials, that the coast of Cradle Hill was a protected area, that the sale of its land to any foreign company was illegal, and that the plan, which the agent had described as certain, had never been approved.

他拆开信大声读了出来。信来自首都的一个**外交**部门，用官员们那种干巴巴、冗长**乏味的**语言说，摇篮山的海岸是保护区，向任何外国公司出售土地都是非法的，而代理人说得千真万确的那个计划，从来没有获得批准。

The agent turned red, then white; he made a few **absurd** remarks about "misunderstandings," and then, in the manner of a **predatory** bird that has lost its prey, he gathered his papers and left the hall without a word.

代理人先涨红了脸，又变白了；他说了几句**荒唐**的“误会”之类的话，然后像一只失去猎物的**猛禽**那样，收拾好文件，一言不发地离开了大厅。

The tent went up in the schoolyard by sunset, a tower of red and yellow canvas held up by two tall poles and a hundred ropes, and the first cots, still smelling of fresh pine, were carried in by the carpenter and two acrobats.

日落前，帐篷在校园里搭起来了，一座红黄相间的帆布塔，由两根高杆和一百根绳子撑着，第一批还带着新鲜松木味的小床由木匠和两位杂技演员抬了进来。

The lion, whom the children called Caesar, was chained at the far end behind a wall of hay bales, and his presence **heightened** the sense of drama, but also, to Ottilie's relief, the sense of safety, because no sick child could wander in that direction.

孩子们叫它凯撒的那头狮子被拴在远端一堵干草包墙的后面，它的存在**增强**了戏剧感，但也令奥蒂莉宽慰地增强了安全感，因为没有哪个病孩会往那个方向走。

演员们被证明是天生的护理员：**大力士**像抱小**鸟**一样抱起发烧的男孩，声音轻柔的小丑讲故事，一个走钢丝的瘦女孩坐了几个小时，用自己做的**摆**——线上系着一枚戒指——给失眠的孩子展示时间如何流逝。

The nights were the worst: the tent glowed like a lantern in the **dark** prairie, steam **coiled** from the kettles, and the **muscles** of the volunteers ached as they **bent** over the cots; a **log** from the church fence cracked in the stove, and a child coughed in his sleep.

List 13 The Ghost in the Lighthouse Pipe

灯塔管道里的幽灵

本篇覆盖 List 13 全部 226 个单词；红色粗体为单词首次出现处，右栏为本页单词释义

Suki Tanaka **devoted** her life to teaching **physics** on Hollow Cay, an island so small that the whole population could **occupy** the schoolyard for the Monday **assembly**, and its single **bell** could be heard from the northern beach to the southern jetty.

田中素希把一生都**奉献给**了空心岛上的**物理**教学，这座岛小到全体居民都能**挤进**校园参加周一的**集会**，只有一口**钟**从北边海滩到南边码头都听得见。

She had come on a three-month **voyage** from the mainland twelve years earlier, to do a **favor** for an old professor, and she had never left, because the island, as she put it, had the **perfect** ratio of **sky** to people.

十二年前，她为了**帮**一位老教授的忙，乘三个月的**航程**从大陆来到这里，再也没离开，因为用她的话说，这座岛有**天空**与人数的**完美**比例。

Her classroom was a **lively** place full of **junk**: bicycle wheels, broken radios, a rusty **antenna** and a mountain of wire, all of which she called **stuff** for the experiments, and the children, who thought physics **uncool in September**, found by October that it was the best game on the island.

她的教室是个**充满生气**、堆满**破烂**的地方：自行车轮、坏收音机、生锈的**天线**和一大堆电线，她把这些统称为“实验用的**东西**”，**九月**时觉得物理**不酷**的孩子们，到十月就发现它是岛上最好玩的游戏。

She told them that an **atom** was a **mere** dot, but a dot with a fierce inner **tension**, and that **everything** in the world that **burst**, **ticked** or glowed was an argument about energy.

她告诉他们**原子只是**一个点，但是一个带着强烈内部**张力**的点，世上**一切爆裂**、**滴答**作响或发光的东西，都是关于能量的一场争论。

Each Monday morning she checked the radio set that she had built from the junk, **extracting** a thin voice from the air: the weather from the mainland, a fishing report, a lonely man in Greenland who talked about cheese.

每个周一早晨，她都检查那台用破烂造出来的收音机，从空气中**提取**出一道细弱的声音：来自大陆的天气，渔业报告，一个在格陵兰谈论奶酪的孤独男人。

On the **anniversary** of her **arrival**, in September, the radio crackled with an **adverse** warning: a **typhoon** was forming eight hundred kilometres to the southeast, with winds of two hundred kilometres an hour, and its track pointed, with a **crisis** in its curve, **straight** at Hollow Cay.

在她**到达**的**周年纪念日**，九月，收音机里噼啪传来一则**不利的**警报：东南方八百公里处正在形成一场**台风**，风速每小时两百公里，它的路径带着**危机**的弧度，**笔直**指向空心岛。

校长是个**额头**冒汗的紧张男人，**想**取消上课；素希**说服**他反其道而行之，把学校当作避难所，因为它有岛上最厚的**墙**。

The **pushback** was immediate: the fishermen refused to leave their boats, the baker would not abandon his ovens, and Old Marta, who had lived through eleven storms, said that a typhoon was only weather in a bad temper.

反对立刻出现：渔民们不肯离开他们的船，面包师不愿丢下他的烤炉，经历过十一场风暴的老玛尔塔说，台风不过是脾气不好的天气。

Suki, who believed that **logic**, **charts** and **honest** numbers were the best persuaders, pinned a **graph** to the wall of the post office: a line showing the pressure falling like a stone, the track of the storm in **yellow** chalk, and the height of the island, which at its highest was **six** metres.

素希相信**逻辑**、**图表**和**诚实的**数字是最好的说服者，她把一张**图表**钉在邮局的墙上：一条显示气压像石头一样下降的线，用**黄**粉笔画的风暴路径，以及岛的高度，最高处也只有**六**米。

"Six metres," she said, "and the surge may be seven. The **suitability** of any house as a shelter is therefore measured in one simple **unit**: how far it stands from the sea."

“六米，”她说，“而风暴潮可能有七米。因此任何一栋房子作为避难所的**适合**度，只用一个简单的**单位**来衡量：它离海有多远。”

The islanders listened with the **secular** patience of people who trusted the sea more than they trusted professors; but they trusted Suki, who had taught half of them to read a thermometer.

岛民们以**世俗的**耐心听着，他们对大海的信任胜过对教授的信任；但他们信任素希，她教会了他们当中一半人看温度计。

At last they agreed that the women, the children, the old and the sick would shelter at the school, and the men would stay with their boats until the last hour.

最后他们同意，妇女、孩子、老人和病人到学校避难，男人们守着船，直到最后一刻。

电压不稳，起起落落像熟睡者的呼吸；她不太**在乎**灯，更在乎收音机，那是与外界的唯一联系，她用**一股**绳把天线绑在旗杆上。

"When the wind crosses its mouth at a certain speed, the air inside begins to vibrate, as the air in this tube does, and the note depends on the length, the **position** of the wind and **nothing** else."

“从灯塔到海湾的那条旧煤气管有一百四十米长，一端封闭，另一端**狭窄**，”她说，“当风以一定速度掠过它的口，里面的空气开始振动，就像这根管子里的空气一样，音高只取决于长度、风的**位置**，**别无其他**。”

"Nothing supernatural, then," said the headmaster, mopping his forehead. "Nothing but physics, which is the same thing, but with better manners," said Suki.

“那就没有什么超自然的东西了，”校长擦着额头说。“只有物理，这是同一回事，但礼貌更好，”素希说。

The children laughed, and one girl asked whether the keeper's wife was therefore just wind; Suki said that wind was the most honest ghost, because it never pretended to be anything else.

不利的一面是，间歇很短：二十分钟后，风从相反的方向回来，比之前更猛，前半场风暴吹松的东西，后半场把它们带走了。

"The reels are not **nice**," he said. "They **correspond** to eighteen months of filming: the Chancellor's flagship **investment**, New Coast City, a showpiece rising from a **barren cliff**. On paper it houses forty thousand people. On film it is a wall, a fence, a hundred tents and a **prominent statue** of the Chancellor himself."

"这些胶片**不好看**，"他说，"它们**对应**十八个月的拍摄：总理的旗舰**投资**，新海岸城，一个从**荒芜悬崖**上升起的样板工程。账面上它住着四万人。镜头里它是一堵墙、一圈栅栏、一百顶帐篷，和一尊总理本人的**醒目雕像**。"

List 16 The Peacock and the Masterpiece

孔雀与杰作

本篇覆盖 List 16 全部 226 个单词；红色粗体为单词首次出现处，右栏为本页单词释义

The **hamlet** of Linden Ford lay in the **northeast** corner of the country, **seven miles** from the nearest **highway**, and it **exemplified** everything the **legislature** considered **undesirable**: it had no factory, no tourist trade, a population of ninety-one and a **peacock**.

林登渡口**村**位于国家的**东北**角，距最近的**高速公路七英里**，它**体现**了**立法机关**眼中一切**不受欢迎的**特征：没有工厂，没有旅游业，人口九十一，外加一只**孔雀**。

The peacock, named Duchess, belonged **to** Mrs. Agnes Hendry, who lived at the end of the lane in a cottage held together by ivy and stubbornness, and who died one **Tuesday** in **April** with a pen in one hand and a sandwich in the other.

这只孔雀名叫公爵夫人，属于艾格尼丝·亨德利太太，她住在小巷尽头一间靠常春藤和倔强撑着的小屋里，在**四月**的一个**星期二**去世，一手握笔，一手拿着三明治。

Her only **descendant** was a great-nephew, Teddy Hendry, a **conscientious** young man of twenty-six who taught mathematics in the **next** county, wore **trousers** that were always slightly too short and carried a permanent **bruise** on his shin from the corner of a desk.

她唯一的**后代**是个侄孙泰迪·亨德利，一个二十六岁、**认真**负责的年轻人，在**邻**县教数学，穿的**裤子**总是短一点，小腿上因桌角而永远有一块**淤青**。

He arrived the day after the funeral in a **car** that **coughed**, to find the cottage full of mice and a letter from the bank: the **mortgage**, which his great-aunt had stopped paying five years earlier, would be due in full on the **first** Tuesday of May.

他在葬礼次日乘着一辆**咳嗽**的**车**到来，发现小屋里满是老鼠，还有一封银行的信：他姑婆五年前就停止偿还的**抵押贷款**，将在五月的**第一**个星期二全额到期。

"**Per** the **terms** of the loan," said the **attorney**, a pale man with a very **fine** mustache and a very fast pen, "if the sum is not paid, the property will be sold, and, let me be frank, a hamlet of this size will not survive the loss of its largest house."

“**按**贷款**条款**，”**律师**说，他脸色苍白，留着**极细**的胡子，笔速极快，“如果款项不付，财产就将出售，坦率地说，这么小的村子经不起失去它最大一栋房子。”

Teddy felt **guilt** and fear in equal proportions: guilt because he had not visited in a **decade**, and fear because he had **eleven** pounds in his **account** and a **flight** booked for a holiday that now seemed obscene.

泰迪感到**内疚**和恐惧各占一半：内疚是因为**十年**没来看过，恐惧是因为他**账户**里只有**十一**英镑，还订了一张去度假的**机票**，如今想来似乎不合时宜。

He decided to **probe** the barn behind the cottage in the hope of finding something to sell, a tractor, a clock, a set of silver spoons.
他决定**探查**小屋后面的谷仓，希望找到一些可卖的东西：拖拉机、钟，或者一套银勺。

The barn smelled of **peanuts**, **fertilizer** and time, and it was full of sacks and jars and **ladders**; after **three** hours of **shoving**, sorting and sneezing, Teddy found behind a stack of folded tents a large flat shape wrapped in a blanket.
谷仓里散发着**花生**、**化肥**和时间的气味，里面堆满麻袋、罐子和**梯子**；经过**三**个小时的**推**搡、整理和打喷嚏，泰迪在一摞折叠帐篷后面发现一个包在毯子里的大而扁平的东西。

He tore off the blanket and stared: a **canvas** three feet by four showed a river at night under a **comet**, painted with **such ingenious** layers of blue that the water seemed to move, and in the corner, in a **firm** hand, were the initials A. F.
他扯掉毯子，目不转睛：一幅三英尺乘四英尺的**画布**，描绘夜里**彗星**下的一条河，蓝色层次**巧妙**到水似乎在流动，角落里有笔力**遒劲**的首字母“A. F.”。

Teddy, who knew nothing about art except that it was expensive, **fetched** a flashlight and then, from the cottage, Mrs. Hendry's last diary, which was **largely** a record of the peacock's moods and the price of seed, but which contained a single entry that made his hands shake.
对艺术除了知道它昂贵之外一无所知的泰迪**取来**手电筒，然后从小屋里拿来亨德利太太的最后一本日记，那本日记**主要**记录孔雀的情绪和种子的价格，但其中有一条让他的手发抖。

"The canvas in the barn," it said, "is the only one I did not burn. Nobody must know until the **right** moment. A. F. was never a man."
“谷仓里的那幅画，”上面写着，“是我唯一没烧掉的。在**合适**的时刻之前，谁也不能知道。A. F. 从来都不是男人。”

A. F., Aurelio Fenn, was a legend of painting, a recluse who, forty years earlier, had produced a dozen **masterpieces** and vanished, leaving the art world to quarrel about his identity for four decades; the **chief** theory said he had died abroad, and another claimed that he was a syndicate.
A. F.，奥雷里奥·芬，是绘画界的传奇，一个隐士，四十年前画出了十几幅**杰作**后销声匿迹，让艺术界为他的身份争论了四十年；**主流**理论说他死在国外，另一种说法认为他是个辛迪加。

Teddy had **assumed** that his great-aunt's only talent was growing leeks; now he realised that his **predecessor** in the house had been the **unacknowledged** genius, the **writer** of the diary, the painter of the river and the owner of the peacock.
泰迪曾**以为**姑婆唯一的天赋是种韭葱；现在他意识到这屋子的**前主人**才是那位**无人承认**的天才，既是日记的**作者**，也是那条河的画家，还是孔雀的主人。

他给大学的**学者**哈洛伦教授打了电话，教授第二天早晨骑自行车到来，用放大镜看了二十分钟后说："根据签名和笔触，这是真迹；但颜料检测我需要三周。"

"We do not have three weeks," said Teddy. "We have eleven days."

"我们没有三周，"泰迪说，"我们有十一天。"

He hung the canvas in the **living room** of the cottage, where Duchess the peacock took up a post beneath it with the air of a trustworthy guard, and by Thursday, since **informality** is a virtue of small places, nine neighbours had come to look at it in their slippers.

他把画布挂在小屋的**起居室**里，孔雀公爵夫人在它下面站岗，神态像个值得信赖的卫兵，到周四，由于**随意**是小地方的美德，已有九位邻居穿着拖鞋来看过它。

On Friday a black car, long and shiny as a coffin, came up the lane, and out of it stepped Mr. Aldous Penrose, a **millionaire investor** in a grey coat with a velvet collar and a **cheek** like polished **marble**.

周五，一辆长而亮得像棺材的黑色轿车驶进小巷，从里面走出奥尔德斯·彭罗斯先生，一位**百万富翁投资者**，穿着带天鹅绒领子的灰大衣，**脸颊**像抛光的**大理石**。

He had come, he said, with an offer: the legislature had approved a new highway, a **shortcut** to the coast, and the proposed route would pass **directly** through Linden Ford; he represented a firm that wished to buy the land for **accommodations**, hotels, a road lined with **billboards** and a car park for every acre.

他说，他是带着一个提议来的：立法机关批准了一条新高速公路，一条通往海岸的**捷径**，规划路线将**直接**穿过林登渡口；他代表一家想买下这块地用于**住宿**设施的公司，有酒店、两旁竖满**广告牌**的路，以及每英亩一个停车场。

"I am prepared to pay the mortgage," he said, with the **gracious** smile of a man who has never lost a negotiation, "and to give your hamlet a handsome sum for its trouble."

"我准备偿还抵押贷款，"他带着从没输过谈判的人那种**和蔼**的微笑说，"并给你们村子一大笔钱作为麻烦的补偿。"

A **politician**, Councillor Duffy, who had come with him, nodded vigorously and spoke of progress, jobs and the **vote** of the future, while his eyes searched the cottage for anything he could value.

随他同来的**政客**达菲议员拼命点头，谈到进步、就业和未来的**选票**，而他的眼睛在小屋里搜寻着任何可以估价的东西。

Neither saw the canvas, which Teddy had covered; but Duchess, who despised visitors, strutted in front of it and spread her fan in a gesture **so** obviously protective that Penrose's eye was drawn to the blanket.

他们都没看到画布，泰迪已把它盖住；但讨厌访客的公爵夫人昂首阔步地走到它前面，展开尾屏，姿势**明显**在保护，以至于彭罗斯的目光被吸引到那块毯子上。

彭罗斯扬起一边眉毛，但没有坚持；他也没有**忽视**；他在一本小本子里记了一笔。

That night, while Teddy slept on a camp bed, someone lifted the latch of the cottage; Duchess screamed, a sound like a trumpet being strangled; Teddy leapt up and found the front door open, the canvas still on the wall and the peacock gone.

Inside, the peacock, indignant, was eating a hotel sandwich; and the thief sat on a barrel beside her, pale and shaking: Leo, Penrose's grandson, fourteen, who, eager to please his grandfather, had taken the bird out of **mischief** rather than malice.

里面，愤愤不平的孔雀正在吃酒店的三明治；贼就坐在她旁边的桶上，脸色苍白，浑身发抖：彭罗斯的孙子利奥，十四岁，渴望讨祖父欢心，出于**恶作剧**而非恶意偷了这只鸟。

"Please, I never meant to hurt her," he said, his **eagerness** for **approval** turning to fear. "Grandfather said the old woman in the cottage had something he wanted, and that the bird would persuade the heir to talk."

“求你们，我从没想伤害她，”他说，**渴望**被**认可**的心情变成了恐惧。“祖父说小屋里那位老太太有他想要的东西，这只鸟会说服继承人开口。”

"Let me write to the legislature," said Miss Pettigrew. "I have sent them letters about bird counts for sixty years. They have never answered, but they have kept every one, which is a kind of record of my **trustworthiness**."

“让我给立法机关写信，”佩蒂格鲁小姐说，“我给他们寄鸟类统计信已有六十年。他们从没回过，但每封都保留着，这算是我**可信**度的一种记录。”

The village **despatched** Teddy to the capital that evening, with the diary, the photographs and a declaration signed by all ninety-one inhabitants, **down** to the infant in the baker's arms, who had signed with a thumbprint of jam.

The building was a marble thing with an **impressive** staircase, a hundred clerks and a **minimum** of **kindness**; nobody wanted to see a young mathematician with a diary, and after four hours of waiting he was given three minutes before the committee on roads, chaired by a **doctor** of economics with a **tray** of sandwiches.

大楼是大理石的，有一道**令人印象深刻的**楼梯、一百名职员和**最低限度**的**善意**；没人想见一个带着日记的年轻数学家，等了四小时后，他在道路委员会前得到三分钟，主持人是一位经济学**博士**，面前摆着一**盘**三明治。

"The new highway," said the chair, "will **create** jobs, shorten journeys and **eventually** pay for itself. Linden Ford, I am told, has a population of ninety-one, and its objection to the road is, forgive me, sentimental."

“新高速公路，”主席说，“将**创造**就业，缩短行程，并**最终**自负盈亏。我听说林登渡口人口九十一，恕我直言，它反对修路是出于感伤。”

"**Sentiment** is a **measurable** thing," said Teddy. "I have measured it: ninety-one signatures, nine hundred hours of volunteer labour and one masterpiece."

“**感情**是可以**衡量**的，”泰迪说，“我量过了：九十一个签名、九百小时志愿劳动，还有一件杰作。”

He took out the photograph of the canvas, and a murmur ran through the room; a clerk at the back dropped a cup. "I am here to say that the proposed highway would destroy the **dwelling**, and the only known work, of Aurelio Fenn."

他拿出画布的照片，房间里响起一阵低语；后排一个职员打翻了杯子。“我来是想说，规划中的高速公路会摧毁奥雷里奥·芬的**居所**和他唯一已知的作品。”

The name caused a stir. A white-haired member **rose**, trembling: "Fenn! I saw his painting on **Broadway** as a young man. They said it was by a man who did not exist."

这个名字引起了骚动。一位白发议员颤巍巍地**站起来**：“芬！我年轻时在**百老汇**看过他的画。他们说是由一个不存在的人画的。”

"He was a woman," said Teddy, "my great-aunt. She hid, because they would not have hung her work. Here is her diary." He passed it across the table, and in the hush that followed the sandwiches went cold.

“他是个女人，”泰迪说，“我的姑婆。她躲起来，因为他们不会挂她的作品。这是她的日记。”他把日记推过桌子，随后的寂静里，三明治凉了。

The chair's face went through three expressions, disbelief, calculation and something almost like shame; he called a recess, the committee consulted in a corridor, and Teddy waited, **sweating**, on a marble bench.

主席的脸经历了三种表情：怀疑、算计，和近乎羞愧的东西；他宣布休会，委员会在走廊里商议，泰迪流着**汗**坐在大理石长凳上等候。

They returned and passed a **motion**: the highway would be **diverted** by two miles if the canvas proved genuine, and the legislature would pay, **according to** its **policy** on heritage, the cost of authentication.

周一抵达林登渡口的团队带着一车**科学**设备，领队是奥科恩乔博士，一个笑声像咳嗽的镇定女人，她用一台没人**念得出**名字的机器**分析**了画布。

She tested the paint for **nitrogen** compounds, the canvas for the age of its threads, the frame for tool marks and the varnish for a particular resin; each test took hours, the village waited in the lane, and the **mould** on the barn wall grew more interesting by the minute.

她检测颜料的**氮**化合物、画布线的年代、画框上的工具痕迹和清漆中的一种树脂；每项测试要几小时，村民们在巷子里等着，谷仓墙上的**霉斑**每分钟都变得更有趣。

Penrose, meanwhile, was not idle: he told the newspapers that the painting was a forgery, "**fabricated** by a desperate heir", hired an expert to **imitate** Fenn's style, and displayed the imitation in his hotel lobby as a **showcase** of fraud.

与此同时，彭罗斯没有闲着：他告诉报纸这幅画是赝品，“由一个走投无路的继承人**伪造**”，雇了一个专家**模仿**芬的风格，并把仿作**陈列**在酒店大堂，作为欺诈的展品。

His expert's imitation was good, but it lacked the **mutability** of Fenn's blue: the river in the original changed colour between lamp and daylight, as if it breathed, and the imitation did not.

他的专家的仿作不错，但缺少芬的蓝的**变化性**：原作中的河在灯光和日光下会变色，仿佛在呼吸，而仿作不会。

At the **nucleus** of the problem, Dr. Okonjo said, was the blue itself, which contained a mineral found in one valley on the continent and no longer mined, and which no forger could have found.

奥科恩乔博士说，问题的**核心**是这种蓝本身，它含有一种只在大陆上一处山谷出产、如今已不开采的矿物，没有哪个伪造者能找到。

The final report was written in a plain style and a firm hand: the canvas was at least forty years old, the paint was consistent with other works by Fenn, and in the underlayer lay a small whorl, a fingerprint pressed into the wet ground, which matched one on the cover of the diary.

最终报告用朴素的文风和有力的字迹写成：画布至少有四十年历史，颜料与芬的其他作品一致，底层有个小旋纹，是压在湿底子上的一枚指纹，与日记封面上的一枚吻合。

She spared nothing in the three words at the top of the **document**: "Genuine. **Unique**. Unacknowledged."

她在**文件**顶端的三个词里毫无保留：“真迹。**独一无二**。未被承认。”

Penrose's counter-move was brilliant and brazen: he offered Teddy ten million for the painting and the land, a **king's** ransom, as a **patron** of the arts.

彭罗斯的反击既巧妙又厚颜：他以艺术**赞助人**的身份，向泰迪开价一千万买下画和土地，一笔**国王**的赎金。

水印里的金字塔

本篇覆盖 List 17 全部 226 个单词；红色粗体为单词首次出现处，右栏为本页单词释义

Ottoline Marsh had been the archivist of Millbrook for thirty-one years, and in all that time she had never once raised her voice, a fact the town took as proof that she could **prohibit** nearly anything with a glance.
奥托琳·马什担任米尔布鲁克的档案员三十一年，这期间她从没提高过一次嗓门，镇上人把这当作证明：她一个眼神就能**禁止**几乎任何事。

She was a tall woman with a straight **waist**, a steel-grey bun, a **tongue** like a scalpel and an **encyclopedia** of facts about everything **from** the town's **pesticide** regulations to the nesting habits of the bees that **pollinate** the **pumpkin** fields.
她是个高个子女人，**腰**板笔直，钢灰色发髻，**舌头**像手术刀，脑子里有一部**百科全书**，涵盖从镇上**杀虫剂**规定到给**南瓜**田**授粉**的蜜蜂筑巢习性的一切。

Her **archive** lay in the basement of the old town hall, a building that had once held a **dungeon**, and the dungeon, which she called the cool room, now held the deeds, the maps, the family **albums** and ten thousand folders.
她的**档案馆**在旧市政厅的地下室，那栋楼曾有过**地牢**，她称那个地牢为“凉室”，现在存放着地契、地图、家族**相册**和一万份卷宗。

Her only assistant was an **adolescent** named Sam, who came every afternoon after school in a hood and could repair any **processor** or **silicon** chip but could not find his own shoes.
她唯一的助手是个叫山姆的**青少年**，每天放学后戴着兜帽来，能修任何**处理器**或**硅**芯片，却找不到自己的鞋。

The town was proud of its pumpkin fair, which took **place** every autumn on Common Meadow, a gift of the founders in 1802, and the mayor, a hearty **republican** with a red face, opened it in a **gown** with a gold chain.
镇子为它的南瓜集市骄傲，集市每年秋天在公共草地上**举行**，那是 1802 年创建者的赠礼，市长是个红脸膛、爽朗的**共和**派，穿着挂金链的**长袍**主持开幕。

In **recent** weeks, however, the mayor had been very nervous: he **nodded** at nothing, **squeezed** his hands, and said that the fair would be good and, **plus**, the town would get a new **reception** hall.
然而**最近**几周，市长非常紧张：他对着空气**点头**，**攥紧**双手，说集市会很好，**而且**，镇上还会得到一座新的**接待**厅。

He **interfered** with the archive for the first time in thirty years by asking to see the deed of Common Meadow; Ottoline brought it, and he looked at it for a minute with the glassy expression of a man examining a death certificate, nodded, and said it would be fine.
他三十年来第一次**干涉**档案馆，要求看公共草地的地契；奥托琳取来，他用审视死亡证明般呆滞的表情看了一分钟，点点头，说没问题。

But the visit left her with an **impression** she could not name, a **suspicion**, the way a baker senses that the oven is slightly too cold.
但这次造访给她留下一种叫不出名字的**印象**，一种**怀疑**，就像面包师感觉烤箱稍稍太冷。

That night she went down to the cool room, took the deed from its envelope and held it under the lamp, and the lamp showed that the paper was a shade too white, the ink a shade too black, and in the corner there was a watermark that she had never seen: a small **pyramid**.
那天夜里她下到凉室，从信封里取出地契，举到灯下，灯光显示纸张白得过一分，墨水黑得过一分，角落里有一个她从未见过的水印：一座小小的**金字塔**。

She did not telephone the mayor, because she **presupposed** a trap; instead she rang a **toll-free** number that she had known for years but never **used**, the hotline of the State Archive's forensic section, and asked to speak to a Dr. Salt.
她没给市长打电话，因为她**预设**这是个陷阱；她拨了一个她多年来知道却从未**用过**的**免费电话**，州档案馆法证科的热线，请求找索尔特博士。

Dr. Salt, a **fluent** speaker of fifteen dialects of paper, said that a pyramid watermark belonged to a **mill** that had closed in 1990, so the deed, supposedly two hundred years old, was written on paper that was five years old at most.
索尔特博士**精通**十五种纸张方言，他说金字塔水印属于一家 1990 年关闭的**造纸厂**，所以这份据说有两百年历史的地契，写在最多五年的纸上。

"You have a forgery," he said. "Tell nobody, touch it no more than necessary, and **commence** a list of everyone who has had access to the cool room since January."
“你有一份伪造品，”他说，“别告诉任何人，尽量少碰它，并**开始**列一张一月以来所有进过凉室的人的名单。”

She and Sam, with a **magnet** to test the ink for iron, a hand lens and an ultraviolet lamp, spent the weekend re-reading the visitors' book, which was a disaster of **signatures**; on the previous Tuesday, between ten past four and twenty-five past, someone had signed "A. Bold" in a hand so clumsy that it was clearly disguised.
她和山姆用**磁铁**检验墨水中的铁、一只放大镜和一盏紫外线灯，花了整个周末重读访客簿，那上面的**签名**一团糟；上周二四点十分到四点二十五分之间，有人签了“A. 博尔德”，笔迹笨拙得显然是伪装的。

"Bold by name," said Sam, "but not **bold** enough to sign his own."
“名字叫**大胆**，”山姆说，“但没大胆到签自己的名字。”

Afterwards Ottoline walked the town: the **butcher's**, the post office, the bakery with its **ice cream** machine, the **cinema**, the **pottery**, asking simple questions as a gardener **enquires** about a tree: who had visited the archive, who had asked about the deed and who had suddenly paid off a debt.

之后奥托琳走遍全镇：**肉铺**、邮局、带**冰激凌**机的面包店、**电影院**、**陶器**作坊，像园丁**询问**一棵树那样问简单的问题：谁去过档案馆，谁问过地契，谁突然还清了债。

The butcher, a man of **large** opinions, said that the mayor's brother-in-law, Cassius Dray, had paid his bill in cash after eleven months of credit; the baker said that Dray had a new **tractor**; and the potter said that Dray had joined the **golf** club and bought a **vest** of silk.

肉铺老板是个**意见很大**的人，说市长的姐夫卡修斯·德雷赊账十一个月后现金还清了账单；面包师说德雷有了新**拖拉机**；陶工说德雷加入了**高尔夫**俱乐部，还买了件丝绸**背心**。

Dray was a man of whom nobody said anything good, which in Millbrook amounted to a confession.

德雷是个谁也没说过他好话的人，这在米尔布鲁克就等于一份供词。

The **scandal**, she began to see, had a shape: Dray had forged the deed of Common Meadow to claim that the meadow belonged to his family and not to the town, and he would sell it, for a very large sum, to a developer who wanted to build a golf resort and a **hotel**.

她开始看出，这桩**丑闻**是有形状的：德雷伪造了公共草地的地契，声称草地属于他家而不是镇上，然后他会把它以一大笔钱卖给想建高尔夫度假村和**酒店**的开发商。

The motive was **unemployment**: since the mill had closed, one person in six had no work, and the mayor, **benevolent** at heart but **reckless** in his **judgment**, believed that a resort would provide **eight** hundred jobs, plus **tuition** for the children of the poor.

动机是**失业**：自从工厂关闭，每六个人里就有一个没工作，市长**心地善良**但**判断鲁莽**，相信度假村会提供**八**百个职位，外加贫困孩子的**学费**。

He **resented** anyone who interfered, and he lacked the **posture** of a man who can say no: his shoulders drooped when he spoke to Dray, and Ottoline noted in her book, "**Personality** weak. **Payment** unknown."

他**憎恨**任何干涉的人，也没有能说“不”的人的**姿态**：跟德雷说话时他的肩膀耷拉着，奥托琳在笔记里写道：“**性格**软弱。**款项**来路不明。”

At the council meeting the next Thursday the **agenda** was unusually short, one item, "the question of Common Meadow", and the **democrat** leader, Mrs. Haldane, a short woman in a sharp **suit**, objected to the **haste**: "You cannot **dispute** an inheritance in an hour!"

下周四的议会会议**议程**异常简短，只有一项，“公共草地问题”，**民主党**领袖哈尔丹夫人，一个穿笔挺**西装**的矮个子女人，反对这样**仓促**：“你们不能一小时内就**争议**一份遗产！”

"A claim has been lodged," said the mayor, "by Mr. Dray, who has produced a deed from 1802. We propose to accept it in return for a donation: a hotel, a reception hall and three hundred jobs."

“一项主张已被提出，”市长说，“由德雷先生提出，他出示了一份 1802 年的地契。我们提议接受它，作为回报，换来一笔捐赠：一座酒店、一个接待厅和三百个职位。”

Ottoline rose at the back, in her grey coat, with a folder under her arm. "Mr. Mayor, I should like to put the original in evidence."

奥托琳穿着灰外套，腋下夹着文件夹，在后排站起来。“市长先生，我想把原件作为证据提交。”

"Which original?" "The one in my cool room, which has been there for two hundred and twenty-three years. The paper you have seen is five years old, and I can **prove** it."

“哪份原件？”“我凉室里的那份，在那儿已经两百二十三年了。你们看到的那张纸只有五年历史，我可以**证明**。”

The mayor's face went from red to white; Dray, in the front row in his silk vest, rose, a **giant** of a man with a face like a closed fist, and spoke in the voice of a wounded saint: "Madam, you accuse me of fraud? I am a **taxpayer**."

市长的脸从红变白；穿着丝背心坐在前排的德雷站起来，一个**巨人**般的男人，脸像攥紧的拳头，用受伤圣徒的声音说：“女士，你指控我欺诈？我是**纳税人**。”

"You are, Mr. Dray," said Ottoline, "and the taxpayers of Millbrook have a right to know why you paid your butcher's bill in cash."

“您是，德雷先生，”奥托琳说，“米尔布鲁克的纳税人有权知道您为何用现金付清肉铺的账单。”

There was a ripple of laughter, and a man in a plain coat who had been sitting by the window rose too. "Mr. Dray, I am Inspector Rook, a **detective**. Perhaps we could discuss this at the station."

一阵笑声荡开，坐在窗边的一个穿便衣的男人也站了起来。“德雷先生，我是**侦探**鲁克探长。也许我们可以到警局谈谈这件事。”

At the station, Dray, who had expected to be questioned about a forged deed, found himself questioned about something else altogether: the inspector had been tracking, for a year, a pyramid scheme called Golden **Harvest**, in which small investors across three counties had been promised a **triple** return on their savings and had received it only until the money ran out; the cheated, mostly farmers and widows, had lost their **pocketbooks** and their trust.

在警局，本以为会被问伪造地契的德雷发现自己被问到的完全是另一回事：探长一年来一直在追查一个叫“金色**收成**”的金字塔骗局，三个县的小投资者被许诺储蓄能获**三倍**回报，却只在钱耗尽之前拿到过；受骗者大多是农民和寡妇，赔掉了**钱包**和信任。

Dray was only a **proxy**; the real organiser lived in the **north**, in a house with a **ceiling** painted with clouds, and had sent Dray to Millbrook to acquire land that could be sold quickly to repay the earliest investors, a classic act of desperation: to feed an old pyramid, you build a new one.
德雷只是个**代理人**；真正的组织者住**在北方**一栋**天花板**画着云朵的房子里，派德雷来米尔布鲁克取得可以迅速出售的土地，以偿还最早的投资者，这是典型的绝望之举：要喂饱旧金字塔，就得建新金字塔。

The inspector told Ottoline all this in her cool room, over a **saucer** of tea, with the frankness of a man who has been looking for a witness for months.
探长在她的凉室里，就着**一碟**茶，把这些都告诉了奥托琳，带着一个找了几个月证人的人的坦率。

"What I need," he said, "is the paper trail. The scheme left a **catalog** of promises, leaflets, receipts and contracts, and if you can find any of them in your archive..."
“我需要的，”他说，“是文件线索。这个骗局留下了一份承诺的**目录**，传单、收据和合同，如果你能在档案馆里找到其中任何一份……”

"My archive holds every receipt the town has ever issued," she said. "If the scheme left a trace in Millbrook, I shall find it."
“我的档案馆里有镇上开过的每一张收据，”她说，“如果这个骗局在米尔布鲁克留下过痕迹，我会找到它。”

She and Sam commenced to **scrub** seventeen years of dust from the shelves, and in a **bin** marked "miscellaneous" they **uncovered** a stack of leaflets with a pyramid logo, and in the accounts of the town mill a series of transfers that traced a path from small accounts to a single bank.
她和山姆开始**擦去**架子上十七年的灰尘，在一只标着“杂项”的**箱**里**发现**一叠印着金字塔标志的传单，在镇上工厂的账目里发现一系列从小账户流向单一银行的转账。

It was **drawn-out**, dull work, and everyone was **tight** with fatigue, but Sam, who thought of himself as a **dropout** from the dull world, discovered that he enjoyed it; he used a **sensor** to scan the old pages and a **transistor** radio to keep the rhythm.
这是**漫长**乏味的工作，每个人都累得**紧绷**，但自认为是枯燥世界**逃兵**的山姆发现自己喜欢它；他用**传感器**扫描旧页面，用一台**晶体管**收音机保持节奏。

At midnight on the third day they held the last piece: a cloth-bound ledger listing every investor in the district, with amounts and dates and a column headed "resilience", in which Dray had noted for each victim the likelihood of complaint.
第三天午夜他们握住了最后一块拼图：一本布面账簿，列出该地区每位投资者，附有金额、日期和一栏标着“韧性”，德雷在里面为每个受害者标注了投诉的可能性。

"Resilience," said the inspector grimly, "means how long before the person complains."
“韧性，”探长阴沉地说，“意思是这个人要多久才会投诉。”

这个骗局两年前**复活节**时开始，在一次免费**野餐**会上，横幅写着“让你的钱像**卷心菜**一样生长”，一个小丑、一匹小马和一块卷心菜形的蛋糕帮着说服了四百人交出他们的积蓄。

The organiser, Lucian Stone, was arrested in his northern house in a dressing gown, protesting that he was a benevolent man, but ten thousand certificates bore his signature, and that proved his guilt and he could not disown it.

组织者卢西恩·斯通在北方的房子里穿着睡袍被捕，抗议说自己是个仁慈的人，但一万张证书上都有他的签名，那证明了他的罪行，他无法否认。

The **corrupt** deputy mayor, Mr. Vance, who had accepted a **bribe** of a gold watch and a free holiday, resigned in disgrace, and the mayor, who had been merely foolish, confessed his error in a **sincere**, humble speech and offered to resign too; the council, after a drawn-out debate, refused, and imposed a restraint instead: he would sign no contract without Ottoline's approval.

腐败的副市长万斯先生接受过一块金表和一次免费度假的**贿赂**，丢脸地辞了职，只是愚蠢的市长以**诚恳**谦逊的演说承认了自己的错误，并提出也辞职；议会经过漫长辩论，拒绝了，转而施加约束：没有奥托琳的批准，他不得签署任何合同。

Nearly four hundred **claimants** came forward: a widow in a faded gown, a retired butcher, a **duo** of brothers who kept a pig farm and sold **pork**, and a young **nurse** who had saved for a flat; and the court appointed Ottoline, who had the only complete ledger, to calculate each loss.

近四百位**索赔人**站了出来：一位穿褪色长袍的寡妇、一位退休屠夫、**一对**养猪场卖**猪肉**的兄弟，以及一位攒钱买公寓的年轻**护士**；法庭任命拥有唯一完整账簿的奥托琳去计算每人的损失。

The **recovery** was slow and sad: from the sale of Stone's house, his cars and a small painting, the court recovered sixty percent of the total, and one by one the claimants came to the cool room to see their own names in the ledger; some wept, some were angry, and a few thanked her.

追回的过程缓慢而悲伤：靠出售斯通的房子、汽车和一幅小画，法院追回了总额的百分之六十，索赔人一个接一个来到凉室，看账簿里自己的名字；有人哭，有人愤怒，也有几个人感谢了她。

A farmer with an **aggregate** loss of nine thousand pounds stood for a long time before the page, then took a pen and signed beside his own name, "I should have asked."

A week! The word travelled down the carriages and came back larger: nobody had food for a week, and at night the temperature fell to twenty below.
一周！这个词传遍各节车厢，回来时变得更大：没人有够吃一周的食物，夜里气温降到零下二十度。

Physically, the train was a tube of metal and glass, which kept out the wind but not the cold, and the passengers, who had been strangers in the capital, faced the crisis in a state of **reciprocal** suspicion, each **eyeing** the others' baskets.
从**物理上**说，火车是一根金属和玻璃的管子，挡得住风却挡不住冷，在首都还是陌生人的乘客们，带着**相互**的猜疑面对危机，每个人都**盯着**别人的篮子。

The first argument broke out at midnight over a sack of potatoes in the third carriage, and by morning the train had **divided against** itself, those who had food and those who had none.
第一场争吵在午夜因第三节车厢的一袋土豆爆发，到早晨，火车已自我**分裂**，一边是有食物的，一边是没有的。

Tomasz, who disliked arguments, did something remarkable for a man of his type: he went to the front of the train and asked the Maestra for **advice**.
讨厌争吵的托马什做了一件对他这种人来说了不起的事：他走到列车前部，向女指挥家**请教**。

"**Suppose**," he said, "I need to make six hundred people feel like one." "Then you need a **festival**," said Maestra Voss. "Not a cure but a **remedy**: a reason to be in the same room at the same time."
"**假设**，"他说，"我需要让六百人感觉像一个人。""那你需要一个**节日**，"沃斯女士说，"不是治愈而是**疗法**：一个同一时间待在同一间屋子里的理由。"

"A festival, in a stranded train, at twenty below?" "**Especially** at twenty below." She had a **compromise** to offer, a choir of the train: she would conduct, Dov would build the stage, and the children would be the audience until they were ready to be performers.
"在被困的火车上，零下二十度办节日？""**尤其**是零下二十度。"她有一个**折中**的方案，列车合唱团：她来指挥，多夫来搭舞台，孩子们当观众，直到他们准备好当表演者。

She had conducted in a time of plenty; in the famine she had conducted a children's choir in a cellar during the bombing, and she knew the art of making people sing when they had nothing but breath.
她在富足的年代指挥过；在饥荒中，她曾在轰炸时的地窖里指挥过儿童合唱团，她懂得让人们在除了呼吸一无所有时歌唱的艺术。

Dov carved a small crown from a block of wax from the carriage lanterns, the only material on the train soft enough for his chisels, and within an hour the idea had spread: the mothers **drafted** a programme, a father produced a fiddle, and the little girl who sucked her thumb whispered that she knew a song from her **village**.
多夫用车厢灯的一块蜡雕了一顶小王冠，那是车上唯一软到他的凿子能下手的材料，一小时内这个想法传开了：母亲们**起草**了节目单，一位父亲拿出一把小提琴，吮拇指的小女孩小声说她知道一首她**村**里的歌。

She taught them a canon so simple that a child could sing it, yet so ingenious that no one could sing it alone; it **demonstrated**, she said, the **moral** of the whole journey: in a canon every voice depends on the others, and the **friction** between them is what makes the tune.
她教他们一首简单到孩子都能唱、却精巧到无人能独唱的轮唱曲；她说它**展示**了整个旅程的**道理**：在轮唱里每个声部都依赖其他声部，它们之间的**摩擦**才造就旋律。

In the corridor Dov worked on the **sculpture**; he had finished the crown, and what he made now was a stage: with coal from the tender he built a low wall, and with snow, pine boughs and a long **bush** of dried heather he made a simple backdrop.

He did so, with great politeness and no consent.

The village, which the refugees reached after eleven hours on sledges, was a place of wooden houses with deep roofs, each with a chimney that smoked as if the house itself had a cold, and they were met with a great pot of barley soup, a pile of rugs and a quiet in which the exhausted could actually rest.

火车开出时，孩子们沿车奔跑，大喊着，撒出一把把纸鸟，在枕木上**攀爬**；吮拇指的佐菲娅跑得最远，然后停下，唱起她村里的副歌，列车每扇窗里都有副歌回应。

The train crossed the **boundary** at the mountain pass at noon, at kilometre three hundred, exactly as the station-master had promised; the border guard, who was eating a hamburger, looked up, saw six hundred faces and decided that the paperwork could wait.

On the other side the first things they saw were a **petroleum** tanker at the border, a **newsstand** selling maps and a frontier official with a **detector** wand, who passed it over the Maestra's tan coat and found only a spoon.
在另一边，他们首先看到的是边境上的一辆**石油**罐车、一个卖地图的**报摊**，以及一名拿着**探测棒**的边境官员，他把探测棒在女指挥的黄褐色外套上扫了一遍，只发现一把勺子。

The country's attitude to refugees was **ambiguous**: officially it supported them, but in practice it had a long **period** of **consecutive** governments that preferred not to be seen supporting anyone, and the **behavior** of its cabinet varied with the weather.

Aldo's heart did something that a heart of seventy-four should not do. "A secret?"
奥尔多的心做了一件七十四岁的心不该做的事。“一个秘密？”

"He said that when the tree split in the great storm, something fell out of it, and he never told anyone what. He died the week after. The police said it was an old man's fantasy, but he left a note in his workshop, and I have read it so often that I can **repeat** it: 'I have put it where it may do some good.'"
“他说大风暴中树裂开时，有东西从里面掉了出来，他从没告诉任何人是什么。一周后他就去世了。警察说那是老人的幻想，但他在工作间留了张字条，我读了那么多遍，已经能**背出来**：‘我把它放在了或许能做些好事的地方。’”

"Come **here**," said Priya, taking him by the sleeve into the workshop, a **hut** at the back of the car park where **all** her grandfather's tools still **lay** in the **same** order and a **faint** smell of woodsmoke and old oil clung to the walls.
“**过来**，”普丽娅说着拉住他的袖子，带他进了车间，那是停车场后面的一间**小屋**，她祖父**所有的**工具仍按**原来**的顺序**摆着**，墙上还萦绕着**淡淡**的柴烟和旧油味。

On the bench lay a **woodcut**, a print of the pear tree in snow, in the **earnest**, careful lines of an amateur, and under it a small notebook in which the old man had written in pencil, in a hand that sloped like a hill.
工作台上有一幅**木刻**，一幅雪中梨树的版画，是业余爱好者那种**认真**谨慎的线条，下面压着一个小笔记本，老人用铅笔在里面写字，字迹像山坡一样倾斜。

Priya read aloud: "Found the thing in the tree. Cannot tell the council, they will argue for years. Cannot tell the police, they will take it. Cannot sell it, it is not mine. Shall put it where it may do good, and say nothing."
普丽娅大声念："在树里发现了那东西。不能告诉议会，他们会争论几年。不能告诉警察，他们会拿走。不能卖，那不是我的。将把它放在能做些好事的地方，并且什么也不说。"

"Do good how?" said Aldo, in a voice that sounded to himself like a rusty gate.
"怎么做好事？"奥尔多问，声音在自己听来像一扇生锈的门。

Priya **laughed**. "You are very interested for a night cleaner." "I am interested in all **stories**," said Aldo. "It is the only thing I own."
普丽娅**笑**了。"对一个夜班清洁工来说，你很感兴趣呢。""我对所有**故事**都感兴趣，"奥尔多说，"那是我拥有的唯一东西。"

"It is **interesting**," he said carefully, "that a man who loved a tree enough to mend it with copper would not mention what he had found. Maybe it was **simply** an old bottle."
"**有意思**的是，"他小心地说，"一个爱一棵树到用铜修补它的人，竟然不提他找到了什么。也许那**只是**个旧瓶子。"

"My grandfather did not hide bottles," said Priya. "He hid things that were valuable, and he was proud: the centre was his idea. He fought the council for ten years to save the tree when they wanted to fell it, and he lost most of the argument but won the tree."
"我祖父不会藏瓶子，"普丽娅说，"他藏的是有价值的东西，而且他很自豪：这个中心是他的主意。议会想把树砍倒时，他与议会抗争了十年，大多数争论他输了，但保住了树。"

"And the centre?" "The marsh was drained and the building went up, but the council had no money, and then, three years ago, a miracle: someone **donated** a **million** pounds, anonymously, through a charitable fund, just when the builders were about to give up."
"那这个中心呢？""沼泽被抽干，大楼建起来了，可议会没有钱，然后三年前出现了奇迹：有人匿名通过一个慈善基金**捐**了一**百万**英镑，恰好在建筑工人要放弃的时候。"

Aldo's **knees** went weak. "Anonymous?" "The fund's manager was an old friend of my grandfather's, and he is dead too. Everyone who knew the truth is dead."
奥尔多的**膝盖**发软。"匿名的？""基金经理是我祖父的老朋友，他也死了。知道真相的人都死了。"

"Not everyone," Aldo thought, and he felt, for the first time in twenty years, something that was not quite shame and not quite laughter, because in the arithmetic of the universe, the Sunrise Stone had been sold, and the money had built a badminton hall.
"不是所有人，"奥尔多心想，二十年来第一次，他感到某种既不完全是羞愧也不完全是笑的东西，因为在宇宙的算术中，"日出之石"已被卖掉，钱建了一座羽毛球馆。

He did not sleep; he lay on the narrow bed in the staff room with a **feverish** hand on his **abdomen**, where an old ache lived, and watched the **artery** of light that the car park lamp drew across the ceiling.
他没睡；他躺在员工休息室的窄床上，一只**发烫**的手按在**腹部**，那里住着一处旧痛，看着停车场路灯在天花板上画出的**动脉**般的光。

In prison one learns to **calculate**: the Sunrise Stone had been worth about three million, a million had come to the village, a **thorough** fence would have taken a third, and Pip must have sold it through someone he trusted and given away every penny but his **fee**.
在监狱里人会学会**算账**：“日出之石”当时值大约三百万，有一百万来到村里，一个**周密**的销赃者会抽走三分之一，皮普一定是通过他信任的人卖掉它，并捐出了除自己**费用**之外的每一分钱。

"Pip was no **petty** man," he thought. "He was the opposite of me."
“皮普不是个**小气的**人，”他想，“他是我的反面。”

At dawn he made a decision as sudden as a sneeze: he would tell Priya, though he did not know why, since he had told nobody anything for twenty years; and a **tear**, to his own surprise, ran down the side of his nose, and he let it, because there was no one to see.
黎明时他做了一个像喷嚏一样突然的决定：他要告诉普丽娅，尽管不知道为什么，因为二十年来他没有对任何人说过任何事；一滴**泪**，令他自己也吃惊，顺着鼻侧流下，他任它流，因为没有人看见。

Priya, at six, in her kit, came into the staff room to ask for a mop and found him sitting upright in his chair with an envelope in his hands and the face of a man at his own trial.
早晨六点，普丽娅穿着运动服走进休息室要拖把，发现他坐得笔直，手里拿着信封，脸上是一个站在自己审判席上的人的神情。

"I am not Albert Pearson," he said. "I am Aldo Crane. I stole the Sunrise Stone twenty-two years ago from a jeweller in the capital, hid it in your grandfather's pear tree and was caught before I could retrieve it. I believe your grandfather found it, sold it and donated the proceeds, every penny, to build this place."
“我不是艾伯特·皮尔森，”他说，“我是奥尔多·克兰。二十二年前我从首都一位珠宝商那里偷了日出之石，藏在你祖父的梨树里，还没来得及取就被抓了。我相信你祖父找到了它，卖掉，并把所得，每一分钱，都捐出来建了这个地方。”

A silence of a **palpable** kind filled the room, and Priya's face went through surprise, calculation and something harder to read. "Show me proof."
一种**可触知**的沉默充满房间，普丽娅的脸经历了惊讶、算计，和某种更难读懂的神情。“拿证据给我看。”

"I have none. I was in gaol. There is only one thing: the hollow faced the **eastern** side, six **feet** above the ground, and I wrapped the stone in a grey handkerchief with the letters A.C. in the corner."
“我没有。我坐牢了。只有一件事：树洞朝**东面**，离地六**英尺**，我用一块灰手帕包着石头，角上有字母 A.C.。”

“他留着那块手帕，”普丽娅慢慢说，“它在入口大厅，和他的奖牌一起放在玻璃柜里。”

They went to look. In the case, beside a rusty racket and a ribbon from a tournament, lay a folded grey handkerchief, and in its corner two letters were embroidered: A. C.

他们去看了。柜子里，一只生锈的球拍和一条比赛的缎带旁边，放着一块折好的灰手帕，角上绣着两个字母：A. C.。

The board of the Sports Centre met that night in the suite above the pool: the chair, a retired headmistress of **eighty** with a voice like iron; the **senior** accountant; the manager; an **employee** representative; and Priya's mother, who had come straight from the hospital in her **uniform** with a bandaged **thumb**.

体育中心董事会当晚在泳池上方的套间开会：董事长，一位**八十**岁、嗓音如铁的退休女校长；**高级**会计师；经理；一位**员工**代表；还有普丽娅的母亲，她穿着**制服**从医院直接赶来，**拇指**缠着绷带。

Aldo made his statement standing, in plain words and without self-pity, and when he finished, the chair asked the first question: "And what do you want?"

奥尔多站着陈述，用朴素的话，没有自怜，说完后董事长问了第一个问题：“你想要什么？”

"To know what I did," said Aldo, "and to put it right if I can. I have no money, no family and no claim. I have only a debt."

“想知道我做了什么，”奥尔多说，“并且如果可以的话，纠正它。我没有钱，没有家人，没有主张。我只有一笔债。”

The accountant, a man with a pencil behind each ear, said that the law was clear: stolen property, even when sold in good faith and spent for a public purpose, did not become **legitimate**; the **premise** of the donation, he added, was **corruption**, a word that he regretted at once, since he meant tainted and was too polite to say so.

会计师是个两只耳朵后各夹一支铅笔的男人，他说法律很清楚：被盗财物即使被善意出售并用于公共目的，也不会变得**合法**；他补充说，这笔捐赠的**前提**是**腐败**，这个词他立刻后悔了，因为他想说的是“被污染的”，又太礼貌而没说。

"If the owner or the insurers **appealed**," he went on, "the centre could be liable for the whole million plus interest; at the present rate of **inflation** that is a large cost every year; and a **conviction** for handling stolen goods would be a possibility."

“如果物主或保险公司**上诉**，”他继续说，“中心可能要为整整一百万加利息负责；以目前的**通胀**率，这每年都是一大笔开销；而处理赃物的**定罪**也是一种可能。”

"The **practicality** of it," said the manager, "is that we would have to close." "We cannot close," said Priya's mother. "Two hundred children **swim** here, the **nursery** is here, and the old people do their exercise here; the whole village runs on it, and it is running at forty **per cent** of its **output** because we cannot **afford** to heat the pool."

“**实际情况**是，”经理说，“我们得关门。”“我们不能关门，”普丽娅的母亲说，“两百个孩子在这里**游泳**，**托儿所**在这里，老人们在这里锻炼；整个村子靠它运转，而它只在**四成**的**产能**下运转，因为我们**负担不起**给泳池加热。”

"**Proportionality**," said the chair, tapping the table, "is a fine word, and I intend to use it. The harm of the theft was large, and was done to one jeweller who was insured; the good done by the donation is large, and is done to two hundred children. A court would weigh both."

“**相称**性，”董事长敲着桌子说，“是个很好的词，我打算用它。盗窃的伤害很大，伤害的是一位有保险的珠宝商；捐赠所做的好事也很大，惠及两百个孩子。法庭会权衡两者。”

"A court would weigh his confession too," said Priya, "and his **testimony**. He did not have to tell us."

“法庭也会权衡他的坦白，”普丽娅说，“和他的**证词**。他本不必告诉我们。”

The **proceedings** went on until midnight and were stormy: they **discussed**, they argued, they **deplored**, they sulked; at one point the chair threw her glasses on the table, and at another the accountant spilled his tea over the minutes; but at midnight they voted, with only one against, for a course that neither side liked and everyone could defend: to go to the insurers and the police together, to disclose everything and to ask for mercy.

会议一直开到午夜，且很激烈：他们**讨论**，争论，**谴责**，赌气；一度董事长把眼镜扔在桌上，另一次会计师把茶洒在**会议记录**上；但午夜时他们以仅一票反对，投票通过了一个双方都不喜欢却人人都能辩护的方案：一起去找保险公司和警方，披露一切，并请求宽恕。

They took the train to the capital together on a Monday morning, five of them: Aldo in his hat, Priya in her best jacket, the chair with her stick, the accountant with a briefcase of papers, and Priya's mother, who took a **hike** up and down the platform before anyone else arrived, because she could not bear waiting.

"To **obtain** a settlement," said the accountant, "a means of restitution that does not close a swimming pool."

"**达成**和解，"会计师说，"一种不必关闭游泳池的赔偿方式。"

The lawyer **spun** a pen. "Interesting. The policy was paid out in full to the **original** owner twenty years ago, so the stone is, legally, our property. We are not a charity. But I will say, on a personal level, that the story **abounds** in features that would make a fine film."

律师**转**着一支笔。"有意思。保单二十年前就已全额赔付给**原物**主，所以这块石头在法律上是我们的财产。我们不是慈善机构。但我要私下说，这个故事里有**许多**特点，能拍成一部好电影。"

Then the owner of the original shop, who had been fetched from her home **sometime** in the previous hour, came in: a small woman of seventy-two with white hair and a face like a sharp pear, Mrs. Lacey, who had been the **saleswoman** on the day of the theft.

这时原店的店主进来了，她在前一个小时里的**某个时候**被从家里接来：一位七十二岁、白发、脸像尖梨的小个子女人，莱西太太，盗窃那天她是店里的**女售货员**。

She looked at Aldo, and he looked at her, two people who had last seen each other across a counter on the worst day of both their lives.

她看着奥尔多，他看着她，两个最后一次隔着柜台相见的人，那是他们两人一生中最糟的一天。

"You," she said. "You **offered** me a rose that day. You said it was for my trouble." "I did," said Aldo. "It was a vicious thing to do." "It was a charming thing to do," she said, sarcastically.

"是你，"她说，"那天你**递**给我一朵玫瑰。你说那是对我的麻烦的补偿。""是的，"奥尔多说，"那是件恶劣的事。""那是件迷人的事，"她讽刺地说。

She sat down. A **packet** of mints was passed around the table, as in a family quarrel.

她坐下了。**一袋**薄荷糖在桌边传来传去，像一场家庭争吵。

"I lost my job after that," said Mrs. Lacey. "The firm blamed me. I lived on a pension and a small flat for twenty years, and I have thought of you, Mr. Crane, with some regularity and no affection. But I have also thought that a man who steals a diamond and leaves a rose is not wholly a monster, and now I find that the diamond built a pool."

"那以后我丢了工作，"莱西太太说，"公司怪罪我。我靠养老金和一间小公寓过了二十年，克兰先生，我经常想起你，没有一点好感。但我也想过，偷钻石还留下玫瑰的人并非全然是怪物，现在我发现钻石建了一座游泳池。"

Mrs. Lacey would receive a supplement to her pension, and Aldo a suspended sentence, because the court, hearing her testimony, decided that the years he had served were enough; and the centre's accountant produced a chart that showed, with an **accuracy** that **amazed** even the lawyer, that the scheme was **viable**, since a **cursory** glance would have missed what a thorough **analysis** proved.

The realtor, Mr. Vane, a tall man with a **monopoly** on offers in the district, had told her that her land would make a splendid holiday village, with a lake, a golf course and four hundred luxurious cabins, and he had given her until the New Year to decide.
房地产经纪人万恩先生是个高个子，在这一带**垄断**了出价，他告诉她，她的土地会成为一个绝佳的度假村，有湖、高尔夫球场和四百间豪华木屋，并给了她到新年为止的考虑期限。

"Christmas," she said, "is the last day of the old way. I thought it would be pleasant to have children here once **more**."
“圣诞节，”她说，“是旧方式的最后一天。我想**再**有孩子来这儿会是件愉快的事。”

The children had overheard, as children always do, and by the time the pudding was finished the whole class had held a **serious** meeting in the hayloft, with Milo as secretary, a notebook for minutes and a spider in a jar as the official witness.
孩子们偷听到了，孩子总是这样，等布丁吃完，全班已在干草棚里开了一次**严肃的**会议，米洛当秘书，一个笔记本当会议记录，一只罐子里的蜘蛛当正式证人。

"It is a **quest**," said Milo, "and every quest needs a **treasure**." "The treasure is the farm," said Nell. "Not the farm," said Tilda. "The farm is **precious**, but the treasure is the animals. People pay to see a treasure."
“这是一次**探险**，”米洛说，“每次探险都需要一件**宝藏**。”“宝藏是农场，”内尔说。“不是农场，”蒂尔达说，“农场很**珍贵**，但宝藏是动物。人们愿意花钱看宝藏。”

They discussed the matter with the gravity of a ministry, and it was Oskar, the one with the goose bite, who proposed the first **clever** idea: "Mr. Fenwick says that the ministry has a prize for farms that show a **living** tradition; a Christmas nativity with real animals is a living tradition; if we perform it, and a **journalist** from the paper comes..."
他们像部委那样郑重地讨论这件事，是被鹅咬过的奥斯卡提出了第一个**聪明**主意：“芬威克先生说部里有个奖，颁给展示**活**传统的农场；有真动物的圣诞耶稣诞生剧就是活传统；如果我们演出，报社的**记者**来……”

"We have no journalist," said Nell. "We have a **poster**," said Tilda, and the whole class turned to look at the old poster on the barn wall, curled at the edges: "HAYSTACK FARM CHRISTMAS PAGEANT, ALL WELCOME", dated nineteen years before.
“我们没有记者，”内尔说。“我们有一张**海报**，”蒂尔达说，全班转头看谷仓墙上那张边缘卷曲的旧海报：“干草堆农场圣诞演出，欢迎所有人”，日期是十九年前。

"It was cancelled," said Mrs. Greaves, who had come to see what the noise was about. "The year my husband died. I could not bear to see the stable empty."
“取消了，”听到动静过来看的格里夫斯太太说，“我丈夫去世那年。我受不了看到马厩空着。”

There was a silence. A cow coughed. "Then we shall do it again," said Milo, "and we shall be the cast."
一阵沉默。一头牛咳嗽了一声。“那我们就再演一次，”米洛说，“我们当演员。”

"It is impossible," said Mr. Fenwick. "There are only a few days until Christmas, we have no costumes, no script, no angel, no shepherd, and the stable has a hole in the roof." "We have a **dragon**," said Tilda.
“这不可能，”芬威克先生说，“离圣诞节只有几天，我们没有服装，没有剧本，没有天使，没有牧羊人，马厩的屋顶还有个洞。”“我们有一条**龙**，”蒂尔达说。

"A dragon?" "We made one in the gym last term for the play about Saint George. It is in the cupboard at school, big enough for four children, with a tail."
“一条龙？”“上学期我们在体育馆为圣乔治的戏做的。它在学校柜子里，大到能装四个孩子，还有一条尾巴。”

"There are no dragons in the nativity," said Mr. Fenwick, who had a hundred objections and one conscience. "There might be," said Mrs. Greaves. "In the version I remember from my grandmother's farm there was an angel, a donkey, three kings and a very small dragon, kept in the corner to remind the wicked of their wickedness."
“耶稣诞生剧里没有龙，”芬威克先生说，他有一百个反对意见，却只有一副良心。“可能有，”格里夫斯太太说，“在我记忆中我祖母农场的版本里，有一位天使、一头驴、三个国王和一条非常小的龙，被放在角落里提醒恶人想想自己的恶。”

The **preparation** took four days of the kind of work that only children can do without complaining, because they do not know it is work: Oskar and Nell dragged **straw** into the stable until it **rustled** like a sea, Milo drew a **mathematical** plan of the stage on the back of a **tomato** box with the position of every animal marked in chalk, and Tilda, who had a **passion** for costume, made a **cape** for the first king from a curtain.
筹备工作花了四天，是只有孩子才能毫无怨言地做的那种活，因为他们不知道那是活儿：奥斯卡和内尔把**稻草**拖进马厩，直到它像大海一样**沙沙作响**；米洛在一个**番茄**箱背面画出舞台的**数学**图，用粉笔标出每只动物的位置；**热爱**服装的蒂尔达用一块窗帘给第一位国王做了一件**披风**。

They cleaned the stable, which had been unused for nineteen years, with Mr. Fenwick on the ladder mending the hole in the roof, and they found a hay **rack**, a barrel for a **seat**, a chest of old costumes smelling of lavender and mice with a dozen pairs of **slippers** in it, and, wrapped in a handkerchief, a small box with a shell in it, a **token** of the first pageant.
他们打扫了十九年没用的马厩，芬威克先生站在梯子上补屋顶的洞，他们找到了一个**草架**、一只当**座位**的桶、一箱散发薰衣草和老鼠味的旧戏服，里面有十几双**拖鞋**，还有一块手帕包着的小盒子，盒里有枚贝壳，是第一场演出的**纪念**物。

They **decorated** it with **wool**, with holly, with paper stars cut out in class and with a **mosaic** of coloured glass found in the barn, which Nell arranged on the wall in the shape of a star, and the stable looked, said Mrs. Greaves, like a piece of **jewelry**, the sort of **jewellery** that is worn for a day and remembered for a lifetime.

他们用**羊毛**、冬青、课堂上剪的纸星和在谷仓里找到的彩色玻璃**马赛克**来**装饰**，内尔把玻璃片在墙上拼成一颗星的形状，格里夫斯太太说马厩看上去像一件**首饰**，那种只戴一天却记一辈子的**首饰**。

The **staircase** to the loft was turned into a stage for the angel: Nell, in wings of wire and white cloth, rehearsed her one line seven times, "Fear not."

通往阁楼的**楼梯**被改成天使的舞台：内尔戴着铁丝和白布做的翅膀，把她唯一的台词排练了七遍：“不要害怕。”

Rehearsals were chaos: the donkey refused to enter, the **sheep**, who had never heard of a nativity, dispersed, the goat, **deemed indispensable** for its look of a retired judge, ate the first king's beard, Oskar was **scolded** by the angel, and the dragon, assembled in the loft from sheets and a gigantic cardboard head, would not hold up its tail, so that the four children inside it argued in four muffled voices about the correct direction of travel.

排练一团混乱：驴拒绝进来，从没听说过耶稣诞生剧的**羊**群四散，被**认为**因其退休法官的神情而**不可**或缺的山羊吃掉了第一位国王的胡子，奥斯卡被天使**训**了一顿，在阁楼里用床单和一个巨大纸板头装配的龙，尾巴竖不起来，里面的四个孩子用四个被闷住的声音争论正确的前进方向。

The poster was reprinted by Tilda's father, who owned a copy shop: "HAYSTACK FARM, THE LIVING NATIVITY, CHRISTMAS EVE, 6 P.M., ALL WELCOME, BRING A LANTERN"; it was nailed to the pub door, **stuck** to the bus shelter and stapled to the church noticeboard.

海报由蒂尔达开复印店的父亲重印：“干草堆农场，活的耶稣诞生剧，平安夜，晚六点，欢迎所有人，请带灯笼”；它被**钉**在酒馆门上，贴在公交站棚上，订在教堂布告栏里。

On the morning of Christmas Eve Milo performed the final act of diplomacy: he wrote to the local paper and to the ministry, in a letter that began, "Dear Sirs, we are a class of eleven-year-olds, and we are in a **hurry**."

平安夜早晨，米洛做了最后一项外交行动：他给本地报纸和部里写信，信的开头是：“尊敬的先生们，我们是一个十一岁孩子的班级，我们很**着急**。”

On Christmas Eve the snow **fell** lightly, a fall as soft as flour, and by half past five a procession of lanterns was making its way up the lane: farmers in cloth caps, mothers with babies, a coach from the old people's home, teenagers who pretended not to care, the headmaster in a scarf and, to everyone's surprise, a journalist from the paper in a car with its engine still running.

平安夜雪下得很轻，**飘落**得像面粉一样柔软，五点半时一队灯笼正沿着小路走来：戴布帽的农民、抱着婴儿的母亲、一辆养老院的大巴、假装不在乎的少年、围着围巾的校长，以及令所有人意外的，一位乘着引擎仍在运转的车来的报社记者。

The stable was **cosy** with breath and straw and the glow of a hundred lanterns; the donkey, to everyone's astonishment, entered on time; the audience took their seats on hay bales, benches and barrels, and the **lung** power of the shepherds, who had been told to sing, made the roof timbers shake.

马厩因呼吸、稻草和上百盏灯笼的光而**温馨**；驴出乎所有人意料，按时进场；观众坐在草捆、长凳和木桶上，被告知要唱歌的牧羊人们的**肺**活量让屋顶木梁都在颤抖。

Mary sat with a doll in her lap, Joseph wore a cardboard chin, and from the top of the staircase the angel announced in a voice as **loud** as a bell, "Fear not!", and a hush fell, deep and warm.

玛丽腿上放着一个娃娃，约瑟夫戴着纸板下巴，天使在楼梯顶端用像钟一样**响亮**的声音宣布“不要害怕！”，一阵深沉而温暖的寂静降临。

The three kings came in capes of curtain and crowns of foil, carrying a jar of honey, a candle and a pot of **oil**, and the goat, who had been cast as the shepherd's dog, stood in a corner eating a cape; but the audience, which had come to be moved, was moved.

三位国王披着窗帘做的披风，戴着锡纸王冠，带着一罐蜂蜜、一支蜡烛和一壶**油**，被安排扮演牧羊犬的山羊站在角落里吃一件披风；但前来想被感动的观众，被感动了。

Then the lights dimmed, there was a rustle in the loft, and a long green shape came down the staircase, its eyes two jam jars, its tail dragging, a faint mist of steam from a hidden kettle rising from its head; the audience gasped, and a toddler in the front row shrieked with joy.

然后灯暗下来，阁楼里一阵窸窣，一个长长的绿色身影走下楼梯，眼睛是两个果酱罐，尾巴拖在地上，一缕藏在头里的水壶冒出的淡淡蒸汽升起；观众倒抽一口气，前排的一个幼儿高兴地尖叫起来。

The dragon, as in the old version, did nothing but lie down in a corner and go to sleep, but its sleeping, said Mrs. Greaves later, was the **most** eloquent thing on the stage: it meant that wickedness, once reminded of itself, may be told to rest.

龙就像旧版本里那样，什么也不做，只是在角落里躺下睡觉，但格里夫斯太太后来说，它的睡眠是舞台上**最**有说服力的东西：它意味着恶一旦被提醒自己的本性，就可以被叫去休息。

Then a gust of wind blew the stable door open, the snow swirled, the lanterns flickered, and the dragon's head, which was set too loosely, rolled off, and out of the neck came the red-cheeked face of Tilda, shouting, "It was me!"; the audience roared, and for ten minutes nothing could be heard but laughter.
随后一阵风把马厩门吹开，雪打着旋，灯笼摇曳，龙头因装得太松滚落下来，脖子里冒出蒂尔达红扑扑的脸，大喊："是我！"观众哄堂大笑，十分钟里除了笑声什么也听不到。

At the end the headmaster, a man of few words, stood and said only, "Saint Brigid's would like to thank Mrs. Greaves", and the applause came in **waves**, and people clapped and some wept, and the journalist wrote it all down while pretending that she was not touched.
最后，寡言的校长站起来，只说："圣布丽姬学校想感谢格里夫斯太太，"掌声如**波浪**般涌来，人们鼓掌，有些人哭了，记者把一切记录下来，同时假装自己没被感动。

The journalist's report appeared in the Boxing Day **edition**, with a photograph of the dragon's head lying on the stable floor and a headline in letters an inch high: "HAYSTACK FARM: THE DRAGON THAT WOULD NOT SLEEP".
记者的报道登在节礼日那天的**版面**上，配着龙头躺在马厩地上的照片，标题的字有一英寸高："干草堆农场：不肯睡觉的龙"。

By noon the farm's telephone, which had not rung for months, was ringing like an alarm: a **cooperative** of local bakers wanted to buy the farm's flour, a minister's secretary asked whether the stable was available for a photograph, and a hundred and eleven people offered **voluntary** donations, which came to a **substantial amount**.
到中午，几个月没响过的农场电话像警报一样响起来：本地面包师**合作社**想买农场的面粉，一位部长的秘书问马厩能否拍照，一百一十一人提出**自愿**捐款，加起来是一笔**可观**的**数目**。

The realtor Mr. Vane came back in his long coat with his **briefcase**, and he was no longer smiling, because a **coalition** of parents from Saint Brigid's, led by Tilda's father, the copy-shop man, and by the chairwoman of the parents' circle, a woman of formidable **stance**, had placed itself between him and the gate.
房地产经纪人万恩先生穿着长外套提着**公文包**回来了，他不再微笑，因为圣布丽姬学校的一个家长**联盟**，由蒂尔达开复印店的父亲和家长会主席——一个**立场**强硬的女人——带头，已把自己挡在了他与大门之间。

"I have a **settlement** to offer," he said, "and the offer expires tonight." "Nominal," said Tilda's father, who had read it. "Four hundred thousand for six hundred acres is a **nominal** sum for land like this."
"我有一份**和解**方案，"他说，"而且今晚到期。""**象征性的**，"读过它的蒂尔达的父亲说，"六百英亩四十万，对这样的土地来说是个象征性的数目。"

“你不能，”万恩说，“税会逼你卖，部里会**强制**执行，你一年内就会失去土地，你那条**花哨的**龙帮不了你。”

"We have a **reply** from the ministry," said Milo, who had appeared at her elbow with the fierce, serious face of a small solicitor. "May I read it?"

“我们收到了部里的**回信**，”米洛说，他出现在她肘边，带着一个小律师般凶狠严肃的脸。“我可以念吗？”

He read: "Dear Class 5B, the Minister was moved by your letter and by the report in the paper, and has asked her department to inspect the farm with a view to a heritage grant. The inspection will take place on the twenty-eighth. We hope that no dragon will be harmed. P.S. The Minister has a daughter who also wanted a dragon."

他念道：“亲爱的五年级乙班，部长被你们的信和报纸上的报道所感动，已要求本部门检查农场，以便考虑遗产补助。检查将于二十八日进行。我们希望没有龙受伤。又及：部长有个女儿也想要一条龙。”

The whole machinery of the **bureaucracy** that had turned against her had, at the end, turned a single page; the realtor's face did something between a sneer and a collapse, and he retreated through the gate into the dark.

曾与她为敌的整个**官僚机器**，最终翻过了一页；房地产经纪人的脸做出介于冷笑和崩溃之间的表情，他退出大门，消失在黑暗中。

The inspection party arrived on the twenty-eighth in a small white van: Dr. Marguerite Hale, a **doctoral** graduate in agricultural **sociology** who looked about fourteen; a senior official, Mr. Thorne, who spoke in **percent**; and a **botany** specialist with an **optical** lens on a **string** around his neck.

检查团二十八日乘一辆白色小货车到来：玛格丽特·黑尔**博士**，一位农业**社会学**博士毕业生，看起来大约十四岁；一位说话满口**百分比**的高级官员索恩先生；以及一位脖子上挂着一根**绳**、绳上系着**光学**镜片的**植物学**专家。

他们用**测量仪监测**土壤，检验可**耕地**的**表面**，数羊，量马厩，翻开账本，检查**机器**棚，索恩先生把一切都记在**精确**到英寸的笔记里。

Dr. Hale, who had grown up in a city **slum** and had never milked a goat, was the one who noticed what was **resilient** about the place: that Mrs. Greaves's methods, which the ministry classed as **non-standard**, were the oldest and the best, her rotation of crops, her hedges, her mixed herd and her barter with neighbours.

在城市**贫民窟**长大、从没挤过羊奶的黑尔博士是第一个注意到这个地方为何有**韧性**的人：格里夫斯太太的方法被部里归为**非标准**，其实是最古老也最好的，她的轮作、树篱、混合畜群和与邻居的以物易物。

"This is the opposite of **industrialization**," said Dr. Hale. "It is a farm that survived it, and it survives not despite being small but because it is small; it is not a marginal enterprise, it has simply been **marginalised** by the arithmetic of the tax."

“这是**工业化**的反面，”黑尔博士说，“这是一个熬过工业化的农场，它活下来不是尽管小，而是因为小；它不是边缘企业，只是被税收的算术**边缘化**了。”

Mr. Thorne said that the farm's yield was forty percent below the district average and its biodiversity eighty percent **above** it; the former counted for the ministry, the latter did not, but he added, in the **tone** of a man confessing a sin, that the latter was beginning to count.

索恩先生说农场的产量比本区平均低百分之四十，生物多样性却**高出**百分之八十；前者在部里算数，后者不算，但他以坦白罪过的**语气**补充说，后者开始算数了。

In the afternoon Mrs. Greaves gave them tea in the kitchen, where the children had come to help, Nell with her wings still on, Milo with his notebook, Tilda with a lamb, and where, on the dresser, between the red letters and the jar of buttons, stood the dragon's cardboard head, wearing a paper crown.

下午格里夫斯太太在厨房给他们倒茶，孩子们也来帮忙，内尔还戴着翅膀，米洛拿着笔记本，蒂尔达抱着一只羔羊，碗橱上红字信封和纽扣罐之间，摆着戴着纸王冠的纸板龙头。

"Is that official?" asked Mr. Thorne. "It is my **defense**," said Mrs. Greaves.

“那是官方的吗？”索恩先生问。“那是我的**辩护**，”格里夫斯太太说。

The afternoon ended with a **decision**: "Subject to the Minister's approval, I shall recommend the farm for the Heritage Grant, with a waiver of the land tax for ten years and an annual visit," said Mr. Thorne, "and I am sure that her reply will be **favorable**. Mr. Vane's offer will find that it lacks the **sanction** of the ministry."

下午以一个**决定**结束：“须经部长**批准**，我将推荐该农场获得遗产补助，免除十年土地税，并每年访问一次，”索恩先生说，“我相信她的答复会是**有利的**。万恩先生的出价将发现它缺乏部里的认可。”

In the spring the grant arrived by **dispatch** rider in an envelope with the ministry's crest, and Mrs. Greaves, who had expected a **disaster**, opened it with a tremor, read it standing, sat down, stood up again and said a short word that had never before been heard in that kitchen.

春天，补助金由**信使**骑车送来，装在印着部徽的信封里，预料**灾难**的格里夫斯太太颤抖着拆开，站着读完，坐下，又站起来，说了一个这间厨房里从未听过的短词。

她谨慎地接受了这笔钱，并小心地花掉：给谷仓换新屋顶、一台锅炉、每个插座配一个**插头**，以及两个人的工资，她还雇了一个叫丹尼斯的前城市居民当学徒，他有咳嗽，发现农场治好了他的咳嗽，很吃惊。

The children came back on a bright April day on a school **marathon** of fifteen miles to see the lambs, and Mr. Fenwick, who had never run a marathon, finished last, with a **medal** and a blister, and the **landlord** of the village pub gave him a free pint.

万恩先生写信向格里夫斯太太**道歉**，信僵硬得能独自立着；他说他改行了，卖窗户。

She replied in her own hand: "Dear Mr. Vane, no apology is necessary; a person cannot be blamed for noticing land. I only ask that you notice the people on it."

她亲笔回信："亲爱的万恩先生，不必道歉；一个人不能因为注意到了土地而被责怪。我只请求你也注意到土地上的人。"

The **friendship** of the farm and the school grew: every year on the last Friday before Christmas Class 5B went to Haystack Farm, and every year the class changed, and the dragon **stayed** the same, and so, in the unreasonable way of good things, did the farm.

农场与学校的**友谊**日益加深：每年圣诞节前最后一个星期五，五年级乙班都去干草堆农场，每年班级在变，龙**不变**，而农场，以好事物那种不讲道理的方式，也不变。

Years later Milo, by then a researcher in a city laboratory, wrote an essay about that Christmas, in which he **described**, in **retrospect**, how the whole village had been standing on the **verge** of a disaster, as a man on a **balcony** stands on the verge of falling, without knowing it.

多年后，当时已是城里实验室研究员的米洛写了一篇关于那个圣诞节的文章，**回顾**性地**描述**整个村子如何站在灾难的**边缘**，就像**阳台**上的人站在坠落的边缘，却不自知。

He was by temperament **pessimistic**, he admitted, and in his experience the worst did arrive, but in a form so different from what one **feared** that one often failed to recognise it: it came as a letter, a tax form, a smile on a realtor's face.

他承认自己天性**悲观**，他的经验是最坏的情况确实会到来，但形式与人所**担心**的如此不同，以至于人们常常认不出它：它以一封信、一张税表、一位房地产经纪人脸上的微笑的形式出现。

What saved the farm, he wrote, was not **luck**, though luck was involved, nor a miracle, but a **serial** chain of small decisions by ordinary people, each of whom might have chosen to **avoid** it, to stay silent or to **underestimate** the power of a cardboard dragon.

他写道，救了农场的不是**运气**，尽管运气也参与其中，也不是奇迹，而是普通人**一连串**的小决定，每个人本都可能选择**回避**、保持沉默或**低估**纸板龙的力量。

In his **correspondence** with Dr. Hale, who had become his friend, he argued that a **case** like Haystack Farm was not a **rare** exception but one of an **array** of cases that went unrecorded, because the people who would have been their **victims** never made it into the data.

在与已成为朋友的黑尔博士的**通信**中，他主张像干草堆农场这样的**案例**不是**罕见**的例外，而是**一系列**未被记录的案例之一，因为本会成为**受害者**的人从未进入数据。

She replied that the **digital** age had made it easier to record such cases and harder to notice them: the farm's story had been **downloaded** by forty thousand people, she said, and the **cyberspace** around it seethed with opinions, most of them wrong and some of them kind.

她回信说，**数字**时代让记录此类案例更容易，也让注意它们更难：她说农场的故事被四万人**下载**过，围绕它的**网络空间**沸腾着各种意见，大多数是错的，有些是善意的。

In the margin of his essay he had drawn a **circular** diagram, an **alloy** of the plan of the stable and the plan of a cell, in which every member of the cast was a nucleus and every animal a tiny engine, a joke that only he understood and that he refused to explain.

在文章的页边他画了一个**圆形**图，是马厩平面图和细胞平面图的**合金**，其中每个演员都是细胞核，每只动物都是小引擎，这个笑话只有他自己懂，他拒绝解释。

The essay ended with a line: "We were not brave; we were simply too young to know that we were not allowed."

文章以一句话结尾：“我们并不勇敢；我们只是太年轻，不知道我们不被允许。”

Mrs. Greaves lived to be seventy-five, and as her hands lost strength she taught her **fieldcraft** to anyone who would listen: how to read the sky for rain, how to tell a sound cow from a sick one by the angle of her ear, how to **creep** up on a hen without a fuss.

格里夫斯太太活到七十五岁，随着双手失去力气，她把**野外**技艺教给愿意听的人：如何看天预测下雨，如何通过耳朵的角度分辨健康的牛和生病的牛，如何不惊动地**悄悄靠近**一只母鸡。

She believed that the farm was **alive** in a way not covered by regulations, that the soil was a creature and the herd a single mind; she laid a hand on the earth each morning as one lays a hand on a sleeping child and said "Good morning", and she insisted that it was **unfavorable** to the soil to be spoken to harshly.

她相信农场以法规未涵盖的方式**活着**，土壤是一种生灵，畜群是一个心灵；她每天早晨把手放在大地上，像把手放在熟睡的孩子身上，说“早安”，并坚持说对土壤说话严厉是**不利的**。

In **spite** of her age she could still outwork a man of forty, and the farm's **duty**, she said, was not to be profitable but to be present; presence was the thing the ministry could not measure, and the very reason it was worth measuring.

尽管年事已高，她仍能比四十岁的男人干得更多，她说农场的**职责**不是盈利而是在场；在场是部里无法衡量的东西，也正因此才值得衡量。

A summer **pilgrim** from the city, with a rucksack and a camera, asked her the secret of her long life, and she looked at him with a face of **ridiculous** solemnity and said: "Never trust a man with a briefcase, and never refuse a free **supper**."

一位背着背包、带着相机的城里夏季**朝圣者**问她长寿的秘诀，她以一张**荒唐**庄重的脸看着他说：“永远不要相信提着公文包的人，也永远不要拒绝免费的**晚饭**。”

The secret was in fact a little different: a **bodily** routine of the farm, an **intense** affection for hens, geese and the way the light fell on the **backyard** in September, and a **wholesome** and **gorgeous** world in which she was a small, **rosy**, **upright** fixture.

秘诀其实有点不同：农场的**身体**性日常、对母鸡、鹅和九月光落在**后院**的样子的**强烈**感情，以及一个**健康**而**美丽的**世界，在其中她是一个矮小、**红润**、笔**直的**固定存在。

Her **pain**, when it came, she **dampened** with tea and a hot brick; she did not complain, because she believed that complaint was a luxury of the unoccupied.

疼痛来临时，她用茶和一块热砖**缓解**；她不抱怨，因为她相信抱怨是闲人的奢侈。

In the evenings she sat by the stove with a cat on each knee, and her mind would wander back to the day of the dragon, and she would **wink** at the cardboard head on the dresser and say, "We showed them, didn't we?" and the cats, being **benign** and uninterested in dragons, yawned.

晚上她坐在炉边，每个膝盖上卧着一只猫，思绪飘回龙那天，她会对碗橱上的纸板龙头眨**眨眼**，说：“我们让他们见识了，对吧？”而猫们**温和**又对龙没兴趣，打了个哈欠。

The farm **outlived** her, as farms do: it passed to Dennis, who had come as a trainee with a cough and stayed as the heir, a man who, though **presumably** not related to her by blood, was in every sense her descendant, and who kept the barn doors unlocked "in case of dragons".

农场比她**活得**久，就像农场通常那样：它传给了丹尼斯，他带着咳嗽以学徒身份来，最终留下成为继承人，虽然**想必**与她无血缘关系，却在各个意义上是她的后人，他让谷仓门不上锁，“以防来龙”。

Twenty years on, on the last Friday before Christmas, a new Class 5B arrived at Haystack Farm by hired coach, a tradition that had survived three headmasters, two ministers and the closure of the old **railroad** station, whose platform now served as an outdoor classroom.

二十年后，圣诞节前最后一个星期五，新的五年级乙班乘租来的大巴到达干草堆农场，这个传统熬过了三任校长、两位部长和旧**铁路**车站的关闭，车站月台如今成了户外教室。

Their teacher, a young woman who had once been Nell, the angel, was a specialist in conservation with a doctorate, a love of lists and a way of lowering her voice that made children lean in; she did not **react** to bad behaviour, she **paused**, and the pause did the work.

他们的老师是个年轻女人，她曾是天使内尔，是个有博士学位的保护学专家，爱列清单，降低嗓音的方式让孩子们往前凑；她不对坏行为**作出反应**，她**停顿**，停顿就起了作用。

One boy, Casper, an **irregular** child, small, shy and prone to **confusion**, refused to wear the dragon's tail. "I will be the **lock**," he said. "I will stand at the door and lock it." "Lock what?" "The dark outside." The class **concurred**.

一个叫卡斯珀的男孩是个**非典型**的孩子，个子小，害羞，容易**困惑**，他拒绝戴龙的尾巴。“我来当锁，”他说，“我站在门口把门**锁上**。”“锁什么？”“外面的黑暗。”全班**同意**了。

Another child, Bess, stood with her face to the wall and could not speak, not from anything **pathetic** but from the ordinary weight of being eleven; Nell let her be, and after a quarter of an hour Bess turned and **slapped** her palm on the straw and announced, "I want to be the sea."

另一个孩子贝丝面朝墙站着，说不出话，不是因为什么**可怜**之事，而是十一岁这个年纪寻常的重量；内尔由她去，一刻钟后贝丝转过身，一巴掌**拍**在稻草上，宣布：“我想当大海。”

There was no sea in the nativity. Nell said that there was now.

耶稣诞生剧里没有海。内尔说现在有了。

The dragon, now in its third body, the first two having been eaten by goats, **emerged** from the barn in a procession of eight children, with a new eye and a tail that dragged less, and nobody could say where the old dragon ended and the new began, because the farm had a way of making the years **condense** into a single afternoon.

龙现在换了第三副身体，前两副被山羊吃掉了，它从谷仓里由八个孩子簇拥着**走出来**，有了新眼睛，尾巴拖得少了，没有人能说清旧龙在哪里结束、新龙从哪里开始，因为农场有办法把岁月**浓缩**成一个下午。

At dusk the class stood at the gate and looked back at the farm: the lights of the stable came on, steam from the animals drifted **outward** into the cold, and a **crane** flew across the pink sky, trailing its long legs like a dropped sentence; and Nell, who had once been afraid, whispered, "Do you see how far the world goes?"

黄昏时全班站在大门口回望农场：马厩的灯亮了，动物们呼出的蒸汽**向外**飘进寒冷，一只**鹤**飞过粉红色的天空，长腿拖在后面，像一句被丢掉的话；曾经害怕的内尔低声说：“你们看到世界有多远了吗？”

Afterward, in the bus, the children fell asleep one by one; the heater, which still worked in only one corner, made a **static** hum; the driver, a man of few words, turned the radio down; and Nell, looking at the dark window, remembered the night of **minus** twenty on which a girl and a boy had gone to find a dragon, and thought that it had never been a dragon but a way to **terminate** a fear.

之后在大巴上，孩子们一个接一个睡着了；暖气仍然只有一个角落管用，发出**静电**般的嗡嗡声；沉默寡言的司机把收音机调小；内尔望着黑暗的车窗，想起**零下**二十度的那一夜，一个女孩和一个男孩去找一条龙，并想到那从来不是龙，而是**终结**恐惧的方式。

火山丘脚下的农场依旧是它一贯的样子：**一块地**，有只船形的**航海**风向标，那是第一位格里夫斯先生开的玩笑，一条围着泥地的**羊道**，池塘边由更早一届五年级乙班建的小船**码头**，村里的**休闲**场地，以及兽医称之为**杰出的**、无**疾病**的牲畜群。

List 21 The Last Speakers of Karst

卡斯特山谷的最后一批说话人

本篇覆盖 List 21 全部 225 个单词；红色粗体为单词首次出现处，右栏为本页单词释义

Dr. Anselm Cho's **workplace** was a **caravan**, a battered white one with a dented roof, a stove, a bunk, a shelf of dictionaries and a rack for the **gear** that a field **linguist** needs: a recorder, a notebook, three pairs of socks and an umbrella.

安塞尔姆·周博士的**工作场所**是一辆**房车**，一辆车顶凹陷的破旧白色房车，里面有炉子、铺位、一架子词典，和一个存放野外**语言学家**所需**装备**的架子：录音机、笔记本、三双袜子和一把伞。

He was a **jolly** man of thirty-four with a round face, thick glasses and the kind of **experience** that comes from eleven years of listening: to fishermen in the north, to weavers in the south and, once, memorably, to a parrot that **had** outlived **its** owner and still spoke the owner's mother tongue.

他是个三十四岁的**快活**男人，圆脸，厚眼镜，**拥有**那种十一年倾听积累起来的**经验**：听过北方的渔民，南方的织工，还有一次令人难忘地听过一只比主人活得长、仍说着主人母语的鹦鹉。

His present assignment was a **snapshot** of a language at the edge of death: Valdish, spoken, so the **census** claimed, by forty people in the valley of Karst on the **outskirts** of the country, between a **glacier** and a mine.

他现在的任务是给一门濒死语言拍一张**快照**：瓦尔迪什语，据**人口普查**说，在该国**边远**的卡斯特山谷，**冰川**与矿山之间，有四十人在说。

The ministry had set a **quota** for such documentation, one dying language per year per linguist; Anselm had asked for Valdish partly because it was **imperative** to record it before the last speakers died, and partly because as a child he had heard a Valdish lullaby on a crackling radio and had never forgotten its **shape**.

部里对这类记录设了**配额**，每位语言学家每年一门濒危语言；安塞尔姆要求瓦尔迪什语，一部分是因为**必须**在最后的说话人去世前记录它，一部分是因为他小时候在噼啪作响的收音机里听过一首瓦尔迪什摇篮曲，从没忘记它的**形状**。

His **submission** to the funding committee, **brief** and **philosophical**, had argued that a language is not merely a tool but a way of cutting the world into pieces, and that when a language dies the world loses a particular set of seams.

他**提交**给资助委员会的材料**简短**而有**哲理**，论证语言不仅是工具，更是把世界切成块的方式，一门语言死去时，世界就失去了一套特定的接缝。

The committee, who were practical people, wanted to know what the result would be, and Anselm had to be **flexible**: "A grammar, a dictionary, and a recording of everything I can bear to listen to," he said.

务实的委员会想知道结果会是什么，安塞尔姆只得**灵活**应对：“一部语法、一本词典，和我能忍耐听完的一切录音，”他说。

He drove the caravan up the valley in the rain; the road, a ribbon of mud, wound through the **countryside** between hedges and walls of stone, past **dairy** farms, a church with a crooked spire and a hand-painted sign in the language of the state: "Welcome to Karst. Please do not feed the inhabitants."

他在雨中把房车开上山谷；路是一条泥带，在**乡间**穿行于树篱与石墙之间，经过**奶牛场**、一座尖顶歪斜的教堂，以及一块用国家语言手写的牌子："欢迎来到卡斯特。请勿投喂居民。"

He **parked** at the edge of the village, and a boy of **about** eleven in an oversized **glove ran** to his window and demanded, in clear, precise, accented **words**, whether he was a spy, an inspector or a dentist.

他把车**停**在村子边上，一个十一岁**左右**、戴着一只过大**手套**的男孩**跑**到他车窗前，用清晰、准确、带口音的**词语**追问他是间谍、检查员还是牙医。

The boy's name was Pim, and Anselm answered his question with a **sweep** of his **arm** over the caravan: "None of those. I am a person who is interested in your grandmother's words." "Only one grandmother here has words," said Pim, "and she is **wicked**."

男孩叫皮姆，安塞尔姆用**手臂**在房车上**一挥**回答他的问题："都不是。我是对你祖母的词感兴趣的人。""这里只有一位祖母还有词，"皮姆说，"而且她很**凶**。"

Pim led **him** to the village hall, where a meeting was in progress: the **chairperson**, a stout woman with a voice like a **drum**, was arguing with a **representative** of the **mining** company about the right to extend its quarry, and she paused, looked at Anselm and said, "Another one from the capital. **Greet** him politely; he will want to take something."

皮姆领**他**去村会堂，那里正在开会：**主席**是个声音像**鼓**的粗壮女人，正与**矿业**公司的**代表**争论扩建采石场的权利，她停下，看着安塞尔姆说："又一个首都来的。礼貌地**招呼**他；他想拿走点什么。"

The **conversation** that followed was conducted in the state language at the chairperson's insistence; every time Anselm tried a Valdish word she raised an eyebrow and answered in the state tongue, which was, he realised, the reflex of a community **oppressed** for so long that it had learned to hide its tongue in its mouth like a stone.

随后的**交谈**在主席坚持下用国家语言进行；每次安塞尔姆试说一个瓦尔迪什词，她就扬一下眉毛，用国语回答，他意识到，这是一个被**压迫**太久的社群的反射，它学会了把舌头像石头一样藏在嘴里。

He did not **push**. In the **meantime** he made himself useful: he mended the hall's projector, ate what was offered, which was **vegetarian**, rich in dairy and delicious, praised the **nutrition** of cheese, and was introduced to eleven people whose ages summed to eight hundred.

他没有**逼迫**。与此**同时**，他让自己派上用场：修好了会堂的放映机，吃了端上来的东西，**素食**、富含乳制品而且美味，夸奶酪的**营养**，并被介绍给十一个年龄加起来八百岁的人。

The census, he soon **found**, had been inaccurate: not forty speakers but eleven, and of the eleven **only** four were **proficient**, in the sense that they could **articulate** a complex thought without lapsing into the state language; the others were what linguists **call** semi-speakers, who understood but could not produce.

他很快**发现**人口普查并不准确：不是四十个说话人，而是十一个，十一人中**只有**四个**熟练**，也就是能**表达**复杂想法而不滑入国语；其余的是语言学家**所称**的半说话人，听得懂却说不出。

The census, then, was a **deceit**, not a lie exactly but a courteous fiction designed to protect the valley's quota of funding: a language with forty speakers merited a grant, whereas a language with eleven merited a funeral.

因此人口普查是一场**欺骗**，不完全是谎言，而是一个为保护山谷的经费配额而设计的礼貌虚构：有四十个说话人的语言值得一笔补助，而有十一个的则只值得一场葬礼。

Anselm felt the weight of the **implication**: if it was only eleven, then time was shorter than he had planned, he had to run, he had to record everything at once, and he felt a **keen** sense of urgency.

安塞尔姆感受到这层**含义**的分量：如果只有十一个，那么时间比他计划的更短，他必须奔跑，必须一次录下一切，他感到一种**强烈**的紧迫。

He was **sceptical** of his own optimism, and he **acknowledged** to himself that the real task would not be the recording but the persuading, because a language is not saved by being recorded but by being spoken.

他对自己的乐观持**怀疑**态度，并向自己**承认**真正的任务不是录音而是说服，因为一门语言不是靠被记录而得救的，而是靠被说。

That evening the village held a **banquet** in Anselm's honour, though nobody called it that; the long tables were simply laid in the hall with dishes of cheese, cabbage, boiled eggs, black bread and a jelly the colour of moss, and all eleven speakers and their families came, together with the chairperson, the schoolmaster, the vet and the entire primary school.

当晚村里为安塞尔姆办了一场**宴会**，虽然没人这么叫它；长桌只是在会堂里摆好，上面有奶酪、卷心菜、水煮蛋、黑面包和一盘苔藓色果冻，十一位说话人及其家人都来了，还有主席、校长、兽医和整所小学。

After the meal a **troupe** of puppeteers, three old women and a boy, performed behind a curtain of grey blanket; the **puppets**, carved from alder wood, a king, a **snake**, a **shark** in a waistcoat and a **hen** with a very low opinion of everyone, spoke a language that Anselm had never heard in the flesh, as dry as bread and as tender as fur.

饭后，一个由三位老太太和一个男孩组成的**木偶剧团**在灰毯幕后表演；用桤木雕成的木偶——一位国王、一条**蛇**、一条穿背心的**鲨鱼**，和一只对所有人评价极低的**母鸡**——说着一种安塞尔姆从未亲耳听过的语言，干得像面包，柔得像皮毛。

He recorded it, hiding the microphone in a jar of pickles, and he found within minutes that the puppets said what the humans would not: the shark **declaimed** an elaborate curse, the snake sang a lullaby, and the hen delivered a long, brilliant speech on the proper way to boil an egg, in three tenses, with a wonderful **idiom** at the end that could be translated only as "to put the **brook** in the bottle".

他把麦克风藏在一罐泡菜里录音，几分钟内就发现木偶说出了人类不肯说的话：鲨鱼**朗诵**了一段精心的诅咒，蛇唱了一首摇篮曲，母鸡发表了一段关于水煮蛋正确方法的长篇精彩演说，用三种时态，结尾有个绝妙的**习语**，只能译成“把**小溪**装进瓶子”。

The **playwright**, an old woman named Oma Hanne, who wrote all the scripts in her head and had never put one on paper, sat in the second row with a face that gave nothing away; her **pronunciation** of the vowels, Anselm said afterwards, was a lesson in itself, because she could make the word for bread sound like a prayer.

剧作家是位名叫汉妮奶奶的老太太，所有剧本都写在脑子里，从没落在纸上，她坐在第二排，面无表情；安塞尔姆事后说，她对元音的**发音**本身就是一堂课，因为她能让“面包”这个词听起来像祈祷。

Afterwards, over **herb** tea mixed with **vinegar** and honey, an old Valdish remedy, he was told, for the beginning of colds and the end of arguments, she said to him in the state tongue: "You are the third to come. The first took our songs and gave us a book we could not read. The second took our stories and gave us a **television**. What will you take?"

之后，喝着混了**醋**和蜂蜜的**草药**茶——他被告知这是瓦尔迪什人治疗感冒初期和争吵末期的古老偏方——她用国语对他说：“你是第三个来的人。第一个拿走了我们的歌，给了我们一本读不懂的书。第二个拿走了我们的故事，给了我们一台**电视**。你要拿什么？”

"A **bit** of your time," said Anselm. "A lot of your patience. And, if you will give it, your permission to give it back."

“**一点**你的时间，”安塞尔姆说，“很多你的耐心。还有，如果你肯给的话，你的许可，让我把它还回去。”

She looked at him for a long time. "To give it back?" "A language is not something you take," he said. "It is something you lend. I want to take it down only so that it can be put back up."

她看了他很久。“还回去？”“语言不是你拿走的东西，”他说，“是你借出的东西。我想把它记下来，只是为了让它能被重新立起来。”

"That is a good idiom," she said, in Valdish, for the first time, "and we shall see whether it is true."

“这是个好习语，”她第一次用瓦尔迪什语说，“我们会看看它是否是真的。”

The work began at six each **morning** and ended when the light failed: Anselm walked with Oma Hanne through the village while she named things and he noted them, the **plural** of hen, which was irregular, the word for **moist** and the word for wet, which were not at all the same thing, and the Valdish for **odour**, which had seven forms, one for each of the seven smells of a farm.

工作每天**早晨**六点开始，到天黑结束：安塞尔姆陪着汉妮奶奶在村里走，她命名事物，他记下：“母鸡”的**复数**，是不规则的；“**潮湿**”和“湿”这两个词，完全不是一回事；瓦尔迪什语里的“**气味**”有七种形式，农场的七种味道各一种。

She named the **branches** of trees, the **blooms** of the meadow, the **shoulders** of mountains and the fingers of a **fist**; she had names for the ways a cow could look at you, a verb for **floating** on the surface of milk and a noun for the feeling of being watched by a goat.

她给**树枝**命名，给草地上的**花**命名，给山的**肩膀**命名，给**拳头**的手指命名；她有词说牛看你的各种方式，有个动词表示“**浮在**牛奶表面”，有个名词表示“被山羊盯着的感觉”。

The language was full of words for the **tangible** and almost empty of words for the **formal**: there was no word for government, **quantity** or **date**; the people of Karst were **plentiful** in names for **clay** and **agriculture** and sparse in names for administration, and their **surroundings** had shaped their speech as water shapes a stone.

这门语言充满指称**有形**之物的词，几乎缺少指称**正式**之物的词：没有“政府”“**数量**”“**日期**”这些词；卡斯特人在**黏土**和**农业**的名称上**丰富**，在行政的名称上稀少，他们的**环境**塑造了他们的语言，就像水塑造一块石头。

The kinship terms were a puzzle: **paternal** and maternal uncles had different names, and so did elder and younger, and Anselm drew diagrams on the back of a feed sack to **codify** them.

亲属称谓是个谜：**父系**和母系的叔舅称呼不同，年长年幼也不同，安塞尔姆在一只饲料袋背面画图把它们**编成规则**。

The more he listened, the more he heard of the invisible architecture: the language had a grammatical **mood** used only for dreams, another for hearsay and a third for what an ancestor has told; to speak Valdish was to declare, in every sentence, how you knew what you knew, and a lie in Valdish was a grammatical error.

他听得越多，越听出那无形的建筑：这门语言有一种只用于梦的**语气**，另一种用于传闻，第三种用于祖先所讲述的；说瓦尔迪什语就是在每句话里声明你怎么知道你所知道的，在瓦尔迪什语里撒谎就是语法错误。

"That is why," said Oma Hanne, "you cannot lie in our language. You would have to choose the wrong mood." "The census," said Anselm. "The census was done in the state language," she said.

“这就是为什么，”汉妮奶奶说，“你在我们的语言里没法撒谎。你得选错语气。”“那人口普查呢？”安塞尔姆说。“人口普查是用国家语言做的，”她说。

He **broadened** his range: weeks of recording, evenings of transcribing, nights of listening; the walls of the caravan were taped with word **lists**, the stove smoked, and a hen took up residence under the bunk.
他**拓宽**范围：几周的录音，傍晚转写，夜里倾听；房车的墙上贴满**词表**，炉子冒烟，一只母鸡住进了铺位下面。

There were interruptions: an **incident** with a goat, a visit from the vet, a **controversy** about the cheese, and the **stack** of recordings grew; he was doing what linguists call elicitation and what Oma Hanne called being pestered in the morning by a nice young man.
有些插曲：一起与山羊有关的**事件**、兽医的来访、一场关于奶酪的**争议**，录音**堆**越摞越高；他在做的是语言学家所称的诱导调查，而汉妮奶奶称之为早上被一个好青年纠缠。

The threat, when it came, came not from a villain but from a **program**: the state's **Literacy** Campaign, which had reached Karst in the fifties, had forbidden Valdish in the school on the theory that a child who spoke two languages read none, and for sixty years the **curricula** of the valley's school had been a monument to the idea that a **nation** can be made from a single tongue.
威胁到来时，不是来自一个恶棍，而是一个项目：五十年代传到卡斯特的**国家扫盲运动**，禁止在学校使用瓦尔迪什语，理论是说两种语言的孩子哪种都读不好，六十年来山谷学校的**课程**是“一个民族可以用一种语言造成”这个想法的纪念碑。

The schoolmaster, a decent, careful man called Mr. Orr, did not enforce the ban but did not defy it either; he was by temperament a man who kept his head down and chalk dust off his sleeves, and he spoke to Anselm in a **polite**, **subtle** manner, the way a man talks about a relative's debts.
校长奥尔先生是个体面、小心的人，他不强制执行禁令，也不违抗；他天性是低头做人、不让粉笔灰沾到袖子上的人，他用**礼貌**而**微妙的**方式跟安塞尔姆说话，就像人谈论亲戚的债务。

"If I teach them Valdish," he said, "I lose the inspectors. If I lose the inspectors, I lose the grant, and the grant is the roof. What would you do?" "I would **hasten**," said Anselm, "to find another roof."
“如果我教他们瓦尔迪什语，”他说，“我就失去督学。如果失去督学，我就失去拨款，而拨款就是屋顶。你会怎么做？”“我会**赶紧**，”安塞尔姆说，“去找另一个屋顶。”

The mining company, meanwhile, was the **entrepreneur** of the story: a brisk firm headed by a smiling woman called Mrs. Quarrie, who used the word **modernisation** as a priest uses amen and who employed forty of the valley's men at the quarry on the hill; she was the major **employer** in the valley, and the only one with a plan.
与此同时，矿业公司是故事里的**企业家**：一家利落的公司，由一位名叫夸里太太的微笑女人领导，她用“**现代化**”这个词就像牧师用“阿门”，在山上的采石场雇着山谷里四十个男人；她是山谷最大的**雇主**，也是唯一有计划的人。

Her plan was **automation**: a new machine would reduce the workforce from forty to eight, and the rest, she said, could take a **course** in computing at the technical college thirty miles away, while the valley became a living museum for tourists, with a bit of folk culture, a bit of dairy and a **rural** flavour.

她的计划是**自动化**：一台新机器将把工人从四十人减到八人，其余的人，她说，可以去三十英里外的技术学院学计算机**课程**，而山谷变成面向游客的活态博物馆，有一点民俗文化，一点乳制品，和一点**乡村**风味。

The chairperson fought her in the meeting with a ferocity that surprised Anselm, though she did it in the state language: "We are not a museum. We are a place with a breath."

主席在会上以令安塞尔姆吃惊的凶猛与她争斗，尽管用的是国语："我们不是博物馆。我们是一个有呼吸的地方。"

Mrs. Quarrie replied that she meant no **harm**; she merely wished to **maximise** the **yield** of the land, which had been poor for centuries and which a machine could improve.

夸里太太回答说她并无**恶意**；她只想**最大**化土地的**产出**，这片土地几个世纪来都很贫瘠，而机器可以改善它。

A **trial** of strength was coming: the quarry's extension required the approval of a regional **judiciary** panel, which would hear objections on the first of the month, and the objections had to be formal, in writing, in the state language, signed, and backed by evidence of what exactly would be lost; "That is where you come in," the chairperson told Anselm.

一场力量的**考验**即将到来：采石场的扩建需要区域**司法**小组批准，该小组将在本月一日听取反对意见，反对意见必须正式，书面，用国语，签名，并附上有关究竟会失去什么的证据；"这就是你的用武之地，"主席对安塞尔姆说。

They had twelve days. Anselm moved from recording to assembling: he **curated** the **best** of his tapes into a document of forty minutes, fit for a hearing, which he divided into six sections, each with an introduction in the state language: Grammar, Names, Work, Songs, Dreams and Sayings.

他们只有十二天。安塞尔姆从录音转到整理：他把**最好的**磁带**精选**成一份适合听证会的四十分钟文件，分成六部分，每部分都有国语的引言：语法、名字、工作、歌谣、梦和谚语。

The **group** that formed around the project was oddly assorted: the chairperson, who supplied the will; Mr. Orr, who supplied the law; Oma Hanne, who supplied the words; Pim, who supplied the legs and the questions; and a **distant** cousin of the chairperson, a retired telephone engineer named Bram, who supplied the equipment and who connected the caravan to a transformer and an old amplifier in a way that gave Anselm **dizzy** memories of his student flat.

围绕这个项目形成的**团体**搭配得很奇特：主席提供意志；奥尔先生提供法律；汉妮奶奶提供词语；皮姆提供腿脚和问题；还有主席的一位**远房**表亲，退休电话工程师布拉姆，提供设备，他把房车连到一台变压器和一台老放大器上，那种方式让安塞尔姆**头晕**地想起学生公寓。

Bram's amplifier produced a sound like an **orchestral** breath, and when Oma Hanne's voice was played back through it, the village, gathered in the hall, fell silent: it was the first time they had heard their language reproduced, as a person hears her own voice on tape, with a **click** of recognition, a start of shame and then a **swell** of something that had no name in either language.

布拉姆的放大器发出的声音像**管弦乐队**的呼吸，当汉妮奶奶的声音通过它重放出来时，聚在会堂里的村民们沉默了：这是他们第一次听到自己的语言被再现，就像人在磁带上听到自己的声音，一下**认出**来，一阵羞愧，然后**涌起**一股在两种语言里都没有名字的东西。

"Is that what we sound like?" said the chairperson. "It is not **phony**," said Pim. "It is us."

“我们听起来就是这样吗？”主席说。“它**不假**，”皮姆说，“这就是我们。”

Interpretation was the next problem: the panel would not understand Valdish, so each recording needed a translation, and Anselm, who had spent his **life distinguishing** the particular from the general, now had to translate a joke about a goat into a legal document.

下一个问题是口译：评审小组听不懂瓦尔迪什语，所以每段录音都需要翻译，**一生**都在**区分**特殊与一般的安塞尔姆，现在不得不把一个关于山羊的笑话翻译进法律文件。

He insisted on a rule: no translation would **subtract** anything; nothing would be explained away; and if a word could not be translated, it would be left in Valdish with a footnote that said "untranslatable" and a drawing by Pim.

他坚持一条规则：任何翻译都不得**减掉**什么；任何东西都不得被解释掉；如果某个词无法翻译，就保留瓦尔迪什语，加一条写着“不可译”的脚注和皮姆的一幅画。

Pim's drawings were extraordinary: he was a boy with permanently **bloody** knees and a gift for the brief sketch, a goat with the face of a judge, a hen with the posture of a duchess, a glacier like a sleeping beast, and his **analogies** were so apt that Anselm began to use them in the text.

皮姆的画很出色：他是个膝盖永远**带血**、有绘简笔画天赋的男孩，画一只长着法官脸的山羊，一只有公爵夫人姿态的母鸡，一条像沉睡野兽的冰川，他的**类比**如此贴切，以至于安塞尔姆开始把它们用进文本。

The **attacks** on their plan began almost at once: an **anonymous** letter appeared on the chairperson's door, saying that the valley's future lay in the nation and not in the past, and in the pub the quarry's foreman made a speech about **dirty foreigners** who came to steal the valley's words.

对他们计划的**攻击**几乎立刻开始：主席门上出现一封**匿名**信，说山谷的未来在国家而不在过去，酒馆里采石场的工头发表了一通关于“**肮脏的外国人**来偷山谷的词”的演讲。

The hearing took place in a regional court, a stone building at the foot of the glacier with a gallery of portraits and the smell of floor polish, and the panel of three, a judge of fifty with a face like a closed window and two lay members, an agricultural officer and a woman who taught history, sat at a long table under a clock.

听证在一座区域法院举行，一栋冰川脚下的石砌建筑，有肖像画廊和地板蜡味，三人评审小组——一位五十岁、脸像关闭窗户的法官和两位外行成员，一位农业官员和一位教历史的女人——坐在钟下的长桌后。

Mrs. Quarrie's lawyer opened with a brisk argument: the extension would provide employment, **provision** for the future and a **valid** contribution to the nation's **resources**, and the opposition rested on sentiment, and sentiment was not evidence.

夸里太太的律师以一番利落的论点开场：扩建将提供就业、为未来作**准备**，以及对国家**资源**的**合法**贡献，反对意见基于情感，而情感不是证据。

The chairperson rose; she was nervous; she spoke in the state language, and then, with an effort, she switched to Valdish, the first time in public in sixty years: "We have not come to **condemn** the quarry. We have come to ask you to hear who we are before you decide what we are worth."

主席站起来；她很紧张；她先用国语讲，然后费力地转用瓦尔迪什语，这是六十年来第一次当众这样做：“我们不是来**谴责**采石场的。我们来是请你们在决定我们值多少之前，先听听我们是谁。”

The judge, who had ordered a translator, listened to the Valdish with a face that moved, almost imperceptibly, from boredom to surprise; in the first full minute the translator, a nervous young woman, forgot to translate, and the whole court was listening to the sound.

事先安排了翻译的法官听着瓦尔迪什语，脸色几乎难以察觉地从厌倦变为惊讶；第一整分钟里，紧张的年轻翻译忘了翻译，整个法庭都在听那个声音。

The recording was played: Oma Hanne's voice told the story of the first winter, when the valley's people, in the year of the great cold, fled to the ice cave and lived on cheese and singing; it was a story with a **tragic** ending, a **massacre** by soldiers in a war the country had forgotten, and the voice told it without a quiver, in the mood reserved for what an ancestor has told.

录音播放了：汉妮奶奶的声音讲述第一个冬天的故事，大寒那年山谷的人们逃进冰洞，靠奶酪和歌声生存；这是个**悲剧**收场的故事，是国家早已遗忘的战争中士兵的一场**屠杀**，声音毫不颤抖地讲述，用的是留给祖先所述之事的语气。

The room was quiet for a long time. "That language," said the history teacher on the panel in a low voice, "is the only record we have. The state archives say nothing about that winter."

房间安静了很久。“那门语言，”评审小组里的历史老师低声说，“是我们拥有的唯一记录。国家档案对那个冬天只字未提。”

"There is a question of **ethnicity** and **descent** here too," said Mrs. Quarrie's lawyer, "but we are not here to rule on cultural heritage; the law of the quarry concerns land."
“这里还有**族群**和**血统**的问题，”夸里太太的律师说，“但我们不是来裁决文化遗产的；采石场的法律涉及的是土地。”

"The law of the quarry concerns land," said the judge, "and the land concerns people, and the law was made by people. I am not obliged to hear only half a story."
“采石场的法律涉及土地，”法官说，“而土地涉及人，法律是人制定的。我没有义务只听半个故事。”

The panel recessed and returned **after** two hours with its decision: the extension was refused, the valley was declared a protected cultural landscape, and the quarry would be permitted to continue at its present size on condition that it keep employing local labour and fund, every year, a school for the Valdish language.
评审小组休会，**两小时后**带着决定回来：扩建被拒绝，山谷被宣布为受保护的文化景观，采石场可以按现有规模继续运营，条件是继续雇用本地劳动力，并每年资助一所瓦尔迪什语学校。

A cheer went up in the gallery, and Mrs. Quarrie rose, **folded** her papers and said with the face of a good loser that she would **endeavor** to comply; and as she left she nodded to Anselm, who realised that he had never actually disliked her.
旁听席爆出欢呼，夸里太太站起，**折好**文件，带着一副善于认输的脸说她会**努力**遵守；离开时她朝安塞尔姆点了点头，他意识到自己其实从没真正讨厌过她。

The school's first Valdish lesson was held in the old barn, since the schoolhouse had been **insulated** against everything except language: thirty children sat on hay bales, a blackboard was propped against a goat pen, and Oma Hanne, in her best shawl, gave them the first word, "light".
学校的第一堂瓦尔迪什语课在旧谷仓里上，因为校舍对一切都做了**隔绝**，唯独没隔绝语言：三十个孩子坐在草捆上，黑板靠在羊圈上，汉妮奶奶穿着最好的披肩，教给他们第一个词：“光”。

They repeated it, and **rambled** off into laughter, and she **stopped** them with a look: the Valdish word for light ended in a **whistle**, a high, almost silent sound, and children who could not whistle could not say it, so that the first lesson became a mass attempt at whistling, and the barn became a wind.
他们重复它，随后**笑成一团**，她一个眼神**制止**了他们：瓦尔迪什语里“光”这个词以哨音结尾，一个高而几乎无声的声音，不会**吹口哨**的孩子说不出它，于是第一堂课变成集体练习吹口哨，谷仓变成了一阵风。

Mr. Orr, who attended in a state of cautious wonder, made a **resolution**: he would teach reading in both languages, he would **reinforce** the grammar with song, and he would no longer **block** the door with a rulebook.
带着谨慎的惊奇来听课的奥尔先生下了**决心**：他将用两种语言教阅读，用歌曲**巩固**语法，不再用规章手册**堵**住门。

“这是一个**选项**，”他说，“部里有关于双语学校的规定；我只是从没读过。我**马上**就读。”

The children progressed with the speed of those who learn without **noticing**: Pim soon translated between the two languages for fun, a girl called Lise learned the whole of the hen's speech by heart, and the youngest, a boy of six, learned to say "goat", "cheese" and "no" in Valdish, which he considered sufficient for the purposes of life.
孩子们以**不知不觉**学习者的速度进步：皮姆很快就把两门语言互译着玩，一个叫莉泽的女孩把母鸡的全部演讲背了下来，最小的六岁男孩学会了用瓦尔迪什语说“山羊”“奶酪”和“不”，他认为这足以应付生活的目的。

Anselm, in the meantime, completed what he had come to do: the grammar, three hundred and forty pages, the dictionary, six thousand entries, a primer illustrated by Pim, and the recordings, forty hours, in a box with a label that read, "Not to be opened until needed."
与此同时，安塞尔姆完成了他此行要做的事：语法书，三百四十页；词典，六千个词条；皮姆插图的初级读本；以及四十小时的录音，装在一个盒子里，标签写着：“需要时再开启。”

His work might have ended there, but he stayed, because there was something he had not planned: the sense of a small **society** formed around a language, the way the language gave the children **parity** with their grandmothers, and the way the grandmothers, who had been silent for sixty years, regained their **liberty**.
他的工作本可以到此结束，但他留下了，因为有件他没计划的事：围绕一门语言形成的小**社会**的感觉，语言使孩子们与祖母们**平起平坐**，使沉默了六十年的祖母们重获**自由**。

And the village changed: the **youngsters** who had been ashamed began to whistle in the streets, farmers shouted in Valdish across the fields, and at the pub the new word for beer, drawn from the oldest stock, was brook-bottle.
村子也改变了：曾经羞耻的**年轻人**开始在街上吹口哨，农民隔着田野用瓦尔迪什语喊叫，酒馆里啤酒的新词，取自最古老的词库，叫“溪瓶”。

A **renaissance** began, as such things do, with a **novelty**: the valley's first Valdish newspaper, a single sheet printed on the schoolmaster's duplicator, **ambitious** in its aims and **unattractive** in its typography, which carried a weather forecast, a recipe, an obituary and an advertisement for **home-grown** cheese.
一场**复兴**开始了，就像这类事通常的那样，从一件**新奇**事物开始：山谷第一份瓦尔迪什语报纸，一张在校长的复印机上印出的单页，**志向远大**而排版**难看**，登着天气预报、一份食谱、一则讣告和一则本地**自产**奶酪的广告。

The agricultural officer from the panel, now a convert, came to review the **husbandry** of the valley and wrote in his report that the language and the grass were interdependent: the Valdish words for the moods of the pasture encoded a husbandry that no manual had ever recorded, and the farmers who had lost the words had lost the practice.
评审小组的农业官员，如今成了信徒，来回顾山谷的**畜牧**业，并在报告中写道语言与草是相互依存的：瓦尔迪什语中描述牧场情绪的词编码了一种从没有手册记录过的畜牧术，失去了词的农民也失去了做法。

Biologists came to study the **rape** fields, because the Valdish calendar fixed the planting by the call of the first lark, and when the scientists checked the dates against thirty years of weather records, the calendar proved accurate to within a day.

Within a year there was a conference, in a hall with a view of the sea, at which Pim, fifteen, gave a talk on the moods of dreaming in his language, and a hush fell, because he was a better speaker than half the professors, and the conference also studied the **interpersonal** functions of grammar, which Oma Hanne said she could have told them for nothing.
一年之内召开了一次会议，会场俯瞰大海，十五岁的皮姆做了关于他语言里梦的语气的报告，全场安静，因为他比一半教授讲得更好，会议还研究了语法的**人际**功能，汉妮奶奶说这个她可以免费告诉他们。

Anselm advised **caution**: a language is not a monument but a tool, and it can be used to build a nation or a wall, and some in the village feared the attention, since tourists would come, reporters would **drift** in and companies would try to **brand** the language and sell it on mugs.
安塞尔姆建议**谨慎**：语言不是纪念碑而是工具，可以用来建造国家，也可以用来筑墙，村里有人害怕受到关注，因为游客会来，记者会**飘进**来，公司会试图为语言打**品牌**并印在马克杯上卖。

"Let them," said Oma Hanne. "A word that has been on a mug is still a word."
“让他们去，”汉妮奶奶说，“上过马克杯的词依然是词。”

汉妮奶奶在学校开办后的那个冬天去世，享年九十一，坐在她的扶手椅里，肘边放着一**夸脱**牛奶，唇边有一个词，陪着她的皮姆**解读**了它：那是瓦尔迪什语的“光”，以哨音结束。

The funeral was the kind of event that a village has once in a century: the church overflowed, the **aisle** was full and the **doorway** was blocked by people who stood in the snow outside; the priest, a young man with a **lean**, anxious face, who had learned the Valdish liturgy from the new primer, said the prayers in the old tongue, and when he spoke of **Christ** he used a word that nobody had heard in church for two hundred years, and a murmur ran through the crowd.

葬礼是一个村子百年才有一次的那种场合：教堂挤满了人，**过道**站满，**门口**被站在外面雪地里的人堵住；年轻、面容**清瘦**而焦虑的神父，用新读本学了瓦尔迪什语礼仪，用古老语言念祷词，说到**基督**时用了一个两百年没人在教堂里听过的词，一阵低语掠过人群。

The **tragedy** was mixed with a quiet **glory**: she had lived long enough to see the language return, and the language, like a thing **redeemed**, came home through her death.

悲剧中混着安静的**荣耀**：她活得足够久，亲眼看到语言回归，而语言，像一件被**赎回**之物，借她的死回到了家。

Anselm, who had flown back for the funeral, found himself unable to speak in either language; he stood **mute** at the grave with a handful of earth, and Pim, in a coat too large, laid a hand on his arm and **tugged** it lightly, as a boy tugs a sleeve to attract attention: "She said you must not be **incompetent** at grief."

专程飞回来参加葬礼的安塞尔姆发现自己用两种语言都**说不出话**；他拿着一捧土默默站在墓边，穿着过大外套的皮姆把手放在他的手臂上轻轻**拽了拽**，就像男孩拽袖子引起注意：“她说你不许在悲伤上**无能**。”

He **tossed** the earth, and it made a sound he knew from his tapes, a dry, brief, final sound for which Valdish has a word, a word that means "the end of a sentence".

他**抛**下泥土，它发出一个他在磁带里熟悉的声音，一个干燥、短促、终结的声音，瓦尔迪什语有个词指它，意思是“句子的结尾”。

At the reception afterwards, in the pub, he met the quarry's new **manager**, Mrs. Quarrie's deputy, who told him that the school had forty-one enrolments and that two of the quarry's workers, laid off by the new machine, had been hired as language assistants, a **noteworthy** re-employment.

Years later Anselm returned to Karst for the opening of the Valdish Cultural Centre; a boy of ten, a descendant of a quarry worker, flew a **kite** from the hill above the school, a kite shaped like a hen, with a banner in the old language that said "Light".

The centre was opened without a bell and without the **torture** of speeches; Lise, grown up and now the chairperson, said three sentences in Valdish and sat down: "We were small. We are still small. We are not quiet."

Tavish **diagnosed** with the thoroughness that comes from fear: the pattern of fever, rash and bone pain fitted one **virus** only, a mosquito-borne disease that he had seen once in a textbook **photo** and once in a hospital in the capital, and that had no cure but care.
塔维什以恐惧带来的周密做出**诊断**：发烧、皮疹和骨痛的模式只与一种**病毒**吻合，一种经蚊子传播的疾病，他在教科书**照片**里见过一次，在首都医院见过一次，除了护理无药可治。

The **protocol** of the Ministry of Health was unambiguous: any suspected case must be reported at once to the **airport** and port authorities, who would quarantine the harbour for fourteen days.
卫生部的**规程**毫不含糊：任何疑似病例都必须立即向**机场**和港口当局报告，后者将对港口隔离十四天。

Fourteen days of closed harbour meant no ships, no cargo and no income, and in a town as **populous** as Pellmouth, with six thousand mouths and one harbour, this was not a convenience but a sentence.
港口关闭十四天意味着没有船，没有货，没有收入，在佩尔茅斯这样**人口稠密**、六千张嘴靠一个港口的小镇，这不是方便而是一道判决。

Sister Agnes said so with a blunt shake of her bun: "Doctor, you will wreck the **turnover** of the whole town for a rash."
艾格尼丝修女晃着发髻直率地说：“医生，你会为了一场皮疹毁掉全镇的**营业额**。”

"It is not a rash," said Tavish. "It is a protocol, and my **conscience** is a stricter protocol still."
“那不是皮疹，”塔维什说，“那是规程，而我的**良心**是更严格的规程。”

He telephoned the ministry from the clinic's old black telephone, because the cellphone had no signal in the back room, and gave his report in a voice that was steadier than his hands.
他用诊所的旧黑电话给部里打电话，因为后屋里手机没信号，他的汇报声音比他的手更稳。

The mayor, a **conceited** man named Rufus Bellweather, who wore a purple waistcoat, a gold chain and the permanent expression of someone being photographed, arrived within the hour in the town's only car, a black one with a flag, and demanded to speak to the doctor **regarding** the nature of the emergency.
市长鲁弗斯·贝尔韦瑟是个**自负的**人，穿紫马甲，戴金链，脸上永远是被拍照的人的表情，一小时内乘镇上唯一的车——一辆带旗的黑色轿车——到来，要求**就**这起紧急事件的性质与医生谈话。

"We have a **population** of six thousand and a harbour season of eleven weeks," he said from the doorway, with his hat at an **angle**. "If this goes **onward** as you say, we shall be a quarantine and a laughing-stock. I suggest that your diagnosis is an exaggeration."
“我们有六千**人口**和十一周的港口旺季，”他站在门口，帽子**歪着**，说，“如果事情像你说的那样**发展下去**，我们就会成为隔离区和笑柄。我建议你的诊断是夸大。”

The mayor had an **attitude**, in the sense that a ship has a list, a permanent lean to starboard: he **contended** that the sailor had probably eaten bad shellfish, that doctors from the capital were always inclined to see disaster in a sneeze, and that a quarantine would be **disastrous**, a word he used three times in a minute.
市长有种**态度**，就像船有倾斜，永久向右舷偏：他**主张**水手大概吃了变质的贝类，首都来的医生总是倾向于在一个喷嚏里看到灾难，而隔离将是**灾难性的**，这个词他一分钟用了三次。

He proposed a compromise: say nothing for a week, keep the sailor in the clinic and see whether anyone else fell ill; it was, he said, a matter of **sensitivity**.
他提出了一个折中：一周内什么也不说，把水手留在诊所，看看是否还有人生病；他说，这是个**敏感**性问题。

Tavish felt the **tempting weight** of the proposal: it was **realistic**, it was popular and it would perhaps cost nothing; but in the back room the sailor was sweating through his sheets with an **injury** of a kind that nobody could see, and Tavish knew, with the **clarity** of the **dumb**, that a week was precisely long enough.
塔维什感受到这个提议**诱人**的**分量**：它**现实**，受欢迎，也许什么代价都没有；但后屋里水手正在汗透床单，带着一种没人能看见的**损伤**，塔维什以**哑巴**般的**清晰**知道，一周恰好足够长。

"Mr. Mayor," he said, "I will not **betray** the town by hiding the truth from it, nor will I betray you."
“市长先生，”他说，“我不会因向全镇隐瞒真相而**背叛**它，也不会背叛你。”

He explained the **mosquito**: a small striped creature that **bred** in clear still water, in a cup, a tin, a puddle in a tyre, and the town, with its hot summer and its thousand rain barrels, was the finest nursery that the creature could imagine.

他解释了**蚊子**：一种小小的带条纹的生物，在清澈的静水中**繁殖**，在杯子里，罐头里，轮胎里的水洼里，而这个有炎热夏季和上千只雨水桶的城镇，是这种生物所能想象的最好的育儿所。

"Show me one," said the mayor. "Come with me," said Tavish. "I can show you ninety." And he led him, in his purple waistcoat, to the clinic's own yard, where in the rain barrel a cloud of larvae turned and turned.

“给我看一个，”市长说。“跟我来，”塔维什说，“我能给你看九十个。”他领着穿紫马甲的市长到诊所自己的院子里，雨水桶里一团幼虫转个不停。

The mayor looked, and something passed over his face, fear or respect: "Good God," he said. "It is a nursery."

市长看了，脸上掠过什么，恐惧或敬意：“天哪，”他说，“这是个育儿所。”

The mayor, to his credit, changed his attitude within the minute and his plan within the hour: that evening he summoned the town to the **rotunda** in the park, a stone drum with a **dome** where the brass band played on Sundays, and Tavish, **standing** on a chair, gave them the facts in plain words and without **buzzwords**.

市长值得称道的是，一分钟内改变了态度，一小时内改变了计划：当晚他把全镇召集到公园的**圆形**露天亭，一座带**圆顶**的石鼓，星期天铜管乐队在此演奏，塔维什**站**在椅子上，用朴素的话、没有**流行**语地告诉他们事实。

He had a **pamphlet**, written the night before and run off by the schoolmistress, Miss Teal, an **educator** of terrifying clarity who had added three diagrams, a rhyme and a cartoon of a mosquito wearing a crown.

他有一本**小册子**，头晚写成，由女校长蒂尔小姐印出，她是个清晰得吓人的**教育**者，加了三张图、一首童谣和一幅戴王冠的蚊子漫画。

"This is the **main** thing," he said. "The virus is spread not by touching but by one species of mosquito, which breeds in standing water, bites by day, flies perhaps a hundred metres and hates wind, smoke and cleanliness. In a week we can take away its nursery."

“这是**主要的**一点，”他说，“病毒不是靠接触传播，而是靠一种蚊子，它在静水中繁殖，白天叮咬，大约飞一百米，讨厌风、烟和清洁。一周内我们可以拿走它的育儿所。”

"And the harbour?" called a voice from the **crowd**, a fisherman with a **coarse** accent. "We keep it open," said Tavish, "if we make the quay safe; the sick will be nursed here, ships may leave and arrive with a certificate, and the quarantine will be on the mosquito, not on you."

“那港口呢？”**人群**里一个声音喊道，是个口音**粗犷**的渔夫。“我们保持开放，”塔维什说，“如果我们让码头安全；病人在这里护理，船只可凭证书离港和到港，隔离对象是蚊子，不是你们。”

A murmur of relief ran through the crowd, the **pole** of the town flag trembled in the breeze, and the **postman**, a lanky man named Cyrus who knew every door in Pellmouth by its knocker, asked what he could do.
一阵宽慰的低语在人群中传开，镇**旗杆**在微风中颤动，**邮递员**赛勒斯是个瘦高个儿，能凭门环认出佩尔茅斯的每一扇门，他问自己能做什么。

"You can deliver this to every house by tomorrow noon," said Tavish, "and tell them to tip out every cup, tin, bucket and flowerpot saucer, to cover the barrels and to put a spoonful of oil in anything that cannot be emptied."
“你可以明天中午前把这个送到每一户，”塔维什说，“并告诉他们倒空每个杯子、罐头、水桶和花盆托盘，盖好桶，把一勺油倒进任何倒不空的东西里。”

"Every house?" said Cyrus. "Two thousand." "Then you will need an army." "I have one," said Miss Teal. "It is called the fourth form."
“每户？”赛勒斯说，“两千户。”“那你需要一支军队。”“我有一支，”蒂尔小姐说，“它叫四年级。”

By eight the next morning forty children in yellow armbands, with pamphlets in satchels, were swarming through the streets like bees: they inspected gutters, unblocked drains, collected tin cans in sacks and checked every pebble-lined hollow of the pavement for puddles.
次日早晨八点，四十个戴黄臂章、书包里装着小册子的孩子像蜜蜂一样涌进街头：他们检查排水沟，疏通下水道，把罐头装进麻袋，检查人行道上每一处卵石围成的凹坑有无积水。

The old **tram** depot, a vast **shed** behind the harbour where the last tram had been rusting since the sixties, proved to be the **principal** discovery: in its pits, in the hollow of every wheel, in forty years of **accumulated** rain, lay a black, smooth, shining lake, the capital of the mosquitoes.
旧**电车**库，港口后面的一座巨大**棚屋**，最后一辆电车自六十年代起就在那里生锈，被证明是**主要的**发现：在它的坑里，每个轮子的凹处，四十年的**积水**里，躺着一片黑色、光滑、闪亮的湖，蚊子的首都。

The cleanup took the whole week and the whole town: men in rubber boots **hoisted** the old tram onto trestles with chains and a crane, women with **forks** and shovels cleared the pits of **hay** and **trash**, the children counted, and Sister Agnes, in the shade of her purple umbrella, supervised with a clipboard, while a film of oil lay on the black water like skin on cold soup.
清理花了整整一周和整个城镇：穿胶靴的男人用链条和**起重机**把旧电车吊到支架上，女人们拿着**叉子**和铁锹清理坑里的**干草**和**垃圾**，孩子们数数，艾格尼丝修女在紫伞的阴影下拿着记事板监督，一层油膜像冷汤上的皮一样漂在黑水上。

Meanwhile the sailor, to everyone's relief, turned the corner: by Thursday the fever had broken, by Friday he was eating soup, and by Saturday he was telling the nurses, in a **languid** voice, tales of oriental markets and drunken captains; his name was Ferdinand Oyelaran, and he was known to his crew, for his muscle and his scars, as the **Saint**.

与此同时，令所有人宽慰的是，水手渡过了难关：周四烧退了，周五他在喝汤，周六他用**慵懒**的声音向护士们讲东方市场和醉酒船长的故事；他叫费迪南德·奥耶拉兰，船员们因他的肌肉和伤疤称他"**圣人**"。

But two new cases appeared on Sunday, a baker's apprentice and a woman from the **fringe** of town near the salt marsh, and a rumour began, as rumours do, in the one place that nobody could trace: that Tavish had brought the virus with him from the capital, that the doctor was a carrier and that the ministry was lying; by noon the rumour had the strength of a fact.

但周日出现了两个新病例，一个面包店学徒和一个住在靠近盐沼的镇**边缘的**女人，一则谣言开始了，像谣言一样，起于一个没人能追溯的地方：塔维什从首都带来了病毒，医生是携带者，部里在撒谎；中午时谣言已有了事实的力量。

A **scare** is more infectious than a virus; by evening a crowd had gathered outside the clinic, forty people with lanterns, led by the fisherman with the coarse accent, whose brother was one of the new cases, and one of them threw a stone, which **struck** the verandah rail with a **sound** like a **bullet**.

恐慌比病毒更具传染性；傍晚时诊所外聚了一群人，四十个提灯笼的人，由那位口音粗犷的渔夫带头，他的兄弟是新病例之一，其中一人扔了块石头，**砸**在凉廊栏杆上，发出**子弹**般的**声音**。

Sister Agnes stepped onto the verandah with her purple umbrella open against the dusk and her bun intact. "Which of you," she said, "would like to be the first to explain to my doctor that a mosquito does not read newspapers?"

艾格尼丝修女走上凉廊，紫伞对着暮色撑开，发髻完好。"你们谁，"她说，"想第一个向我的医生解释蚊子不读报纸？"

The crowd subsided; it laughed, it shuffled; it was a crowd of neighbours and not of enemies, and a crowd has an **ebb** as well as a flow.

人群平息下来；笑了，挪动着；这是邻居的人群而不是敌人的人群，人群有涨潮也有**退潮**。

"The virus did not come with me," said Tavish quietly. "It came with a ship, and it can be stopped only by us, in the next four days."

追捕罪犯不是他想给他们的；他想给他们一些事做，他请求他们把灯笼不当作武器而当作夜间工作的火炬，在黑暗中检查每个院子、每只桶、每个罐头，照亮小镇的边缘。

The crowd, grumbling, dispersed, and returned in groups with buckets.
人群嘟囔着散去，成群地提着水桶回来了。

The night search **culminated** at three in the morning with the discovery of the last great nursery: a disused brick **chimney** at the salt works, whose broken cap held in its soot-black hollow a pool of rainwater so deep that Cyrus the postman climbed to the top with a rope and a torch and reported, in a voice like a ghost's, that it contained about **nine** thousand of the little devils.
夜间搜索在凌晨三点以发现最后一个大育儿所而**告终**：盐场里一根废弃的砖**烟囱**，破损的顶盖下、煤黑色的洞里积着一汪深深的雨水，邮递员赛勒斯带着绳子和手电爬到顶上，用幽灵般的声音报告说里面有大约**九**千只小恶魔。

塔维什每天在笔记本里**记录**数字，新病例、每桶幼虫**密度**、气温、降雨，一场他不喜欢的战争的**参数**，他带着一种干涩的快乐看到**曲线**做了好曲线该做的事：上升、变平、**骤降**。

It was **possible** to say, on the twelfth day, that the outbreak had a **timescale**, that its **likelihood** of spreading had fallen to near zero, and that the **outcome**, though not yet certain, was **extraordinary** by any standard: eleven cases, no deaths and no quarantine.
到第十二天**可以**说，疫情有了**时间**尺度，扩散的**可能性**已降到接近零，**结果**虽然尚未确定，但无论按什么标准都是**非凡的**：十一个病例，无人死亡，没有隔离。

She did it in a manner that Tavish never forgot, in a memorandum, taken by **dictation**, of such delicate evasion that the ministry amended its protocol, and the next edition allowed local officers to adopt proportionate measures regarding the movement of vessels, subject to the principle of least harm.
她以塔维什永远不会忘的方式做到了，在一份**口述**记录的备忘录里，用如此微妙的回避，使部里修改了规程，新版允许地方官员对船只的移动采取相称的措施，但须遵循最小伤害原则。

He thought, on the evening of the thirteenth day, on the verandah with his feet on the rail and a glass of Sister Agnes's lemonade, that he had never been so tired or so happy; the harbour lights were out of focus, and he realised, with a start of panic, that he had forgotten to be homesick.

He gave an interview to the town's weekly, the Pellmouth Gazette, in which he asserted, in his quiet, languid voice, that he had been **abroad** for **nineteen** years, in sixty ports, and had never been so well treated by any town as by one that had every reason to treat him as a hazard.
他接受了镇上周报《佩尔茅斯公报》的采访，用安静慵懒的嗓音说他在**国外**漂泊**十九**年，去过六十个港口，从未被一个有一切理由把他当作危险品的城镇如此善待。

"It is an **interesting superstition** of sailors," he said, "that to be kind to a sick man at sea brings luck, but in Pellmouth I learned that it works on land too, and that the superstition is not a **primitive** thing: it is a way of remembering what we owe."
“水手们有个**有趣**的**迷信**，”他说，“对海上的病人好就会带来好运，但在佩尔茅斯我学到，它在陆地上也灵验，而这种迷信不是**原始的**东西：它是一种记住我们所亏欠之物的方式。”

Sister Agnes announced, with her usual lack of ceremony, that she was seventy and intended to retire at the end of the year to an **apartment** above the bakery and a life of spiteful gardening; but in the meantime, she added, there was a **seminar** to give.

The seminar, held in the school hall for nurses and doctors from six neighbouring towns, concerned practical action in the face of a threat, and Tavish's memo, translated into three languages, became within a year the standard handbook for small-town doctors faced with the dilemma between protocol and conscience.

研讨会在学校礼堂为邻近六个镇的护士和医生举办，主题是面对威胁时的实际行动，塔维什的备忘录被译成三种语言，一年内成为小镇医生面对规程与良心两难时的标准手册。

The central lesson was, in Sister Agnes's phrase: "Do not **forge** ahead without the people, and do not wait for permission from **anybody** who does not know what a mosquito is."

核心教训，用艾格尼丝修女的话说：“不要撇开**人**民**往前冲**，也不要等不知道蚊子是什么的人的许可。”

A reporter from a national paper asked for a photo; Tavish said no, Sister Agnes said yes, and the picture showed the doctor, the nurse, the postman and forty children in yellow armbands in front of the tram shed, which had been painted bright blue and turned into the town's first public library, and the caption read: "THE PEOPLE WHO BEAT THE MOSQUITO."

一家全国性报纸的记者要求拍照；塔维什说不，艾格尼丝修女说行，照片上是医生、护士、邮递员和四十个戴黄臂章的孩子站在电车库前，车库已被漆成亮蓝色，改成镇上第一座公共图书馆，图说写着：“打败蚊子的人们。”

A year later the harbour was thriving, the quay was clean, the tram shed was a library with a **literary** café and a **comedy** night on Fridays, and a hundred and forty children had borrowed more than a thousand books, among them a dictionary that nobody could keep for more than three days.

一年后，港口兴旺，码头干净，电车库成了图书馆，带一家**文学**咖啡馆，周五晚有**喜剧**之夜，一百四十个孩子借阅了一千多本书，其中有一本谁也留不过三天的词典。

The town had **abolished**, by a vote of the council, the open tin can, which was replaced by the lidded bin; it had **renewed**, by a vote of the citizens, the old custom of the Sunday walk; and it had refused to **stagnate**, in the words of the new mayor, Miss Teal, who had been elected in the spring by a majority of three hundred.

镇议会投票**废除**了敞口罐头，取而代之的是带盖垃圾桶；市民投票**恢复**了周日散步的旧习俗；用新市长蒂尔小姐——春天以三百票多数当选——的话说，小镇拒绝**停滞**。

The former mayor retired to his garden, where he kept **rabbits**, **cherry** trees and a rotunda of his own design, and gave a speech to anyone who would **listen** about the **importance** of listening.

前任市长退休到他的花园里，那里养着**兔子**、**樱桃树**和他自己设计的圆亭，他向任何愿意听的人发表演讲，内容是**倾听**的**重要性**。

Ferdinand returned, as he had promised, with a gift, not a thing but a person, his niece, a bright girl of fifteen with a fringe and a talent for **hijacking** conversations, who wished to study medicine and who lodged with Sister Agnes in the apartment above the bakery.

费迪南德如约带着礼物回来了，不是东西而是一个人，他的侄女，一个十五岁、留刘海、擅长**劫持**话题的聪明女孩，想学医，住在面包房楼上艾格尼丝修女的公寓里。

She was the first of a new generation of the town's nurses; she had Sister Agnes's chin, her **vision**, her patience with fools and, Tavish suspected, her bun, which was merely waiting its turn.

她是镇上新一代护士的第一人；她有艾格尼丝修女的下巴、**远见**、对傻瓜的耐心，以及塔维什怀疑的，她的发髻，只是在等待轮到它。

In the third year Tavish had a conversation with himself: he had accepted a post at the capital's teaching hospital, he had refused it, he had accepted again, and at last he **quit** the idea of leaving and wrote to the ministry that his contract should be made permanent rather than **temporary**.

第三年塔维什与自己谈了一次话：他接受了首都教学医院的职位，又拒绝了，再接受，最终放弃了**离开**的念头，写信给部里请求把他的合同改为长期而不是**临时的**。

He kept a notebook of **unexpected** things: the names of children, the smell of the quay in the morning, the shape of a particular cloud, a woman's remark that the **world** was small though she had never left Pellmouth, and a **scene** he had witnessed from the verandah, two old men on a bench embracing after forty years of feud.

他有一本记**意外**之事的笔记本：孩子们的名字，早晨码头的气味，某朵特定云的形状，一位从没离开过佩尔茅斯的女人说**世界**很小的话，还有他从凉廊上目睹的**一幕**，两个老人在长椅上，在四十年的世仇之后拥抱。

He understood that the outcome was less the defeat of a virus than the beginning of a habit, a town that looked into its barrels; the virus could return, and the mosquitoes were patient, but so was the town.

他明白结果与其说是病毒的失败，不如说是一个习惯的开始，一个会往桶里看的城镇；病毒可能回来，蚊子很有耐心，但小镇也是。

Under the heading "Pellmouth, Year Three", Tavish had written in his small neat hand: a **stylist** who cut hair on the quay and talked politics with each customer, **whom** nobody could accuse of being **materialistic**; a child with a bandaged **toe** from a **pebble**; a **trap** for rats made by an engineer who **forbade** any other harm; and a fisherman's wife who wished to know why her husband's snores had a **meter**.

在“佩尔茅斯，第三年”这个标题下，塔维什用他细小整齐的字迹写道：一位在码头上给人理发并与每位顾客谈政治的**发型师**，没人能指责他**物质主义**；一个因**卵石**而**脚趾**裹着绷带的孩子；一位工程师做的**捕鼠器**，他**禁止**任何其他伤害；还有一位渔夫的妻子想知道她丈夫的鼾声为何有**格律**。

He had found that the town was **democratic** in the way water is: it found its level, it **split** around obstacles and it **merged** again beyond them; it was **permissive** about eccentricity and strict about manners, and its **patronage**, such as it was, went to those who showed up.
他发现这个镇子**民主**得像水：它找到自己的水平，绕过障碍**分流**，又在障碍之后**汇合**；它对古怪**宽容**而对礼貌严格，它的**庇护**，就其所有，给了那些露面的人。

He noted its **inherent** contradictions with affection: the **aversion** to strangers and the **lure** of strangers' coins, the pride in the **kingdom** of the harbour and the absence of a king, the **fellowship** of the pub and the privacy of the kitchen.
他怀着感情记下它**固有的**矛盾：对陌生人的**厌恶**与陌生人硬币的**诱惑**，对海港**王国**的骄傲与国王的缺席，酒馆的**情谊**与厨房的隐私。

The **nobility** of the place, he decided, was not in its manners but in its **effort**: the daily, unseen, trivial effort of people who did not **exaggerate** their troubles and made no **omission** in their duties.
他断定这个地方的**高贵**不在于它的礼仪，而在于它的**努力**：那些不**夸大**自己困难、在职责上不**遗漏**的人所作的日常的、看不见的、琐碎的努力。

He wrote about the **sight** of the harbour at dawn, the **enigma** of a boat that sank in calm water, the **individual** voices that rose from the market, and the **gender** of the cat that lived on the clinic's roof and whom Sister Agnes had named Protocol, and who, a year later, produced kittens.
他写了黎明时港口的**景象**，一艘在平静水面上沉没的船的**谜**，集市里升起的各个**单独**的声音，以及住在诊所屋顶上、艾格尼丝修女给起名叫“规程”的猫的**性别**，一年后它生了小猫。

A **quarter** of the notebook was given over to the town's walks: the **dust** of the coast road, the **sturdy** fence around the schoolyard and the **optional** route, taken only by the brave, along the cliff.
笔记本的**四分之一**被用来写镇上的步行路线：海岸路的**灰尘**，学校操场周围**结实的**栅栏，以及只有勇者才走的、沿悬崖的**可选**路线。

He ended with a line he had no right to expect: "Here I have found what a doctor is for: to be **present** when the world **blasts** its horn, and to say at the top of one's voice, 'Wait, please; it is possible to do this differently.'"
他以一句自己没资格期待的话结尾：“在这里我发现了医生是为了什么：在世界吹响号角时**在场**，并**大声**说，‘请等等；可以用另一种方式做这件事。’”

He did not write that he feared the **pretext** of some future crisis, that he **adhered** to the town as one adheres to a cause, that he hoped one day to **accelerate** the pace of something or that he planned, subsequently, to **hack** at the thicket of regulations with the blunt axe of common sense.
他没写的是：他害怕未来某场危机的**借口**，他像**坚持**一项事业一样依恋这座小镇，他希望有一天**加快**某件事的步伐，或者他计划随后用常识这把钝斧去**砍**法规的灌木丛。

Sister Agnes's retirement party, held on the quay in the last light of December, had a **farewell** cake in the shape of a purple umbrella, a speech by the mayor which ran to eleven minutes and a dozen jokes at Tavish's expense, and a sing-along in which the whole town, off-key and unashamed, **sang** the Song of the Mosquito.

艾格尼丝修女的退休聚会在十二月最后的光线中于码头举行，有一块紫伞形状的**告别**蛋糕、市长长达十一分钟并拿塔维什开了十几个玩笑的演讲，以及全镇人荒腔走板、毫不羞愧地合**唱**《蚊子之歌》。

Tavish's own speech was **off-the-cuff**, and he **emphasized** three things: that protocol is a servant and not a master, that **clout** belongs to those who show up, and that the best **protection** against a plague is not a wall but a habit.

塔维什自己的发言是**即兴**的，他**强调**了三件事：规程是仆人而不是主人，**影响力**属于出面的人，抵御瘟疫的最好**保护**不是墙而是习惯。

Sister Agnes, wiping her eye with a corner of her apron, **retorted**: "The best protection against a plague is a good nurse, and that is the end of the **topic**."

艾格尼丝修女用围裙一角擦着眼睛，**反驳**道："抵御瘟疫的最好保护是一个好护士，这个**话题**到此为止。"

Ferdinand's niece presented her with a gift, a **cute** red hat she had knitted for the umbrella.

费迪南德的侄女送给她一份礼物，一顶她为那把伞织的**可爱**红帽子。

In the weeks that followed, the old nurse made a habit of appearing at the clinic uninvited, with news, with soup and with advice, and with what she called her **reflections** on everything from the **tissue** of the bandages to the morals of the new curate; she claimed that retirement had given her the freedom to **misuse** her time, and Tavish said that she was the most useful retiree in the country.

之后几周，老护士养成了不请自来的习惯，带着消息、汤和建议，以及她所称的关于一切的**思考**，从绷带的**织物**到新助理牧师的品行；她声称退休给了她**滥用**时间的自由，塔维什说她是全国最有用的退休者。

"I am a **holder** of nothing now," she said, "no post, no title, no keys. And yet I am **familiar** to everyone, and they to me, which is a better **birthright** than a pension."

"我现在什么都不**持有**，"她说，"没有职位，没有头衔，没有钥匙。但我与每个人都**熟**，他们也与我熟，这比养老金更好的出生**权利**。"

The **adventure** that closed the story was small: one morning in early spring the first mosquito of the season, a lone female with striped legs, was spotted on the verandah by Cyrus the postman, who **snapped** it into a jar and brought it to the clinic with a face of grim triumph and the words: "Doctor, we have a customer."

结束这个故事的**冒险**很小：早春的一个早晨，赛勒斯这位邮递员在凉廊上发现了这个季节的第一只蚊子，一只腿上带条纹的孤独雌蚊，他**啪地**把它扣进一个罐子，带着严峻的胜利表情把它送到诊所，说："医生，我们有位顾客。"

Tavish looked at it for a long moment, with something between **fright** and tenderness, then took the jar, walked out to the **meadow** behind the clinic, unscrewed the lid and let it go. "Why?" said Cyrus, appalled. "Because it has not done anything yet, and because in a month it will find nothing to breed in, and this **watershed** of ours, the one we made, will have held. **Henceforth** it may bite whom it likes; I shall bite it back with a pamphlet."

塔维什盯着它看了很久，心情介于惊恐与温柔之间，然后拿起罐子，走到诊所后面的**草地**上，拧开盖子放走了它。“为什么？”赛勒斯**惊骇**地问。“因为它还什么都没做，而且一个月后它将找不到可繁殖的地方，我们这条自己造出来的**分水岭**将会守住。**从此**它可以叮它喜欢的任何人；我会用一本小册子咬回去。”

He did not lose a night's sleep over it; in the mornings he took a **workout** in the cold sea, and **soon**, by the second spring, he had the arms of a man bred to haul nets, and at each turn of his swim to the buoy and back the **distance** between the clinic and the quay seemed a little shorter.

The **barrier** between the fisherman with the coarse accent and the doctor had come down so thoroughly that he now brought a salmon every Friday, **suspiciously** fresh, in thanks for his brother, and demanded in return the Latin name of everything on his plate.

口音粗犷的渔夫与医生之间的**隔阂**已拆得如此彻底，以至于他现在每周五带来一条**可疑地**新鲜的鲑鱼，感谢他兄弟的病愈，作为回报，要求知道他盘子里每样东西的拉丁文名字。

Nobody could now say that medicine was an **impractical** art in a harbour town: it was a **trait** of the place, like salt in the air, and the memory of the virus was like an **artefact** in a museum, curious, **poisonous**, preserved in glass and quoted to the children who asked how the library had come to be in a shed.

现在没有人能说医学在港口小镇是一门**不实用**的艺术：它是这个地方的**特质**，像空气里的盐，而病毒的记忆像博物馆里的一件**文物**，奇特、**有毒**，保存在玻璃里，并被引述给那些问图书馆为何会在一座棚屋里的孩子们。

There had been, in the **subsequent** months, a small **affair** involving a **convict**: the town's only prisoner, an old poacher, was released to serve as the fogging machine's night watchman and proved so conscientious that the council made the post permanent, which was **preferable**, said the mayor, to a pension, because a pension would not have kept him honest.
在**随后的**几个月里，发生了一桩涉及**囚犯**的**小事**：镇上唯一的犯人，一个老偷猎者，被放出来当喷雾机的夜间看守，因太尽责，议会把这个职位定为长期，市长说这比养老金**更可取**，因为养老金不会让他保持诚实。

Tavish's mother, who visited that summer from the capital, found the town at first too small to **accommodate** her son's ambitions and then too large to accommodate her own opinions, and she left after a week by a train that departed from a **station** with one platform, one bench and a flowerbed in the shape of a mosquito.

He would not **increase** the number of his cares; he would not **frighten** his patients with the grandeur of their illnesses; he would tell them the truth in a small level voice and let them **dictate**, **thereafter**, what they could bear; and when the **profit**, if any, came, it would be in coin of a different kind: the straightening of one's **spine** at a child's recovery.
他不会**增加**自己的忧虑；他不会用病情的严重性**吓唬**病人；他会用小而平稳的声音告诉他们真相，**然后**让他们**决定**自己能承受什么；当**利润**（如果有的话）到来时，它将是另一种货币：看到孩子康复时**脊背**的挺直。

Dr. Ruth Calloway had spent twenty years as a **physicist** in a **cubicle**, studying the properties of foam, something a **corporation** had paid her handsomely to do and nobody had read; when the corporation closed her lab in **January** she was handed a **memo**, a box and a cheque, and the **legend** of her career ended in a **lane** behind a car park, where she sat on a kerb and wept.

露丝·卡洛韦博士在一个小**隔间**里当了二十年**物理学家**，研究泡沫的性质，一家**公司**重金雇她做这事，却没人读过；**一月**公司关闭了她的实验室，递给她一份**备忘录**、一只纸箱和一张支票，她职业生涯的**传奇**结束在停车场后面的一条**小巷**里，她坐在路缘上哭了。

It was her **aunt**, a robust woman of eighty named Hettie, who rescued her: Hettie telephoned from Barrow Fell, a coal town that had lost its **mine**, and said without preamble, "You are to come here. We have a **trolly** full of problems and a football team with nobody to **explain** them."

是她**姑妈**赫蒂救了她，一个八十岁的健壮女人：赫蒂从失去**矿山**的煤镇巴罗福尔打来电话，没有开场白，说：“你到这儿来。我们有**一车**问题，和一支没人给他们**解释**的足球队。”

Ruth, who had never been fond of football and was **accustomed** to problems that had answers, **accepted** out of **fatigue**, curiosity and a wish to be somewhere that had no **vicinity** of other people's opinions.

露丝从不爱足球，**习惯**于有答案的问题，出于**疲惫**、好奇，以及想待在一个没有他人意见**近在咫尺**的地方，**接受**了。

Barrow Fell lay in a **zone** of grey hills; its main street was a slope of terraced houses with chimneys that no longer smoked, its **cathedral**, as the locals called a huge Victorian chapel **built** by the coal owners with the pride of the rich, had a leaking roof and a **choir** of eleven, and at the top of the hill, with a view over the pit-head wheel, stood the **stadium**.

巴罗福尔位于灰色山丘**地带**；它的主街是一道排满联排房屋的斜坡，烟囱不再冒烟，它的“**大教堂**”——当地人这样称呼煤矿主以富人的骄傲**建造**的维多利亚式巨型礼拜堂——屋顶漏水，**唱诗班**只有十一人，山顶上，俯瞰井架轮的位置，立着**体育场**。

The stadium, which **held** four thousand and had **once** held ten, belonged, through a medieval-looking clause in the mine's sale documents, to the corporation, and the corporation had announced that it would sell the land in **July** to an **architect** with a **model** of luxury apartments and a gift for the word regeneration.

这座能**容纳**四千人、**曾**容纳过一万人的体育场，凭矿山出售文件中一条看似中世纪的条款，属于那家公司，公司已宣布**七月**把土地卖给一位带着豪华公寓**模型**、擅长“再生”一词的**建筑师**。

The Miners, the town's football team, played in the regional league, were bottom of the table and had won two matches in two years, and their goalkeeper was Hettie's grandnephew, a lanky boy named Dev, who **could** save anything but a smile.

矿工队是镇上的足球队，在地区联赛里踢，排名垫底，两年赢了两场，他们的守门员是赫蒂的侄孙，一个叫德夫的瘦高男孩，什么都**能**扑，就是扑不住一个微笑。

Hettie **herself** had been the **stenographer** at the mine's **office** for fifty years, and she kept the minutes of the club in shorthand, in a hand so rapid and so private that the committee had learned to fear her pencil.

赫蒂**本人**在矿山**办公室**当了五十年**速记员**，她用速记法记录俱乐部会议，字迹如此迅速而私密，以至于委员会学会了畏惧她的铅笔。

Ruth attended her first club committee in the back room of the Miners' Arms, among eleven men and one woman, Hettie, in an atmosphere of **sober misery** that three glasses of **whiskey**, or the lack of them, could **not** alter.

The treasurer, a sad **accountant** named Mr. Lund, read the balance: forty-three **pounds**, a bag of balls, nine shirts and a debt to the pub of exactly three hundred and eleven pounds, which he concluded, with a glance at the ceiling, was **defensible** only on the grounds of hope.

司库隆德先生是个忧伤的**会计**，念出了余额：四十三**英镑**，一袋球，九件球衣，欠酒馆整整三百一十一英镑的债，他看了一眼天花板后总结说，这只能以希望为理由来**辩护**。

The club's **advisory board**, a committee of old men in **caps**, was a model of **conflict**: three wanted to sell the club's name to a brewer, two wanted to merge with the neighbouring town, and one, who had been asleep since the second item, wanted a vote on the colour of the toilet **paper**.

俱乐部的**顾问委员会**是一群戴**帽子**的老头，堪称**冲突**的典范：三个想把俱乐部的名字卖给啤酒商，两个想与邻镇合并，还有一个自第二项议程起就一直在睡，想就**厕纸**的颜色投票。

Ruth listened, and then asked a **rational** question: "What is the problem you are trying to solve?" There was a silence of mutual **misunderstanding**. "The problem," said Hettie, "is that we lose." "Why do you lose?" "Because the other team scores more."

露丝听着，然后提出一个**理性的**问题："你们想解决的问题是什么？"随后是一阵相互**误解**的沉默。"问题，"赫蒂说，"是我们输。""你们为什么输？""因为对方进球更多。"

"Then how do they score?" "They kick it past Dev." "Where do they kick it?" Nobody knew, and Ruth, who had a gift for such moments, the gift of a person who does not know the answer and is not ashamed of not knowing, borrowed a notebook, a pencil and Dev.

“那他们怎么进球？”“他们把球踢过德夫。”“他们往哪儿踢？”没有人知道，而对这样的时刻有天赋的露丝，那种不知道答案也不为此羞愧的人的天赋，借了一本笔记本、一支铅笔和德夫。

For a week she sat on a bench behind the goal and drew, in two colours, every shot that was taken at him in training; she was seeking not an excuse but a **trend**.

一周里她坐在球门后面的长椅上，用两种颜色画下训练中所有射向他的球；她寻找的不是借口，而是**趋势**。

By Friday she had a sheet of paper on which the goal was divided into nine squares, with a number in each, the shots that had gone there and the shots that Dev had saved, and the picture was so clear that even the board could read it: seventy per cent of the goals he conceded went into the top corners; he saved eighty per cent of the shots at his feet; he simply could not fly.

到周五，她有了一张纸，上面球门被分成九格，每格有一个数字，射向那里的球和德夫扑出的球，图景如此清晰，连董事会都能读懂：他丢的球有百分之七十进了上角；射向他脚边的球他扑出了百分之八十；他只是不会飞。

This was the first lesson of physics, she said: before you change a thing, measure it; and the second was that a thing that is measured can be changed, a **safe** sentence to say in a pub.

她说这是物理学的第一课：在改变一样东西之前，先测量它；第二课是被测量的东西可以被改变，这是个在酒馆里说也**安全的**句子。

Her methods were **innovative** and, to the committee, alarming: on Monday the players ran **drills** with pool **noodles** taped to their **shoes**, to learn the angles of their own legs; on Wednesday they kicked **oranges**, to feel how a ball that gives behaves differently from one that does not; and on Friday Ruth, with a **spray** bottle of water and a **rake**, drew lines on the pitch so that after rain the path of the ball through the **splash** could be read like a page.

她的方法**富有创新**，在委员会看来则令人惊慌：周一球员们**脚上**绑着**泳池浮条**做**训练**，以学习自己腿的角度；周三他们踢**橙子**，以感受会变形的球与不变形的球的不同行为；周五露丝用**喷水瓶**和一把**耙子**在球场上画线，这样下雨后，球穿过**水花**的轨迹就能像一页纸那样被读出来。

She borrowed a **drone** from the school's science teacher and filmed every drill from above, and she persuaded a **statistician** from the council, a shy man who had never been to a football match in his life, to analyse the film; he found, to his visible delight, a pattern in the **way** the Miners lost: they conceded within four minutes of each of their own mistakes, as if the **shame** of an error were an **insidious** gas that **spread** through the team.

她从学校科学老师那里借了一架**无人**机，从空中拍摄每次训练，并说服了市政厅一位一辈子没看过足球赛的害羞的**统计员**来分析影像；他欣喜地发现矿工队输球的**规律**：他们在自己每次失误的四分钟内必丢球，仿佛失误的**羞耻**是一种在球队中**扩散**的**隐性**气体。

"It is **psychological**," said Ruth. "It is a **collapse** of confidence, not of skill. We cannot cure it with a drill. We need a **ceremony**."

“这是**心理**上的，”露丝说，“是信心的**崩溃**，不是技术的崩溃。我们不能靠训练治好它。我们需要一个**仪式**。”

"A ceremony?" said the captain, a red-faced centre-back named Barney. "A ceremony," said Ruth, "for the **ancestors** of the club."

“仪式？”队长说，他是个红脸膛的中后卫，名叫巴尼。“仪式，”露丝说，“献给俱乐部的**祖先**。”

She had read in Hettie's shorthand minutes that the Miners had once been the best team in the county: in 1952 they had won the Shield with eleven pitmen, one of whom had played the final with a broken wrist, and the old players had performed a ritual before every match, touching the lamp that hung in the changing room.

她在赫蒂的速记会议记录里读到，矿工队曾是全郡最好的球队：1952 年他们靠十一个矿工赢得盾杯，其中一人带着断腕踢了决赛，老球员们每场比赛前都有个仪式，触摸挂在更衣室里的灯。

The lamp, a miner's lamp, had been taken down when the pit closed and put in the cathedral's cellar with other relics, and Ruth and Dev fetched it on a **heavy** trolly and polished it with vinegar and a cloth until it **sparkled** and hung it back in the changing room; and the team, uncertain whether to laugh or kneel, did both.

那盏矿灯在矿井关闭时被取下，和其他遗物一起放进“大教堂”的地窖，露丝和德夫用一辆**沉重的**小推车把它取来，用醋和布擦到**闪亮**，挂回更衣室；球队不知该笑还是该跪，两样都做了。

It was, she told Hettie, the cheapest innovation in the history of sport, a lamp and a story, but it worked in a way she could not explain, though she tried, with a diagram on a napkin: **unity**, she said, was a force with units that nobody had defined.

她对赫蒂说，这是体育史上最便宜的创新，一盏灯和一个故事，但它起作用的方式她无法解释，尽管她在餐巾上画图试过：**团结**，她说，是一种没人定义过单位的力。

"The shame went out of the room," Hettie wrote in shorthand in the minutes of the next meeting, "and something else came in. I would call it **power**; Ruth calls it variance."

“羞耻走出了房间，”赫蒂在下次会议记录里用速记写道，“别的什么东西进来了。我叫它**力量**；露丝叫它方差。”

The Miners won their next match, by a goal from a corner that was, according to Ruth's diagram, the physically **correct** place to be; they won the next too, and by February the committee, who had been in the habit of **mourning** the season by December, were asking nervously whether it was permissible to hope.

矿工队赢了下一场，靠一个角球进球，根据露丝的图，那是物理上**正确的**位置；他们也赢了再下一场，到二月，往常十二月就开始**哀悼**赛季的委员会紧张地问是否可以允许自己抱有希望。

The **union**, the old miners' union with its banner in the cathedral and its **membership** of men who had been laid off, organised a benefit **gig** in the Miners' Arms: a folk band, a raffle, a **roast** and a **bar** that served a local **whisky** of dubious origin, and it raised four hundred pounds in **tickets** alone.

工会，那个在“大教堂”里挂着旗帜、**会员**是被裁员工人的老矿工工会，在矿工酒馆组织了一场**义演**：一支民谣乐队、一次抽奖、一份**烤肉**，和一个供应来路可疑的本地**威士忌**的**酒吧**，仅门**票**就筹到四百英镑。

The money was a drop in the ocean: the debt was three hundred pounds, but the stadium was worth a quarter of a million; Ruth, who thought in **orders** of magnitude, did a calculation on the back of a ticket: "To save the stadium we need a hundred and eighty thousand; to get it we need either a miracle or a promotion, and the second is cheaper."

这笔钱是沧海一粟：债务是三百英镑，但体育场值二十五万；习惯以**数量级**思考的露丝在一张门票背面做了计算：“要保住体育场我们需要十八万；要得到它我们要么要奇迹，要么要升级，后者更便宜。”

Promotion required a place in the league's top two by April, which meant winning twelve of the remaining fourteen matches, and the league's **regulations**, which Hettie had read all the way through, in a night, with a thermos, **also** stipulated that the home ground must meet a list of standards.

升级需要在四月前进入联赛前两名，这意味着剩下的十四场比赛要赢十二场，而赫蒂带着保温瓶一夜读完的联赛**规章**，**还**规定主场必须达到一份标准清单。

The corporation's lawyer, a smooth man in a camel coat, arrived in the lane with a letter: the club had no right to carry out unauthorised works at the stadium, and the lamp, which he called "the unauthorised illumination", constituted a violation, for which he would **penalize** the club with a fine of five hundred pounds a day.

公司的律师，一个穿驼色外套的圆滑男人，带着一封信来到巷子里：俱乐部无权在体育场进行未经授权的工程，他称那盏灯为“未经授权的照明”，构成违规，他将为此每天**罚**俱乐部五百英镑。

Hettie, who had worked for the corporation's predecessor for fifty years, read the letter slowly and said that it was an interesting document: "The corporation **claims** to own the stadium. I typed the deed in nineteen sixty-two, and I remember it because the owner's wife brought me an iced bun. There was no such clause as your clients have found. If they have it, someone added it afterwards."

为公司前身工作了五十年的赫蒂缓缓读完信，说这是份有趣的文件："公司**声称**拥有体育场。地契是我 1962 年打字的，我记得因为老板娘给我带了一个糖霜小面包。没有你们客户找到的那种条款。如果他们有，那是后来有人加的。"

The lawyer smiled, as men do who have not yet understood. "Madam, a memory is not evidence." "No," said Hettie, **enchantingly**, "but a shorthand notebook is. I have every notebook I ever filled, fifty years of them, in a **tin** trunk under my bed, because I do not throw away paper."

律师微笑，就像还没明白的人那样。"女士，记忆不是证据。""不是，"赫蒂**迷人地**说，"但速记本是。我填过的每本笔记本我都有，五十年的，放在床下的**铁皮箱**里，因为我从不扔纸。"

At the hearing, three weeks **later**, in a courtroom that smelled of damp wool and ink, the corporation's counsel opened with a **restrictive** argument: the deed, in his **contention**, was **comprehensive**, no oral testimony could alter it, and the club, as a tenant at will, had no standing.

三周后的听证会上，在一间有湿羊毛和墨水味的法庭里，公司的律师以一个**限制性的论点**开场：他主张地契是**全面的**，口头证词不能更改它，而俱乐部作为随意租户没有资格。

Hettie, whom the judge called as a witness, rose in her best **robe**, a green coat she had worn to her husband's funeral, and was sworn; she explained in a clear, gentle voice that a stenographer is a person who sits in the corner and remembers everything and is thought to remember nothing.

被法官传唤为证人的赫蒂穿着她最好的**长袍**，一件她参加丈夫葬礼时穿过的绿外套，站起宣誓；她用清晰温和的声音解释说，速记员是坐在角落里记住一切却被认为什么也记不住的人。

The judge, an elderly man with a face like a boiled egg and eyes of a mild, terrible curiosity, asked to see the notebooks, and the clerk, who had once taken a shorthand course, was asked to read aloud the entry for the fourteenth of March, 1962.

法官是位老人，脸像水煮蛋，眼里是温和而可怕的好奇，要求看那些笔记本，曾上过速记课程的书记员被要求大声读出 1962 年 3 月 14 日的条目。

The clerk read: "Mr. Tarrant dictates the deed of transfer: the stadium and its ground to the Barrow Fell Welfare Committee, for the use of the **citizens** of the town, to **perpetuate** the memory of the dead of nineteen thirteen." "And the clause?" said the judge. "There is no clause."

书记员念道："塔兰特先生口述转让契约：体育场及其场地转让给巴罗福尔福利委员会，供镇上**公民**使用，以**永久纪念**一九一三年的逝者。""那么条款呢？"法官问。"没有条款。"

The courtroom, which until then had been a place of procedure, became briefly a place of silence; the corporation's **finding** of the clause was, if one wished to be kind, an oversight, and if not, a forgery, and the judge's **remark**, which was recorded, was: "I would rather not choose."

法庭此前一直是程序之地，此刻短暂成为寂静之地；公司对那条款的“**发现**”，往好里说是疏忽，往坏里说是伪造，法官的**话**被记录在案：“我宁愿不做选择。”

After a recess he ruled that the deed of 1962 stood and that the stadium belonged to the Welfare Committee, which was to say to the citizens of Barrow Fell, that the corporation's claim was dismissed, and that the matter of the clause was referred to the police, who, in the persons of a stout inspector and a young **policeman**, set off at once for the corporation's headquarters in a **taxi**.

休庭后他裁定 1962 年的地契有效，体育场归福利委员会所有，也就是说归巴罗福尔的公民，公司的主张被驳回，条款一事移交警方，警方以一位粗壮的督察和一位年轻**警员**为代表，立即**乘出租车**前往公司总部。

The Barrow Fell Echo summarised the week in a column that Hettie cut out and kept in the tin trunk: "**Thus** ended, in an **unpredictable breakthrough** of paper and memory, a dispute that had hung over the town like an **emission** from a chimney."

《巴罗福尔回声报》用一个专栏总结了这一周，赫蒂把它剪下来放进铁皮箱：“就**这样**，在纸张与记忆**出人意料**的**突破**中，一场像烟囱**排放**物一样悬在镇上空的争端结束了。”

"The story is a **chronicle** of how an old woman's **labor**, a tin trunk and fifty years of unfashionable exactness defeated a corporation that had mistaken the **marginalized** for the **negligible**."

“这个故事是一部**编年史**，记录一位老妇人的**劳作**、一只铁皮箱和五十年不合时宜的精确，如何击败了一家把被**边缘**化的人误当作**微不足道**的人的公司。”

"The **hypocrisy** of **those** who spoke of regeneration while forging a clause has been noted; the **criterion** by which a town should judge itself, as the judge said, is not by what it can sell but by what it keeps."

“**那些**一边谈再生一边伪造条款的人的**虚伪**已被记录在案；正如法官所说，一个镇子评判自己的**标准**不是它能卖掉什么，而是它留住什么。”

"**Envy** of Barrow Fell has been reported in four neighbouring towns, a **bizarre** emotion for a place that two years ago was a joke; **oftentimes** in history, as in football, the thing that **overwhelms** the favourite is the thing it forgot to fear."

“四个邻镇都报告了对巴罗福尔的**嫉妒**，对一个两年前还是笑话的地方来说，这是种**奇怪的**情绪；历史上和足球中**经常**如此，**压倒**热门者的，是它忘记去害怕的东西。”

"The Echo, which does not do praise, makes an exception for Mrs. Hettie Voss, for Dr. Ruth Calloway and for the eleven men and one lamp who have **nurtured**, on a hillside in the rain, a hope."

“不称赞任何人的《回声报》对赫蒂·沃斯太太、露丝·卡洛韦博士，以及在雨中山坡上**培育**出一个希望的十一名男子和一盏灯破例。”

The column was pinned in the changing room beside the lamp, and the team, who read it aloud **noisily** in the voice of a headmaster, were **due** to play the league leaders on Saturday at a **venue** that, for the first time in three years, was theirs without argument.
那篇专栏被钉在更衣室灯旁边，球队用校长的腔调**吵吵嚷嚷**地大声朗读它，他们周六**应**与联赛榜首交手，**场地**三年来第一次毫无争议地属于他们。

But Dev, the goalkeeper, did something that none of them had expected: he caught a cold, and the **influenza** went through the squad in a week, so that seven of the eleven were in bed, and Hettie, as the **parent** of the whole enterprise, moved into the club's bar with a pot of soup, a thermometer and an **electric** heater, and **disinfected** the changing room with a spray that smelled of pine and old sins.
但守门员德夫做了件谁都没料到的事：他**感冒**了，流感一周内席卷全队，十一人中七人卧床，赫蒂作为整个事业的**家长**，搬进俱乐部酒吧，带着一锅汤、一支体温计和一台**电暖器**，用一种散发松木和旧罪味道的喷雾给更衣室**消毒**。

The match was on the **eve** of April; the temperature at kick-off was minus three **Celsius**, and a **fog** lay on the pitch so thick that the referee carried a torch; the Miners had nine fit men, two boys from the youth side and Dev, who had a temperature and a determination.
比赛在四月**前夕**；开球时气温零下三**摄氏**度，球场上的**雾**浓到裁判拿着手电筒；矿工队有九个健康球员、两个青年队的男孩，和发着烧又下定决心的德夫。

The first half was a **drama** played in a cloud: the ball loomed out of the fog like a sudden planet, the players were ghosts in shirts, and the visitors, a club of a different class, took the lead through a goal that nobody saw, including the referee, who gave it by the sound of the net.
上半场是在云中上演的**戏剧**：球像一颗突然出现的行星从雾里浮现，球员是穿球衣的幽灵，实力不在一个档次的客队靠一个没人看到的进球领先，包括裁判，他凭网的声音判了进球。

At half-time the Miners trooped into the changing room, where Hettie had hung the lamp, in a **state** of **opaque** despair; Ruth, who had never given a team talk in her life, found herself unable to give an **effective** one, and she stood there with a flask of tea and said the only true thing she knew: "A **slow** start is not a **fatal** one. **These** men have a lamp and a deed. You have a second half."
中场休息时，矿工们在**晦暗**的绝望中鱼贯走进更衣室，赫蒂已把灯挂在那里；一辈子没做过赛前动员的露丝发现自己做不出**有效的**动员，她拿着一壶茶站在那里，说出她知道的唯一一句真话："起步**慢**不是**致命的**。**这些**人有一盏灯和一份地契。你们有下半场。"

Barney, the captain, stood and said that he had a **mental** picture of the goal, nine squares, seventy per cent top left; he meant to **act** on it, and the youth-team boys, who had never been spoken to by a captain, listened with their mouths open.
队长巴尼站起来说，他**脑子里**有一幅球门的图，九个格子，百分之七十在左上角；他打算照此**行动**，从没被队长搭过话的青年队男孩们张着嘴听。

In the second half the Miners did something absurd: they let the visitors have the ball and pressed them in packs, and the effort was like a **pump**, a slow, relentless action that squeezed the middle of the pitch, so that the visitors, who were used to space, began to **shout** at each other.

下半场矿工们做了件荒唐的事：让客队拿球，成群地逼抢，这种努力像一台**泵**，一种缓慢无情的动作，挤压着场地中央，习惯有空间的客队开始互相**大喊**。

In the sixtieth minute, from a free kick on the edge of the box, Barney **poked** the ball through the fog onto the **post**, from where it rebounded off the back of the visitors' goalkeeper and into the net, a goal of such physical improbability that Ruth, who had calculated it, let out a **giggle** of pure joy.

第六十分钟，禁区边缘的任意球，巴尼把球穿过雾**捅**到**门柱**上，球从那里弹到客队守门员背上进了网，这是个物理上如此不可能的进球，计算过它的露丝发出一声纯粹喜悦的**咯咯**笑。

The equaliser lit the crowd: eight hundred people, eight times more than the year before, roared in a way that made the fog **shiver**, and Hettie, in the front row with a tartan blanket, did not shout but simply raised her pencil and wrote in shorthand, "Level."

扳平球点燃了人群：八百人，是前一年的八倍，发出让雾**颤抖**的吼声，赫蒂坐在前排，裹着格子毯，没有喊，只是举起铅笔，用速记写下：“平。”

At eighty-five minutes the visitors **rushed** forward, and Dev, sweating through a fever, stood in the goal like a post; a shot came, low and hard, to his right, and he went down, hollow-boned and feverish, and saved it with his foot, and the ball spun away, and the whistle went.

八十五分钟时客队**猛冲**，发着高烧、汗透衣衫的德夫像根门柱一样立在球门里；一脚低而劲的射门打向他的右侧，他倒下，骨头发空又滚烫，用脚扑出了球，球旋转着飞走，哨声响了。

It was a draw, and a draw was what they needed, a point that on the arithmetic of the table kept them second with four games to play; and in the tunnel the players met the visitors' manager, a veteran with a face like a map of a bad road, who looked at the lamp on the wall and said, "Where did you get that?"

平局，而平局正是他们需要的，一分在积分榜的算术上让他们保持第二，还剩四场比赛；在球员通道里，球员们遇到客队主教练，一位脸像坏路地图的老将，他看着墙上的灯问：“你们从哪儿弄来的？”

"My ancestors," said Barney. "Mine too," said the manager, "but we sold ours."

“我的祖先，”巴尼说。“我的也是，”主教练说，“可我们把它卖了。”

The next four games were a **progression**, each harder than the last: a wet pitch, a hostile crowd, a referee who seemed to dislike the colour red, and a team from the next valley whose manager was a notorious **cock** of the walk and whose supporters, an **adversarial** bunch with a drum, had to be stopped from **invading** the pitch.

接下来的四场比赛是一个**递进**，一场比一场难：湿滑的场地、敌意的观众、一位似乎讨厌红色的裁判，以及邻谷的一支球队，其教练是个臭名昭著的**趾高气扬者**，其支持者——带着一面鼓的**敌对**一伙——得有人拦着才不至于**冲入**球场。

Ruth, who had resolved to feel nothing **whatsoever** about football, found herself in the stand at each match with a **pinch** of salt in her pocket, a tin of mints, a pencil and a pulse of a hundred and ten.

决心对足球**毫无**感觉的露丝，发现自己每场比赛都坐在看台上，口袋里有**一撮**盐、一盒薄荷糖、一支铅笔，脉搏一分钟一百一十下。

She **re-evaluated** everything, her formulas, her career and her attitude to rooms full of men, and in the evenings she and Hettie sat in the kitchen of the old terrace and **ate** toast and talked, as Hettie did, with her late **spouse**, Walter, who had been dead for twenty-two years, which did not prevent his presence at the table.

她**重新评估**了一切，她的公式、她的事业，以及她对满是男人的房间的态度，晚上她和赫蒂坐在旧排屋的厨房里**吃**吐司，赫蒂像往常一样与已故的**丈夫**沃尔特说话，他已去世二十二年，这并不妨碍他出现在桌边。

In the third match the Miners won by a single goal from a penalty; in the fourth, by two goals to nil; and in the last home game, on a **warm** April afternoon of the kind that makes people forget there was ever a winter, they beat the team from the next valley by four goals to one, and the supporters with the drum went home **gently**, with the drum under an arm like a sleeping child.

第三场矿工队靠一个点球以一球取胜；第四场二比零；最后一场主场比赛，在一个让人忘记曾有过冬天的**温暖**四月午后，他们以四比一击败邻谷球队，带鼓的支持者**轻轻地**回家，鼓夹在腋下，像一个熟睡的孩子。

Promotion was secured by arithmetic on a Tuesday, when the rival team lost; Hettie heard it on the radio in the kitchen and said nothing, then rose, took a **bulb** from the cupboard and screwed it into the lamp in the changing room, which she had wired herself to be electric, "in case," she said, "of a night match in the first division."

升级是在周二靠算术确保的，当时对手输了球；赫蒂在厨房里从收音机里听到，一言不发，然后起身，从橱柜里拿出一个**灯泡**，拧进更衣室的灯里，那盏灯是她自己接了线弄成电的，“以防，”她说，“在甲级联赛有夜场比赛。”

"集体"周四在汽车旅馆酒吧喝着**啤酒**下注：阿尔夫以三比一押图书管理员，伯特押收银员，相信**策略**的退休**步枪**教官上校押蒂莉自己会失败。

Meanwhile Tilly, in her cottage, drew a **sketch** of the dam in coloured chalk on the kitchen table, with **arrows** to show where each woman would approach, at what time and **along** which path; she had a **spatial** mind of great precision and a love of choreography, and she regarded the lunar eclipse, due at eleven forty, as a stage set provided by heaven.

与此同时，蒂莉在小屋里用彩色粉笔在厨房桌上画了一张水坝**草图**，**箭**头标出每位女士将从哪里、何时、**沿**哪条路接近；她有极其精确的**空间**头脑和对编排的热爱，她把十一点四十分的月食看作上天提供的舞台布景。

The librarian, Miss Dunn, was told that a **prehistoric** stone discovered in a drainage trench near the dam needed to be catalogued before the **frost**; she was a poet, and prehistoric stones were to her a sort of rhyme with time.

图书管理员邓小姐被告知，在水坝附近的排水沟里发现的一块**史前**石头需要在**霜冻**前编目；她是诗人，对她来说史前石头是一种与时间押的韵。

The cashier, Pip, was told that the store's **freight**, which included a case of **strawberries**, would arrive late and had to be collected from the lorry park at the **edge** of the dam road; she suspected a trap, but strawberries are strawberries.

收银员皮普被告知商店的**货运**，包括一箱**草莓**，会晚到，需要从水坝路**边缘**的货车停车场取；她怀疑有圈套，但草莓就是草莓。

The secretary, Miss Corbett, was told nothing; she had been invited to **observe** the eclipse with the parish council from the roof of the motel, and she said that she would come if the budget allowed, and the budget did.

秘书科比特小姐什么也没被告知；她被邀请与教区议会一起在汽车旅馆屋顶**观看**月食，她说如果预算允许就去，预算允许。

Oswin, in his van, with a bag of wrenches and a flask of tea, reached the top of the dam at ten fifty; the moon, just **beginning** to enter the earth's shadow, was a bright coin with a bite out of one edge, the reservoir behind him lay like a sheet of black glass, and the village below was a handful of lights.

奥斯温坐在货车里，带着一袋扳手和一壶茶，十点五十分到达水坝顶；月亮刚**开始**进入地球的影子，是一枚边上被咬了一口的亮硬币，身后的水库像一块黑玻璃，下面的村子是一把灯光。

He had never been so frightened; he checked the pipe, found it dry and then sat on the van's bumper like a man waiting for a dentist, while the moon dimmed and a **ray** of reddish light fell across the water.

他从没这么害怕过；他检查管道，发现是干的，然后坐在货车保险杠上，像个等牙医的人，而月亮渐暗，**一道**红色的光落在水面上。

The first to arrive, in boots and a tweed **skirt**, with a notebook in one hand and a torch in the other, was the librarian. "Mr. Prill," she said, "I am here about a stone." "I am here," said Oswin, "about a leak." They **glanced** at each other and at the dry pipe, with the look of two people who have understood at once that they are in a play and are not sure who wrote it.

第一个到的是图书管理员，穿着靴子和花呢**裙**，一手拿笔记本，一手拿手电筒。“普里尔先生，”她说，“我是为一块石头来的。”“我是，”奥斯温说，“为一处渗漏来的。”他们互相**瞥**了一眼，又瞥了一眼干燥的管道，神情像两个立刻明白自己在一场戏里、却不确定谁写了剧本的人。

Then the cashier arrived with a basket of strawberries and a face of suspicion, and behind her, almost at once, in a shower of gravel, came a car that nobody had expected: the car of the **Dean** of St. Aldric's College, a tall man in a duffel **jacket** who had lost his way on the road to the north and who stepped out into the shadow of the eclipse like a man stepping into a church.

然后收银员带着一篮草莓和一张怀疑的脸到了，在她身后几乎同时，一辆没人料到的车在一阵砾石声中驶来：圣奥尔德里克学院**院长**的车，一个穿粗呢**夹克**的高个子男人，在去北方的路上迷了路，走进月食的阴影，像走进教堂的人。

The Dean, Dr. Felix Ashworth, a **lover** of Latin and fish, had been driving for six hours to a conference in the **northwest** and had lost himself in a landscape that in the dark looked like the end of the earth: a dam, a van, a moon being eaten by its own shadow, three people standing on a ledge in the cold with a basket of strawberries, and a **wolf**.

院长费利克斯·阿什沃思博士**热爱**拉丁文和鱼，驱车六小时去**西北部**参加会议，在黑暗中迷失于一片看起来像世界尽头的风景：一座水坝、一辆货车、一个被自己的影子吞噬的月亮、三个在寒冷中站在窄台上提着草莓篮的人，还有一只**狼**。

Not a real wolf: Pip's collie, Bandit, who had followed her and who in the half-light, with the red moon behind him, looked like an animal from a prehistoric cave, and the Dean, who was a man of imagination, took a step back and then a step forward, and **imagined**, for one wild second, that he had driven into the first **millennium**.

不是真狼：是皮普的柯利犬班迪，它跟着她来了，在半明半暗里，背后是红月亮，看上去像史前洞穴里的动物，富有**想象**力的院长后退一步又前进一步，疯狂地想象了一秒，自己已驶入了第一个**千年**。

The Dean had never in his life sat in the dark with three strangers to watch an eclipse, but the **occurrence** had a way of making formalities fall away, and they sat in a row on the edge of the dam, the poet, the cashier, the Dean and the plumber, passing the strawberries, and for ten minutes nobody said anything, which was a kind of conversation.

院长一生中从没和三个陌生人坐在黑暗里看过月食，但**这件事**有办法让客套消失，他们在水坝边缘排成一排坐下，诗人、收银员、院长和水管工，传递着草莓，十分钟里没人说话，这也是一种交谈。

The poet broke the silence: she recited softly four lines she had written about the moon as a coin **spent** by God in the market of the night, and the plumber said, to his own astonishment, "That is good. It has a good rhythm. Like a pump."

诗人打破了沉默：她轻声朗诵了自己写的四行关于月亮的诗，说它是上帝在夜之集市上**花掉**的一枚硬币，水管工惊讶于自己说出："很好。节奏很好。像水泵。"

Everybody laughed, Oswin blushed, and the Dean, who was also a **teacher** and had a teacher's eye for the moment when a **student** surprises himself, asked what pipe he would choose for a poem.

所有人都笑了，奥斯温脸红了，同样身为**教师**、对**学生**让自己吃惊的时刻有教师眼力的院长问他会为一首诗选哪种管子。

At the bottom of the dam, on the roof of the motel, the Collective watched through binoculars while the Colonel scribbled the odds and quietly changed them: "Evens on the plumber and the poet, seven to one on the Dean, a hundred to one on the cashier and a thousand to one on the secretary, who has not yet been seen."

在水坝下，汽车旅馆屋顶上，"集体"用望远镜观看，上校草草记下赔率并悄悄修改："水管工和诗人是一赔一，院长是七赔一，收银员是一百赔一，还没露面的秘书是一千赔一。"

The secretary, Miss Corbett, had indeed not yet been seen, **because** she had been delayed by a spreadsheet; and when at last she arrived on a bicycle, breathless, with a clipboard, and looked at the scene of four people, a collie and a basket, she said in the voice of a woman reading a report: "There is a **financial** irregularity here."

秘书科比特小姐确实还没被人看到，**因为**她被一张电子表格耽误了；当她终于骑着自行车、气喘吁吁、带着记事板赶到，看着四个人、一条柯利犬和一只篮子的场面时，她用读报告的声音说："这里有**财务**上的不规范。"

"A financial irregularity?" said Oswin. "In the parish accounts," said Miss Corbett, "for the last three **fiscal** years eleven thousand pounds has been spent on the maintenance of the dam, and not one pound has reached it; the council **overpays** a company called **Ownership** Solutions to inspect a dam that it has never inspected."

"财务上的不规范？"奥斯温问。"在教区账目里，"科比特小姐说，"过去三个**财政**年度，花了一万一千英镑用于水坝维护，而一英镑也没到达水坝；议会向一家叫'**所有权**方案'的公司**多付**钱，让它检查一座从没检查过的水坝。"

"And how do you know," said the Dean, "that nothing reached the dam?" "Because of this," she said, and she held up her torch: its beam fell on the face of the dam, where a dark stain in the shape of a hand had spread across the concrete, and from the stain, in a thin bright line, water was trickling, in the red moonlight the colour of wine.

"你怎么知道，"院长问，"没有任何东西到达水坝？""因为这个，"她说着举起手电：光束落在水坝面上，那里一块手形的深色污渍在混凝土上扩散，从污渍中，一条细而亮的线，水在渗出，在红色月光下是酒的颜色。

Oswin, who had been sent to find a leak that did not **exist**, found one that did: he climbed down into the **bowel** of the dam, the maintenance gallery, and by torch saw the concrete weeping; he had a plumber's ear and heard the water in the wall like a whisper, and he knew with the clarity of a professional that this was no trifle.

奥斯温本被派去找一处不**存在**的渗漏，却找到了一处真实的：他爬进水坝的"**内脏**"，即维护廊道，在手电光下看到混凝土在流泪；他有水管工的耳朵，听见墙里的水声像低语，并以专业人士的清醒知道这不是小事。

"It is a seep," he said. "Small now. But the **substance** of the concrete is **soaked**, and if the frost gets into it, the pressure behind will **inflate** the crack and the leak will **double**."

"这是渗漏，"他说，"现在很小。但混凝土的**物质**已经**浸透**，如果霜冻进入，后面的压力会让裂缝**膨胀**，渗漏会**翻倍**。"

"How long?" "Overnight, perhaps, or a week; the **duration** is uncertain."

"多久？""也许一夜，也许一周；**持续时间**不确定。"

Down in the village nine hundred people were asleep or standing on porches to see the moon, and Wolf Hollow lay in the path of the reservoir like a shell in the path of a wave; if the dam failed, the **destruction** would be total, and by morning nothing would exist of the valley.
山下村里，九百人在睡觉，或站在门廊上看月亮，狼谷躺在水库的路径上，像一枚贝壳躺在浪的路径上；如果水坝溃决，**毁灭**将是全面的，到早晨山谷里将什么都不存在。

"Do not **panic**," said the Dean, who was panicking, but in Latin.
“不要**惊慌**，”院长说，他正在惊慌，不过是用拉丁语。

Panic was precisely what Tilly's scheme had not allowed for: in her ledger there was no column for floods.
恐慌恰恰是蒂莉的计划没有考虑到的：她的账簿里没有洪水那一栏。

On the motel roof the Collective, who had seen the torches waving on the dam and the dark stain on the concrete through their binoculars, began to feel it too, and the Colonel, who had once served in a regiment of engineers, dropped his glass and said: "Gentlemen, that is not a romance."
汽车旅馆屋顶上，通过望远镜看到水坝上挥舞的手电和混凝土上深色污渍的“集体”也开始感到了，曾在工兵团服役的上校放下望远镜，说：“先生们，这不是一场罗曼史。”

He rang the **constable**, a stout man with a moustache and an **orientation** towards doughnuts, who arrived in four minutes with a siren and a face the colour of putty.
他打电话给**警官**，一个留着胡子、**倾向**于甜甜圈的粗壮男人，四分钟后带着警笛和一张灰泥色的脸赶到。

In an emergency a village discovers its true **hierarchy**, and Wolf Hollow's, it turned out, had little to do with the parish council: the constable, who had the siren, was nominally in charge, but he turned at once to Miss Corbett, who had the facts, to Oswin, who had the skills, and to Tilly, who had arrived by taxi in her dressing gown with the ledger under her arm and an expression of divine annoyance.
紧急时刻，村子发现自己真正的**等级**，而狼谷的，事实证明，与教区议会关系不大：握着警笛的警官名义上负责，但他立刻转向有事实的科比特小姐、有技能的奥斯温，以及乘出租车赶来、穿着睡袍、腋下夹着账簿、带着神圣恼怒表情的蒂莉。

"I **nominate** Mr. Prill to take charge," said Tilly, "I second the motion, and I **veto** any attempt by anybody to hold a meeting."
“我**提名**普里尔先生负责，”蒂莉说，“我附议，并**否决**任何人开会的企图。”

constable n. 治安官，警官，巡警
orientation n. 方向，定位，取向，(任职、上学等之前的)培训

Oswin took charge, which surprised him less than it surprised the village, and he **delegated**: the constable was to rouse the town by **telephone**; the Dean was to read the technical manual in the maintenance room, since he alone among them could read a diagram in four languages; the cashier was to organise the sacks, the **garbage** bags and the **dirt**; and the poet was to count.

奥斯温接管了，这让他比让村子更不吃惊，他**分派**任务：警官用**电话**叫醒全镇；院长到维护室读技术手册，因为他是他们中唯一能读四种语言图纸的人；收银员组织麻袋、**垃圾**袋和**泥土**；诗人负责数数。

"Why me?" said the poet. "Because poets count syllables," said Oswin. "You will count the minutes between each drip, and if it speeds up, shout."

“为什么是我？”诗人问。“因为诗人数音节，”奥斯温说，“你数每次滴水之间的分钟数，如果变快，就喊。”

By midnight the village, awakened by telephones and sirens and the thunderous voice of the Colonel with a megaphone, had assembled in the lane below the dam in dressing gowns, wellingtons and pyjamas, a crowd of three hundred, with the **rally** of a people who have been told that they might **die** and have decided to be annoyed instead.

午夜时，被电话、警笛和上校用扩音器发出的雷鸣般声音唤醒的村民，穿着睡袍、胶靴和睡衣聚集在水坝下的小巷里，三百人，带着一群被告知可能会**死**却决定转为恼火的人的那种**士气**。

Oswin explained the plan from the back of a truck: they would lower the reservoir by opening the sluice, which was **rusted** shut, and they would reinforce the stain with sandbags and a blanket of clay, and he needed every pump, every tractor and every pair of hands in the valley; and a boy on a motorbike began to run **errands** up and down the lane.

奥斯温在卡车后斗上解释计划：他们将通过打开水闸来降低水库水位，那闸门已**锈死**，并用沙袋和黏土毯加固污渍，他需要山谷里每台水泵、每台拖拉机和每双手；一个骑摩托车的男孩开始在巷子里来回**跑腿**。

The farmers brought tractors and pumps; the **livestock** were led uphill by children with the grave expressions of shepherds in an old story; and the Dean, who had not lifted anything heavier than a Latin dictionary since 1987, was seen carrying two sacks at once with a face of complete bewilderment and joy.

农民带来了拖拉机和水泵；**家畜**被孩子们领上山，他们带着旧故事里牧羊人那种庄重的表情；自 1987 年以来没提过比拉丁语词典更重东西的院长被看到同时扛着两只麻袋，脸上是全然的困惑与喜悦。

The work went on through the hours of the eclipse and beyond: at two the sluice, after a battle of oil, brute force and Latin curses, gave a shriek like a pig and began to move by inches, the reservoir fell a centimetre and then three, and the **townsfolk**, standing in a line of three hundred, passed sandbags from hand to hand from the lane to the dam in a chain that was, to the Dean's eyes, the most beautiful structure he had ever seen.

工作持续了整个月食时段并延续下去：两点，水闸经过一场油、蛮力和拉丁诅咒的战斗，发出猪一样的尖叫，开始一寸寸移动，水库降了一厘米，然后三厘米，三百人排成一线的**镇民**把沙袋从巷子手传手送到水坝上，在院长眼里，这是他见过的最美的结构。

The danger, which had been **imminent**, was now present: at three the poet cried out that the drips had doubled, and at four that the interval between them had **halved**, which was worse, because the pressure behind the crack was increasing, and a stain the size of a dinner table now covered the face of the dam.

危险原本是**迫近**的，现在已在眼前：三点诗人喊水滴翻倍了，四点喊它们之间的间隔**减半**了，这更糟，因为裂缝后的压力在增加，一块餐桌大小的污渍现在覆盖了水坝表面。

There was nothing for it but to go **deep**: Oswin took a ladder, a sheet of rubber, a bucket of quick-setting cement and a **screw** jack, and climbed down into the gallery in the bowel of the dam to patch the leak from the inside, a job that no plumber had ever done in the dark under the weight of a sea.

除了**深入**别无他法：奥斯温带着梯子、一块橡胶板、一桶速凝水泥和一个**螺旋**千斤顶，爬进水坝内脏的廊道，从内部修补渗漏，这是没有水管工在黑暗中、在一片海的重量之下干过的活。

"Mr. Prill," said Miss Corbett at the head of the ladder, "I wish to state for the record that in my career I have never permitted a plumber to descend a ladder without a risk assessment." "Noted," said Oswin. "And?" "And that I approve."

“普里尔先生，”科比特小姐站在梯顶说，“我想声明在案，在我的职业生涯中，我从没允许过一名水管工在没有风险评估的情况下爬下梯子。”“已记录，”奥斯温说，“还有呢？”“还有，我批准。”

She did something that surprised them both: she tied the end of her long grey scarf to his belt, a lifeline of wool, and held the other end with both hands, with the **solemn** look of a woman holding a budget.

她做了件让两人都吃惊的事：把自己的灰色长围巾一端系在他的腰带上，一条羊毛生命线，两手握住另一端，神情**庄重**，像握着预算的女人。

Down in the gallery the noise was incredible, with water drumming on the walls and the concrete sweating and the torchlight shaking, and in a niche at the bottom he found the **emitter** of the dam's alarm system, a box with a red eye that should have sent a warning to the town hall and that, he saw, had been disconnected three years earlier by someone who had found it annoying.

廊道里噪音惊人，水击打着墙壁，混凝土在出汗，手电光在颤抖，在底部的一个壁龛里他发现了水坝报警系统的**发射器**，一个红眼睛的盒子，本应向镇公所发出警告，而他看出它三年前被某个觉得它烦人的人断开了。

He worked for an hour: he packed the crack with cement, laid the rubber over it, clamped it with the jack and sealed the edges with a paste of clay; the water slowed, then dripped, then stopped, and he leaned his forehead on the cold wall and said a word that was neither a prayer nor a curse but something of both.

他干了一个小时：用水泥填缝，把橡胶铺在上面，用千斤顶压紧，边缘用黏土糊封；水慢下来，然后滴，然后停了，他把额头靠在冰冷的墙上，说了一个既不是祈祷也不是诅咒却兼有两者的词。

He climbed back up the ladder hand over hand along the scarf to the open air, where the moon was returning from its shadow, brighter than before, and a hundred people were waiting in silence in an arc round the top of the dam; in front of them stood Miss Corbett, white-faced, holding the scarf, and beside her the poet, the cashier and the Dean, who had each, in their own way, been counting.

他沿着围巾手脚并用地爬回梯子顶到露天，月亮正从阴影里回来，比以前更亮，一百个人在水坝顶部呈弧形默默等待；站在他们前面的是脸色苍白、握着围巾的科比特小姐，旁边是诗人、收银员和院长，他们各以自己的方式一直在数数。

At dawn, in a light as pale as milk, the village sat down in the lane among mud, tea and sacks and ate whatever the motel could supply, bacon and a **fountain** of toast; nobody spoke for an hour, and they looked at the dam, which stood grey and solid with a patch of cement on its face like a plaster on a knee.

黎明，在像牛奶一样苍白的光线里，村民们坐在小巷的泥、茶和麻袋之间，吃汽车旅馆能提供的一切，咸肉和一座吐司**喷泉**；一小时里没人说话，他们看着水坝，它灰色而坚固地矗立着，脸上贴着一块水泥补丁，像膝盖上的创可贴。

Oswin sat on the bumper of the van with a mug in both hands and a bone-deep tiredness, covered in clay, cement and glory, and when Miss Corbett came and sat beside him in her ruined scarf, nobody said anything, but the **entire** valley, from the Colonel to the **baby** in the pram, had the decency to look the other way.

奥斯温坐在货车保险杠上，双手捧着杯子，疲惫入骨，浑身是黏土、水泥和荣耀，当科比特小姐穿着毁掉的围巾来到他身边坐下，没有人说话，但**整个**山谷，从上校到**婴儿**车里的婴儿，都有礼貌地看向别处。

emitter n. 发射器，发射体

fountain n. 喷泉，泉水，源泉

entire a. 全部的，整个的

baby n. 婴儿，幼崽，幼稚的人；a. 婴儿的，幼小的，(蔬菜)小型的

"Thank you," she said. "For going down." "Thank you," he said, "for holding the scarf." "It was not a difficult duty," said Miss Corbett. "You did all the work." "You did the part that mattered."

“谢谢你，”她说，“下去了。”“谢谢你，”他说，“握住围巾。”“这不是个困难的职责，”科比特小姐说，“你做了所有的工作。”“你做了重要的那部分。”

"You could have been lost," she said, "but my arithmetic is good and my knots are better." It was, Oswin realised, the first joke she had ever made, and she had made it in the voice of a funeral announcement; he began to laugh, helplessly, with the weakness of a man who has been terrified and is no longer, and she, who had never laughed in public, laughed too, in a high, startled, delighted voice like a kettle.

“你可能会迷失，”她说，“但我的算术很好，我的结更好。”奥斯温意识到，这是她说过的第一个笑话，用的是讣告般的声音；他无助地笑了起来，带着一个曾经被吓坏、现在不再害怕的人的虚弱，而从未当众笑过的她也笑了，声音又高又惊讶又愉快，像水壶。

The Collective, watching from the roof, had by now stopped betting; the Colonel put down his pencil, Alf said softly, "There goes the three to one," and Bert said, "And the seven to one," and the Colonel said, "I always said Tilly would fail," and then noticed that Tilly was standing behind them in her dressing gown with the ledger open, and smiling.

在屋顶上观看的“集体”这时已不再下注；上校放下铅笔，阿尔夫轻声说：“三赔一没了，”伯特说：“七赔一也没了，”上校说：“我早说蒂莉会失败，”然后注意到蒂莉正穿着睡袍站在他们身后，账簿摊开，笑着。

"Gentlemen," she said, "I do not fail. I merely arrange for the right people to be in the wrong place at the right time." "The dam was not in the plan," said Bert. "The dam," said Tilly, "was an **element** I had not considered, and a matchmaker's first duty is to be flexible."

“先生们，”她说，“我不会失败。我只是安排合适的人在合适的时间出现在不合适的地方。”“水坝不在计划里，”伯特说。“水坝，”蒂莉说，“是我没考虑到的一个**元素**，而媒人的首要职责是灵活。”

The inquiry into the dam took a month: the constable, a diligent man in spite of his doughnuts, followed an invoice trail through a **printer's** shop and a firm of surveyors to the chairman of the parish council, Rufus Gatt, whose **cousin** owned Ownership Solutions and who had been paying himself for inspections that nobody did.

对水坝的调查花了一个月：警官尽管爱吃甜甜圈却很勤勉，顺着发票线索穿过一家**印刷**店和一家测量公司，查到教区议会主席鲁弗斯·加特，他的**表亲**拥有“所有权方案”公司，他一直在为没人做的检查付钱给自己。

He was charged with fraud and **abuse** of public office, and the parish took the role of **plaintiff** for the first time in its history; the trial, held in the village hall with the Dean as an unlikely character witness, lasted a day.

他被控欺诈和**滥用**公职，教区有史以来第一次扮演**原告**角色；审判在村礼堂举行，院长作为意想不到的品格证人，持续了一天。

The ledger, afterwards, was a document that Tilly **summarized** on a single page: Oswin Prill and Miss Corbett, matched, a result of **sustained** effort and a little luck; Miss Dunn, the poet, and Dr. Ashworth, a **promising** correspondence; Pip the cashier and the Colonel's grandson, a categorical success by any definition, though it had never been in the plan; and one failure, the Collective's bet.

之后蒂莉用一页纸**总结**了那本账簿：奥斯温·普里尔和科比特小姐，配对，**持续**努力加一点运气的结果；诗人邓小姐和阿什沃思博士，**有希望**的通信；收银员皮普和上校的孙子，按任何定义都是明确的成功，尽管从不在计划之内；还有一次失败，“集体”的赌注。

Dr. Felix Ashworth, who had meant to spend one night in Wolf Hollow, spent a week; the conference in the northwest was forgotten, and he found that a village is a larger and more **productive** classroom than a college, with a livelier **subject**, and in the evenings he discussed Virgil with the librarian, who corrected his pronunciation and his opinions.

本想在狼谷过一夜的费利克斯·阿什沃思博士待了一周；西北部的会议被忘了，他发现村庄是比学院更大、更**有成效的**课堂，**主题**更生动，晚上他与图书管理员讨论维吉尔，她纠正了他的发音和观点。

She wrote him poems and he wrote her letters in Latin with the translation underneath, so that she could correct them; the **pact** between them was that neither would ever write "my lover", a phrase they both thought a **cliché**, though each privately considered the thing it described to be the one **eternal** fact of the universe.

她给他写诗，他给她写拉丁文信，下面附译文，让她能改错；他们之间的**约定**是谁都不写“我的爱人”，两人都觉得那个词是**陈词滥调**，尽管各自私下都认为它所描述的东西是宇宙中唯一**永恒**的事实。

A national newspaper's **magazine** sent a journalist, a young man with a **leading** article already in his head and an expression of weary cynicism, who stayed for two days and left with his notebook full and his cynicism noticeably reduced; his piece, "The Matchmaker and the Dam", was **uplifting**, he conceded, in the way that bread is uplifting, and it did not **depress**.

一家全国性报纸的**杂志**派来一位记者，一个脑子里已有**头版**文章、一脸疲惫犬儒的年轻人，他待了两天，带着写满的笔记本和明显减少的犬儒离开；他的文章《媒人与大坝》，他承认，是**振奋**人心的，就像面包是振奋人心的那样，而且不令人**沮丧**。

The Collective, **humiliated** and delighted, bought a round for the whole motel bar and swore to place no more bets, saying that they were out of **practice**; the Colonel went so far as to hand Tilly an envelope containing the sum of every bet he had ever lost on her and a handwritten note: "For your next project: the Collective."

羞愧又高兴的“集体”请整个汽车旅馆酒吧喝了一轮，并发誓不再下注，说他们荒废了**练习**；上校甚至递给蒂莉一个信封，里面装着他押她输的所有赌注总和，还有一张手写便条：“给你的下一个项目：‘集体’。”

Tilly looked at the envelope; she looked at the three old men, who stood before her with the shy, scrubbed look of schoolboys; and she took out her ledger and turned to a fresh page and wrote at the top, in her tidy hand: "Number one, Alf. Role: sentimentalist. Prime candidate: Mrs. Hemp at the post office."

蒂莉看着信封；看着面前三位带着学童般羞涩、刷洗干净模样的老头；然后拿出账簿，翻到新的一页，在顶端用整齐的字迹写道："一号，阿尔夫。角色：多愁善感者。首选候选人：邮局的亨普太太。"

Oswin and Miss Corbett, whose first name, he discovered, was Winifred, became engaged in September in the maintenance gallery, at the exact spot where the cement patch showed, in a proposal that took eight words and a drip: "Winifred, will you **marry** a man who smells of pipes?" "Yes," she said, "provided the smell is documented."

奥斯温和科比特小姐——他发现她的名字叫温妮弗雷德——九月在维护廊道里订婚，就在水泥补丁露出的那个位置，求婚用了八个词和一滴水："温妮弗雷德，你愿意**嫁**给一个满身管子味的男人吗？""愿意，"她说，"前提是气味有记录。"

The wedding was in June, on top of the dam, because Tilly insisted that a monument should earn its keep; the bride wore grey, as always, with a hat of astonishing and **lovely** violet, and the groom wore a suit that smelled of mothballs and a tie that had belonged to the Colonel.

婚礼在六月，在水坝顶上，因为蒂莉坚持纪念碑应该自食其力；新娘一如既往穿灰色，戴一顶惊人而**可爱的**紫罗兰色帽子，新郎穿着一套樟脑味的西装，系着上校的领带。

The Dean, now a **benefactor** of the village in a way that nobody could define, gave the bride away; it turned out that he had a small **residence** in the next valley that he had never visited, which he now proposed to turn into a seminar house for the study of the parish, and he was, said Tilly, a man who had been looking for a **door** and had found a dam.

如今以无人能定义的方式成了村子**恩人**的院长把新娘交给新郎；原来他在邻谷有一处从没去过的小**住所**，现在提议把它改成研究教区的研讨馆，用蒂莉的话说，他是一个在找一扇**门**却找到了水坝的人。

The village brass band, with a **trumpet** that had lost its mouthpiece in 1987 and a drum repaired with the Colonel's belt, played a march; a choir of three schoolchildren sang a song in Latin that the Dean had taught them and none of them understood; and the poet read a poem about plumbing that made the groom blush to the roots of his hair.

村铜管乐队演奏了一首进行曲，用的是一支 1987 年丢了吹嘴的**小号**和一面用上校腰带修补过的鼓；三个学童组成的合唱团唱了一首院长教的拉丁语歌，没人明白意思；诗人朗读了一首关于管道的诗，让新郎一直红到发根。

marry v. 娶，结婚，嫁，结合

lovely a. 可爱的，好看的，美好的

benefactor n. 施惠者，捐助人，施主，恩人

A **diverse** crowd of five hundred stood on the grass below, farmers, tourists, the children from the school, the constable in full uniform, the fiddler from the **ethnic** Polish farm, and an Australian couple who had read the magazine article and come to see whether love could really be arranged by a woman with a ledger.

下面草地上站着五百名**多样的**人群：农民、游客、学校的孩子们、全副制服的警官、波兰**族**农场的小提琴手，以及一对澳大利亚夫妇，他们读了杂志文章，来看爱情是否真能由一个带账簿的女人安排。

After the vows there was a pause, and the bride lifted her veil and said in a clear voice, instead of "I do", "I should like it to be recorded that I have never been so happy, and that this admission has been made without coercion."

誓词之后有片刻停顿，新娘掀起面纱，用清晰的声音说的不是“我愿意”，而是：“我希望记录在案，我从没这么幸福过，并且这一承认是在没有胁迫的情况下作出的。”

The cheer went off the dam like a flock of birds, the Colonel fired his rifle into the air, the constable, who had arrested nobody in twenty years, arrested him with a flourish and then released him, and Tilly, in the second row in a hat the size of a cartwheel, was seen to do something the village had never seen her do: she cried, and did not wipe it away.

欢呼声像一群鸟一样从水坝上飞起，上校朝天放了一枪，二十年没逮捕过任何人的警官神气活现地逮捕了他，然后又放了，而第二排戴着车轮大帽子的蒂莉被看到做了一件村子从未见过她做的事：她哭了，并没有擦去眼泪。

That evening in the motel bar, under a wedding cake that was a perfect scale model of the dam with a tiny plumber on top, she opened the ledger for the last time that day and wrote, in the column headed "Outcome", a single word: "**Welcome**."

当晚在汽车旅馆酒吧里，在一个是水坝完美比例模型、顶上有个小水管工的婚礼蛋糕下，她那天最后一次打开账簿，在标着“结果”的一栏里写下一个词：“**欢迎**。”

The repair of the dam took two years and a million pounds and was done properly, under the eyes of an engineer from the county, a woman of such unyielding thoroughness that the villagers called her the Inspector of Everything, and who found in the dam's foundations a **neolithic** stone, a standing stone carved with a spiral, which had been buried there by the builders for reasons that remained a **mystery** and which became the village's chief attraction.

水坝的修复花了两年和一百万英镑，做得很规范，由县里一位工程师监督，她严谨到不屈不挠，村民们称她“万事督察”，她在水坝地基里发现了一块**新石器时代的**石头，一块刻着螺旋的立石，是建造者埋在那里的，原因仍是个**谜**，它成了村里最主要的景点。

本页单词

diverse a. 不同的，多种多样的

ethnic a. 种族的，民族的

welcome int. 欢迎；a. 受欢迎的；v. 欢迎，迎接；n. 欢迎，迎接

neolithic a. 新石器时代的

mystery n. 神秘，神秘的事物；n. 悬疑小说，推理小说；a. 神秘的，身份不明的

The stone gave the village a **boost**: the motel was upgraded by its owner, who did not dare to call it **luxury**, to "comfort"; a **jobseeker** from the city arrived and within a month was running a tourist office; her **co-worker**, a retired schoolmaster, **discerned** within weeks that the local walks were of exceptional **geographic** variety and wrote a guide so **artistic** that the parish published it in a limited edition.

这块石头给了村子一次**提振**：汽车旅馆被业主升级，他不敢称之为“**豪华**”，只说“舒适”；一位城里来的**求职者**到来，一个月内就管起了游客办公室；她的**同事**，一位退休校长，几周内**发现**本地的步行路线**地理**风貌变化非凡，写了一本**艺术**性如此之强的指南，教区出版了限量版。

The river ran cleaner: a test of **samples** taken by the Dean's students showed that the **pollution** of the upper reaches, caused by a farm that had been dumping into the stream, had ended with the village's new spirit of watchfulness, and the trout, which had been supposed extinct, returned in numbers to the pools below the dam, where they **lived** in a state of dignified surprise.

河水变清了：院长的学生采集**样本**的检测显示，一家向溪流倾倒废物的农场造成的上游**污染**，随着村子新的警觉精神而终止，被认为已灭绝的鳟鱼成群回到水坝下的深潭，在那里它们**过着**庄重惊讶的生活。

A **tennis** court was built behind the school with the money that the council recovered from Mr. Gatt's fraud; it was a bad court, with a crown and a net sagging like a smile, on which the Colonel played every morning in shorts that had not been fashionable since the war, with the ruthless **zeal** of a man who, after a **lifetime** of betting, had decided to play.

学校后面用议会从加特先生欺诈案中追回的钱建了一座**网球**场；那是个糟糕的球场，中间鼓起，球网下垂像一个微笑，上校每天早晨穿着自战争以来就不时髦的短裤在上面打球，带着一个赌了**一辈子**、决定亲自上场的人的无情**热忱**。

The old barn became a **theater**: the poet directed, the librarian built the sets, and the Dean translated into modern English a Latin comedy about a misguided matchmaker, which the village performed in the autumn to a sell-out crowd of nine hundred, the entire population plus guests, with Tilly in the front row laughing the loudest, under a **title** she disapproved of on principle: "The Rival Matchmakers".

旧谷仓变成了**剧院**：诗人导演，图书管理员做布景，院长把一部关于被误导媒人的拉丁喜剧译成现代英语，村里秋天演出，九百人的座无虚席，全村人口加客人，蒂莉坐在第一排笑得最响，**剧名**是她原则上不赞成的：《敌对的媒人》。

The Colonel took the role of the villain, and he did it so thoroughly that children crossed the road to avoid him for a week.

上校扮演反派角色，演得如此彻底，以至于孩子们一周内见到他都过马路躲着走。

In the third winter Tilly fell ill, an **illness** of the chest, serious enough to put the ledger away for two months, and the village, which had always thought of her as a natural feature, like the dam, discovered with a shock that she was mortal; it came to a **standstill**: nobody courted, nobody quarrelled and the Collective did not bet.

第三个冬天蒂莉**病**了，是胸部的病，严重到把账簿搁置了两个月，一向把她当作像水坝一样的自然景观的村子震惊地发现她是会死的；一切陷入**停顿**：没人求爱，没人争吵，“集体”也不下注。

The Dean came on a Friday with a bag of grapes and a **textbook** of **medicine**, which he read at her bedside in a voice of grave self-importance until she told him to stop; she informed him that she would die when she had finished and not before, and that she had not finished: she had forty names in the ledger.

院长周五带着一袋葡萄和一本**医学教科书**来，在她床边用庄重自负的声音朗读，直到她叫他停下；她告诉他，她会在做完事之后才死，不会提前，而她还没做完：账簿里还有四十个名字。

There was the matter of Pip's cousin Danny: he had arrived in the autumn, twenty-two, thin as a rake, with a rucksack and a history of **heroin**, and Pip had brought him out of the city in a van with a promise to his mother; he was in a state that doctors call withdrawal and that Alf called a long bad weather.

还有皮普的表弟丹尼的事：他秋天来到，二十二岁，瘦得像耙子，带着背包和**海洛因**史，皮普对他母亲许诺后用货车把他从城里接出来；他处于医生称为戒断、阿尔夫称为“长久坏天气”的状态。

At his wife's suggestion Oswin gave the boy a job: to go down with him to the gallery and pass the tools; the physical, repetitive, useful work in the cool dark with a man who did not talk was the best medicine the valley had, and the boy, who had hated everything including himself, began to hate a little less.

在妻子的建议下，奥斯温给了男孩一份工作：跟他下到廊道里递工具；在凉爽的黑暗中与一个不爱说话的人一起做体力、重复而有用的工作，是山谷里最好的药，恨一切包括恨自己的男孩开始恨得少一点了。

Pip, who had never been the type to preach, observed him with care, and she said that the important thing was not to **inflict** a plan on him: "You just leave the door open."

从不是爱说教那类人的皮普小心地观察他，她说重要的是不要把计划**强加**给他：“你只要把门开着。”

He had bad nights; he came to the village's one pub shaking, he **glared** at the floor, he **bumped** into tables, and the Colonel, who had a certain dignity about the ruin of others, would nod and move his chair, as one clears a path.

他有糟糕的夜晚；他颤抖着来到村里唯一的酒馆，盯着地板**怒视**，**撞**到桌子，对他人的毁灭有某种尊严的上校会点点头，挪开椅子，就像清出一条路。

It took a year, and it was not a tidy year, but in the spring he stood in the gallery with a spanner in his hand and a smile that took him by surprise and said to Oswin: "It is a funny thing; I used to think the only way to escape the world was to go inside myself. Down here I have found that you can go inside the world."

花了一年，那不是整齐的一年，但在春天他站在廊道里，手握扳手，带着一个让他自己吃惊的微笑，对奥斯温说："这事儿挺有意思；我过去以为逃离世界的唯一办法是进入自己的内部。在这下面我发现可以进入世界的内部。"

Tilly recovered, which she attributed to spite; on the first day she was allowed out she walked, with a stick and the Dean's arm, to the dam and stood for a long time at the rail looking at her reflection in the reservoir, a small figure in a large hat, wobbling in the water like a **mirror** that had begun to laugh.

蒂莉康复了，她把它归功于怨气；第一天获准出门，她拄着拐杖、挽着院长的胳膊走到水坝，久久站在栏杆边看水库里自己的倒影，一个戴大帽子的小身影，在水里晃动，像一面开始发笑的**镜子**。

"Do you **wonder**," said the Dean, "what you would have been if you had never begun?" "I do not wonder," said Tilly. "I know. I should have been a woman in a kitchen with a ledger and nobody to put in it."

"你有没有**想过**，"院长问，"如果你从没开始，你会是什么样的人？""我不想，"蒂莉说，"我知道。我会是个厨房里带着账簿、没有人可记的女人。"

She had a theory of love which she had never put on paper because it was too simple, but that cold morning she **imparted** it to him: that love is a form of attention, that the matchmaker's whole art is to notice, the rarest of the **absolute** virtues, and that what looked like destiny was only the consequence of being looked at by the right person for the right length of time, an attention that **underlay** everything she did.

她有一套爱情理论，从没写在纸上，因为它太简单，但那个寒冷的早晨她把它**传授**给了他：爱是一种注意力，媒人的全部艺术是留意，是**绝对**美德中最稀有的一种，看似命运的东西，不过是被对的人在对的时间长度里注视的结果，这种注意力是她所做一切的**基础**。

The Dean, who was a man of rank in his profession and of none in her kingdom, asked whether she would teach him, and she said that it could not be taught, only caught, like a cold, and that he had been exposed since the night of the dam.

院长在他的职业里有地位，在她的王国里没有，他问她是否愿意教他，她说这不能教，只能染上，像感冒，而他从水坝那晚起就已暴露其中。

She had a project for her last years, she said, and it was a **quiz**, a set of forty questions to be asked of each new couple, which were not about colour or taste or politics but about things like: "What do you do with a spare ten minutes? How do you treat the waiter? What would you **swallow** rather than say?"

她说，她晚年有个计划，是一份**测验**，四十个问题，向每对新人提问，问的不是颜色、口味或政治，而是诸如："你怎么利用多出的十分钟？你怎么对待服务员？你宁可**咽下**什么也不说？"

She tested it on the village, and the **average** score was forty-one out of fifty, with a surprising tail of low scorers at the top of the social pyramid; the **hardline** conservatives, the Colonel's old friends, scored lowest, and were **outraged**, and then, one by one, asked for a retest.

她在村里测试，**平均**分五十分里四十一，社会金字塔顶端有一小群出人意料的低分者；**强硬**保守派，上校的老朋友们，得分最低，感到**愤怒**，然后一个接一个地要求重测。

The questions were so successful that a university asked to publish them in a textbook of social psychology, and Tilly, who loathed the thought of her art being **distilled**, agreed on one condition: that every copy be sold with a blank page at the end headed "The Question I Did Not Think to Ask."

这些问题如此成功，以至于一所大学要求把它们刊登在社会心理学教科书里，痛恨自己的艺术被**提炼**的蒂莉同意了，条件只有一个：每本书末尾都要附一张空白页，标题是“我没想到要问的问题”。

On the night of the next lunar eclipse, nine years later, the village **converged** on the dam with picnic baskets and folding chairs, as it had come to do for every celestial event, even minor ones, and it ate **edible** things, some of them in **categories** that had no name in any cookbook, and a sort of festivity **permeated** the air.

九年后的下一次月食之夜，村民带着野餐篮和折叠椅向水坝**汇聚**，就像他们已习惯为每次天文事件那样，即使是小事件，他们吃着**能吃**的东西，有些属于任何食谱里都没名字的**类别**，一种节日气氛**弥漫**在空气里。

The Collective, now a **collective** of five, since Alf had married the postmistress and Bert had a new knee, sat on the dam in a row, and the Colonel, at ninety, still hardy and mildly outraged, had a **bid** to make: that the village should vote to rename the dam after Tilly. She said she would rather have a pub.

“**集体**”现在成了五人集体，因为阿尔夫娶了邮局女局长，伯特换了新膝盖，他们在水坝上排成一排坐着，九十岁、依然硬朗又略带愤慨的上校有个**提议**：村子应当投票把水坝改以蒂莉命名。她说她宁可要一家酒馆。

"A pub?" "The Matchmaker's Arms," said Tilly, "with a **sword** over the door, in case of the Collective."

“酒馆？”“媒人酒馆，”蒂莉说，“门上挂一把**剑**，防“集体”用的。”

She was eighty-one; she had handed the ledger over to Pip, who kept it in a digital file, **up-to-date** and encrypted, which Tilly viewed with the distrust of a woman who had once distrusted the telephone, though she conceded that it was a better way to avoid losing a page in a flood, and she kept the original in a drawer, because she trusted nothing she could not feel in her **bone**.

她八十一岁了；已把账簿交给了皮普，后者把它存成**最新**且加密的数字文件，蒂莉带着曾经不信任电话的女人的怀疑看待它，不过承认这是避免在洪水中丢失一页的更好办法，她把原件留在抽屉里，因为她不信任任何自己无法在**骨头**里感到的东西。

The **excitement** of the evening came, as usual, with the moon: as the shadow began to cover it, the whole village fell silent, and in the silence there was the sound that only a valley full of people can make, the vibration of five hundred held breaths.

夜晚的**兴奋**照例随月亮而来：当阴影开始遮住它，整个村子安静下来，寂静中有一种只有挤满人的山谷才能发出的声音，五百个屏住的呼吸的震颤。

Oswin and Winifred stood at the rail with their two children, a boy of eight and a girl of five, who had been told that the moon was a **vessel** being steered through the night and who wished to know who held the wheel.

奥斯温和温妮弗雷德带着两个孩子站在栏杆边，一个八岁男孩和一个五岁女孩，他们被告知月亮是一艘在夜里被驾驶的**船**，并想知道谁掌舵。

"Nobody," said Winifred, in her report-reading voice, "and everybody. It is a question of orbits." "That," said Oswin, "is the best answer I have ever heard."

“没人，”温妮弗雷德用读报告的声音说，“又是每个人。这是轨道问题。”“这，”奥斯温说，“是我听过的最好的回答。”

Danny, who was now a plumber with a van of his own, came up the path from the village with a lantern, an apprentice and a girl, and he did not say that he had come to the dam in the dark for a reason, but everybody knew; it was not the kind of thing one needed to **spell** out.

现在有了自己货车的水管工丹尼，带着一盏灯笼、一个学徒和一个姑娘从村里沿小路走上来，他没说自己在黑暗中来水坝是有原因的，但每个人都知道；那不是需要**点明**的事。

Pip, who kept the file, had a theory about it: that the village's **ultimate** secret was not matchmaking but the ability to **transmit** a certain kind of attention from one generation to the next, like a seed, and that this attention, the village's oldest craft, was **inevitably** at risk, in an age of screens, of being **replaced** by an algorithm that could **compare** profiles but could not read a silence.

保管文件的皮普对此有一套理论：村子的**终极**秘密不是做媒，而是把某种注意力代代相**传**的能力，像种子，而这种注意力，村子最古老的手艺，在屏幕时代**不可避免地**面临被一种能**比较**个人资料却读不懂沉默的算法**取代**的风险。

Tilly, hearing this, said that algorithms were all very well, but they could not **relish** a bad joke, **hound** a shy man to a dam or **reassure** a trembling girl with a basket of strawberries; "and they would never," she added, "**bypass** an unwritten rule to find a better one."

蒂莉听了说算法固然不错，但它们无法**品味**一个蹩脚笑话，无法把害羞男人**追**到水坝，也无法**安慰**一个提着草莓篮的颤抖姑娘；“而且它们永远不会，”她补充说，“**绕过**一条不成文的规则去找一条更好的。”

She had **grown** suspicious of the word **strange**: there was nothing strange, she said, about two people who had never met, for they were strange only to each other for a short time, and a village that treated strangers with suspicion was one that had forgotten that it had once been strange itself.

她对“陌生”这个词**渐渐**起了疑心：她说，两个从没见过面的人没有什么**奇怪的**，他们只是在短时间内对彼此陌生，而一个以怀疑对待陌生人的村子，是个忘了自己曾经也陌生的村子。

The old fears of the **minority**, of the odd man in the group, the dweller in the **loft**, the mute girl with the **weird** accent, had mostly **evaporated** in Wolf Hollow; one might still find in a corner of the pub a narrow mind and a **thirst** for gossip, but the village had learned that the **opposite** of fear is not courage but company.

对**少数**人、对群体里怪人、**阁楼**住客、口音**古怪的**哑女孩的旧日恐惧，在狼谷大部分已经**蒸发**；人们仍可能在酒馆角落里发现狭隘的心和对闲话的**渴望**，但村子已学到，恐惧的**反面**不是勇气而是陪伴。

The **turnaround**, if one could call it that, had happened without a speech: no politician had **conquered** it, no committee had ordered it, no **evil** had been **overcome** with a sword; it had grown slowly, as a stone grows a skin of moss, by the accumulation of small kindnesses and no overt ideology.

这场**转变**，如果可以称之为转变，是没有演讲就发生的：没有政客**征服**它，没有委员会下令，没有**邪恶**被剑**克服**；它缓慢生长，像石头长出一层苔藓，靠的是小善意的积累，没有公开的意识形态。

Not that it was perfect: the village still **complicated** what was simple, as villages do, the committees still sat for hours over trifles, the **overtime** of the Colonel's grievances was a sound that no valley could avoid, and a stranger who **offended** one old woman could count on a sullen year; but these were the symptoms of life, not of death.

并非说它完美：村子仍把简单的事**复杂化**，就像村子通常那样，委员会仍为小事开几小时的会，上校的牢骚的**加班**是任何山谷都避不开的声音，**冒犯**了一位老太太的陌生人可以指望阴沉的一年；但这些是生命而非死亡的症状。

"**Demoralization**," said the Dean, who had by now been at Wolf Hollow for nine years and had given up his post for a cottage and a cat, "is what happens to places that stop believing they are worth keeping. The cure is not a sermon; it is a leaking dam."

“**士气**低落，”院长说，他此时已在狼谷待了九年，放弃了职位换来一间小屋和一只猫，“是发生在那些不再相信自己值得保存的地方的事。解药不是说教；是一座漏水的水坝。”

"Or an eclipse," said Tilly. "Or a wedding. Or a poem about pipes."

“或者一次月食，”蒂莉说，“或者一场婚礼。或者一首关于管子的诗。”

The moon, which had been swallowed by its shadow, now began to come back, and the edge of it grew bright; the whole village, which had been standing, sat down as one **onto** the grass, as a congregation sits after a hymn, and nobody **worshipped** the dam, which had no need of it, but everyone was careful of it, as one is careful of a sleeping animal that has once been dangerous.

被影子吞没的月亮现在开始回来，边缘渐渐发亮；一直站着的整个村子一起坐到了草地上，像会众在赞美诗之后坐下，没有人**崇拜**水坝，它不需要，但每个人都小心对待它，像小心一只曾经危险的睡着的动物。

They went home by a **roundabout** path, a long way round, past the stones and the motel and the barn theater, with children asleep on shoulders and the dogs **grazing** at the verge, and the sky, which had shown them a strange thing, showed them nothing at all, gently, as a mother shows nothing to a sleeping child; and on the dam, at the exact spot where nine years before a plumber had said "I would rather wait", someone had left a small iron **key**, and nobody knew whose it was, and nobody cared to ask.

他们沿着一条**迂回的**路回家，绕了很长的路，经过那些石头、汽车旅馆和谷仓剧院，孩子们在肩上睡着，狗在路边**吃草**，给他们看过奇事的天空现在什么也不显示，温柔地，像母亲对熟睡的孩子什么都不示意；在水坝上，在九年前水管工说“我宁愿等”的那个准确位置，有人留下一把小铁**钥匙**，没人知道它是谁的，也没人想去问。

Some things, thought Tilly, could be left unexplained; there was room on the dam for a few, and **space** enough in the ledger for a question mark; and she wrote one, a small, round, tidy one, in the margin of the page headed "Outcome", at the point where the page had once said "Welcome."

蒂莉想，有些事可以不加解释；水坝上有给几件事留的余地，账簿里也有足够放一个问号的**空间**；她写了一个，一个小小的、圆圆的、整齐的问号，写在标着“结果”那页的页边，就在那页曾写着“欢迎”的地方。

It was **evident**, in retrospect, that nobody had **patronized** anybody in Wolf Hollow, not even Tilly; **compassion**, she said, was simply good manners with a longer memory, and none of it had been **diluted** by the years, **crushed** by the **violence** of a flood or **deleted** by the cleverness of a screen.

回过头看，很**明显**狼谷没有人居高临下地**对待**任何人，连蒂莉也没有；她说**同情**不过是记性更长的好礼貌，它没有被岁月**稀释**，没有被洪水的**暴力压垮**，也没有被屏幕的聪明**删除**。

The village did not **fluster**, did not **explode** and did not **vibrate** with ambition; it went on into **uncharted** time in the ordinary way of those who have decided that to be seen is a duty and to be **needlessly** lonely is a crime.

村子不**慌乱**，不**爆炸**，也不为野心而**震颤**；它以那些已决定被看见是一种责任、**无谓地**孤独是一种罪过的人的寻常方式，走进**未知的**时间。

List 25 The Treaty at the Zoo

动物园里的条约

本篇覆盖 List 25 全部 225 个单词；红色粗体为单词首次出现处，右栏为本页单词释义

Billy Hart, a **bachelor** of twenty-nine, was the night-keeper at Kestrel Park Zoo, a **modest** job with a modest salary, and he did it with the **diligence** of a man who had been told in childhood that **if** you do a small thing well, a larger thing will eventually notice.

比利·哈特，二十九岁的**单身汉**，是红隼公园动物园的夜班饲养员，工作**普通**，薪水微薄，他以一个童年时被告知"把小事做好，大事终会注意到你"的人的**勤勉**去做这份工作。

He kept in his breast pocket a battered black **notebook** in which he wrote, every **night**, observations of the animals: the **lamb** in the petting **corner**, born in **December**, which had learned to **climb** onto a bench to watch the stars; the **squirrel** that stole the keeper's sandwiches; the old chimpanzee who, according to the notes, had an **impulse** to wash everything, including the bars; it was the closest thing he had to a diary and the farthest thing from a secret.

他胸前口袋里放着一本破旧的黑色**笔记本**，**每晚**在里面记录动物们的观察：抚摸**区**那只**十二月**出生、学会**爬**上长凳看星星的**羔羊**；偷饲养员三明治的**松鼠**；以及那只按笔记所写有**冲动**洗一切东西包括栏杆的老黑猩猩；它是他最接近日记的东西，也是离秘密最远的东西。

The **zoo**, which had suffered a **downturn** in visitors, an **administration** in debt and a roof over the reptile house that let in the rain, had been chosen, to everyone's surprise, as the venue for a summit: the leaders of two neighbouring states, the **Federation** of the Eastern Marches and the Republic of Westmark, who had been at war, on and off, for **eighteen** years over the ownership of a valley, had **agreed** to meet in a neutral **area**, and there was nowhere neutral in either country **except**, said the diplomats, a zoo.

这座游客**下滑**、**管理**层负债、爬行馆屋顶漏雨的**动物园**，竟出人意料地被选为峰会场所：东部边区**联邦**和西标共和国的领导人，因一座山谷的所有权断断续续打了**十八**年仗，**同意**在一个中立**地区**会面，而两国境内没有哪里是中立的，外交官们说，**除了**动物园。

The delegates were to arrive on **Friday** with an **entourage** of a hundred and forty officials, interpreters, cooks, cameramen and men in dark coats who **rarely** smiled, and Billy, who had been told that his only duty was to be invisible, was given a new uniform, a badge and a lecture on the **doctrine** of discretion.

代表们将在**周五**到达，**随行**一百四十名官员、翻译、厨师、摄影师和**很少**微笑的黑外套男人，被告知唯一职责是隐形的比利得到一套新制服、一枚徽章和一堂关于谨慎**准则**的课。

The negotiations began at ten: Mrs. Varga sat on one side of a round table in a room full of tropical heat and the faint smell of fish, and the Chancellor sat on the other, with a gold pen and a document between them and the lawyers around them in a **mechanism** of whispering; and in the corner, on a low shelf behind a fern, with his notebook open, sat Billy, whose duty was to be invisible, but who had got confused about where he should do it.

谈判十点开始：瓦尔加太太坐在圆桌一侧，在一间满是热带暑热和淡淡鱼腥味的屋里，总理坐在另一侧，两人之间有一支金笔和一份文件，周围律师们形成低语的**机械**；在角落里，一个低矮架子上的蕨类植物后面，比利打开笔记本坐着，他的职责是隐形，却弄不清该在哪里隐形。

The first day went as such things do: it was spent on a **distinction**, "valley" versus "region", the Federation insisting on region, since a valley can be owned while a region must be shared, and the Republic wanting valley; the two sides were **willing** to compromise on everything except one word, and by evening, after a **primarily** circular conversation, the argument had cost the taxpayers of two countries a **batch** of seven hundred sandwiches.

第一天如这类事那样过去：时间花在一个**区别**上，“山谷”与“地区”，联邦坚持“地区”，因为山谷可以被拥有而地区必须共享，共和国想要“山谷”；双方**愿意**在除一个词之外的一切上妥协，到傍晚，经过一场**主要**是兜圈子的谈话，这场争论花了两国纳税人**七百份**三明治。

That night, in the empty zoo, with the delegations asleep in a hotel eight miles away, Billy made his rounds; the paths were silent, the moon was thin, the animals shifted in their sleep, and by the Reptile House, in the shadows, a figure in a dark coat was crouching with a camera.

当晚，在空荡荡的动物园里，代表团在八英里外的酒店睡着，比利巡视；小路寂静，月亮纤细，动物们在睡梦中翻身，爬行馆旁的阴影里，一个穿黑外套的身影正举着相机蹲着。

"Good evening," said Billy, who had not been trained for this. The man started. "I am a translator." "At two in the morning?" "I was lost." "The Reptile House has been locked since ten," said Billy, "and the only translator I know of is asleep in the Imperial Hotel."

“晚上好，”比利说，他没受过应对这种情况的训练。那人吓了一跳。“我是翻译。”“凌晨两点？”“我迷路了。”“爬行馆十点就锁了，”比利说，“我知道的唯一一位翻译正在帝国酒店睡觉。”

The man, who was a **spy**, as nobody would have been so foolish as to say but whose profession was **visible** in his shoes, which were quiet, said that he would report Billy for obstruction; Billy said he would report him for trespass; and **they** stood, two men on a path in the moonlight, each uncertain who had the upper hand, until a small grey shape fell out of the sky onto the spy's head: the squirrel.

那人是个**间谍**，没人会蠢到说出来，但他的职业从他那双安静的鞋上**看得**出来，他说他要告比利妨碍，比利说他要告他擅闯；**他们**站在月光下的小路上，两个男人，各自拿不准谁占上风，直到一团小小的灰影从天上掉到间谍头上：那只松鼠。

batch n. 一批，一组，一群
spy n. 间谍，密探；v. 当间谍，刺探，发现
visible a. 看得见的，可见的，明显的
they pron. 他们，她们，它们

The squirrel, who disliked **strangers** and had a particular aversion to men in dark coats, bit the spy on the **neck**, snatched the camera by its strap and bolted up a plane tree with it; the spy, with an oath and a **very** silly leap, tried to climb after it, and Billy, who had an obligation to protect both visitors and fauna, stood between them and said, in a voice he had learned from a headmaster: "Sir, that is a protected squirrel."

讨厌**陌生人**、尤其厌恶穿黑外套男人的松鼠咬了间谍的**脖子**，扯着带子抢走相机，蹿上一棵悬铃木；间谍骂了一声，做了个蠢**极**了的跳跃，想爬上去追，既有义务保护游客又保护动物的比利站到他们中间，用从校长那里学来的声音说："先生，那是一只受保护的松鼠。"

The camera, which the squirrel dropped into the otter **pool**, took forty photographs, all of them of the inside of a squirrel's cheek, and the spy, whose name was Mr. Pinsent, gave a **sigh** of such professional despair that Billy, against his better judgment, felt sorry for him.

松鼠把相机掉进水獭**池**，拍了四十张照片，全是松鼠腮帮子里面，名叫平森特先生的间谍发出一声职业性绝望的**叹息**，比利违背自己更好的判断，同情起他来。

He admitted, under the gentle pressure of two cups of tea in the keeper's hut, that he worked for the Federation's intelligence service, which people who liked to confuse called **Auxiliary** Services, that his assignment was to find out whether the Chancellor, in the secret annex to the treaty, planned to claim not the valley but the whole watershed, and that if the Federation signed in the morning without knowing it, it would be signing away the river.

在饲养员小屋里两杯茶的温和压力下，他承认自己为联邦的情报机构工作，爱制造混淆的人称之为"**辅助**事务处"，他的任务是查明总理是否打算在条约秘密附件里主张的不是山谷而是整个流域，并且如果联邦明早在不知情下签字，就是把河签掉了。

Billy, a man of notebooks, opened his and looked through the day's entry: "The Chancellor looks at the pen too often. The pen is a gold pen, the Federation's, with the Federation's crest; the Chancellor's own pen is a plain black one, which he holds in his left hand all the time and puts in his pocket."

比利是个爱记笔记的人，他打开笔记本翻看当天的条目："总理太频繁地看那支笔。那是支金笔，联邦的，刻着联邦的徽记；总理自己的笔是支普通的黑笔，他一直左手握着，然后放进口袋。"

"A trick with the pen," said Pinsent. "No, Billy, a trick with the paper. There are two copies of the treaty, one in each language, and the translations differ in a **paragraph** so small that nobody has read it, the paragraph on water rights: the Westmark text says the river and its tributaries, and the Federation text says only the river, and that makes it a bigger claim than a valley, because the river is the valley's lifeblood."

"笔上的把戏，"平森特说，"不对，比利，是纸上的把戏。条约有两份，各用一种语言，译文在一个小到没人读过的**段落**里不同，那个关于水权的段落：西标文本说'河及其支流'，联邦文本只说'河'，这使它成为比山谷更大的主张，因为河是山谷的命脉。"

"Then tell your minister," said Billy. "I cannot," said Pinsent. "I am in disgrace: I have lost my camera, my cover and my dignity in a pool of otters, and she would never believe me."

“那就告诉你的部长，”比利说。“我不能，”平森特说，“我丢人了：我在水獭池里丢了相机、身份和尊严，她永远不会信我。”

Billy thought; he weighed the matter; he looked at the small notebook in his hand, and felt for the first time in twenty-nine years a sense that a small thing, well done, might be about to be noticed. "I will tell her," he said. "I am nobody, so she will have no reason to doubt me, and nobody ever suspects the keeper."

比利思考，权衡此事；他看着手里的小笔记本，二十九年来第一次感到，一件被做好的小事，可能即将被注意到。“我去告诉她，”他说，“我什么都不是，所以她没理由怀疑我，也没人怀疑饲养员。”

Billy walked eight miles to the Imperial Hotel in the dark with nothing in his pockets but a notebook, a squirrel-chewed biscuit and a conviction, which is a poor **basis** for diplomacy but a durable one; his boots were wet, his **tooth** ached, he had a **headache** like a drum, and in his head was a **favorite** rule of his grandmother's: "Say the truth, and say it plain."

比利在黑暗中走了八英里到帝国酒店，口袋里除了笔记本、一块被松鼠咬过的饼干和一个信念什么都没有，这是外交的糟糕**基础**却很持久；他的靴子湿了，**牙**疼，头像鼓一样**痛**，脑子里是祖母**最喜欢**的一条规矩：“说真话，而且说得朴素。”

The guard at the hotel door, a **bully** in a black coat with a face as **objectionable** as a closed shop, said that no **guy** in a keeper's cap was going to see the minister at six in the morning; Billy said he would wait, the guard said that waiting was a **crime**, and Billy said that he was merely a **passive** observer of the weather; and they stood in the cold like a **pair** of badly matched statues, until a **child** came by and asked what he wanted.

酒店门口的警卫，一个穿黑外套、脸像关了门的店铺一样**令人反感**的**恶霸**，说没有哪个戴饲养员帽子的**家伙**能在早晨六点见部长；比利说他会等，警卫说等待是**犯罪**，比利说他不过是天气的**被动**观察者；他们像**一对**不匹配的雕像站在寒冷中，直到一个**孩子**经过，问他想要什么。

"A treaty," said Billy. "I have to stop a treaty." "That is an **imaginative** answer," said the child, who was about eight and had a **mouse** on her shoulder, a pet in a woollen mitten. "My grandmother says that only two sorts of people say that, crazy people and honest people, and that she likes to hear both."

“一项条约，”比利说，“我必须阻止一项条约。”“这是个**有想象力的**回答，”孩子说，她大约八岁，肩上趴着一只**老鼠**，一只放在毛线手套里的宠物。“我祖母说只有两种人会这么说，疯子和诚实的人，她两种都爱听。”

She led him in; the guard, who disliked the child more than he disliked the keeper, did not dare to stop them; they went up four floors in a lift with a mirror and a smell of lilies, and at the end of the corridor, in a room of beige and silver, sitting up in bed in a woollen cardigan with a cup of tea, a **bible** and a cat, was Mrs. Varga.

她领他进去；比起讨厌饲养员，更讨厌孩子的警卫不敢拦住他们；他们乘着一部有镜子和百合花香味的电梯上了四楼，在走廊尽头，一间米色与银色的房间里，穿着羊毛开衫坐在床上，手边有一杯茶、一本《**圣经**》和一只猫的，是瓦尔加太太。

Billy told it as it had come, the squirrel, the spy, the paragraph; he opened the notebook and showed her the entry about the pen; he said that he had no authority, no credentials and no **connexion** with anybody, and that he had come only because it seemed to him that a river was not a thing that could be signed away by a pen.

比利照事情来的样子讲述：松鼠、间谍、那一段；他打开笔记本给她看关于笔的条目；他说自己没有权威、没有凭证、与任何人没有**联系**，他来只是因为在他看来，河不是能被一支笔签掉的东西。

She listened in silence, weighing every word, and then said, "A moment," and picked up the telephone and spoke, in the language of the Federation, a sentence of seven words; within ten minutes two lawyers in dressing gowns were sitting on the edge of her bed with the two versions of the treaty, a **lamp** and a magnifying glass, and within twenty one of them, a thin man with a stammer, said that the keeper was right.

她默默倾听，掂量每个字，然后说“稍等”，拿起电话，用联邦语言说了一句七个词的话；十分钟内两位穿睡袍的律师坐在她床沿上，带着条约的两个版本、一盏**灯**和一面放大镜，二十分钟内其中一位口吃的瘦子说，饲养员是对的。

It was a matter of one word: the river and its tributaries, in the Westmark text, clause nineteen, paragraph four; the translation was a masterpiece of the kind called faithful by those who wish to cheat, a degradation of the plain sense by a single comma, and it would have cost the Federation, in water, **justice** and wheat, the whole of the northern plain.

这取决于一个词：西标文本第十九条第四段里的“河及其支流”；这个译本是那种被想作弊的人称为“忠实”的杰作，用一个逗号败坏了朴素意义，它将使联邦在水、**公正**和小麦上失去整个北部平原。

The old chimpanzee, whose name was Mortimer and who had come in through the keepers' passage and had been sitting unnoticed behind a potted palm, observing the assembly with the gravity of a notebook, reached out at the moment when the Chancellor began a speech about a regrettable error that no honourable man would exploit, and with the delicacy of a pickpocket **plucked** the gold pen from his hand.

老黑猩猩名叫莫蒂默，从饲养员通道进来，一直坐在盆栽棕榈后无人注意，像一本笔记本一样庄重地观察着这场集会，在总理开始一场关于“任何体面人都不会利用的遗憾错误”的演讲时，它伸出手，以扒手的细腻从他手里**拔走**了那支金笔。

本页单词

bible n. 圣经，有权威的书

connexion n. 连接，联系(等于 connection)

lamp n. 灯，台灯

justice n. 正义，公平，公正，审判

pluck v. 摘，拔，采摘，拔掉；n. 勇气，胆量，决心

A gasp ran through the room like a ripple on a pond; Mortimer, who had always had an interest in jewelry, examined the pen with the expression of a connoisseur and put it in his mouth; the Chancellor, **boiling**, rose, and Billy, who was nearest, stepped forward with a **banana** held out like a diplomat's olive branch and said quietly, "Mortimer, a trade?"

一阵倒抽气像池塘涟漪一样掠过房间；一向对珠宝感兴趣的莫蒂默带着鉴赏家的表情打量那支笔，然后把它放进嘴里；**怒火中烧**的总理站起来，离得最近的比利拿着一根**香蕉**像外交官的橄榄枝一样递出去，轻声说："莫蒂默，交换吗？"

Mortimer weighed the offer with his head on one side, then held out the pen and took the banana, and the exchange was made in the kind of silence that only a room full of the most important people in two nations can produce, and the pen, slightly damp, was returned to the table by a chimpanzee, with **courtesy**.

莫蒂默歪着头权衡了这个提议，然后伸出笔，拿走香蕉，交换在一种只有一屋子两国最重要人物才能制造的寂静中完成，那支略显潮湿的笔被一只黑猩猩**彬彬有礼**地送回桌上。

The incident did something that no treaty could do: it made the room laugh, and a room that has laughed together can never entirely be its own **enemy**; Mrs. Varga began to smile, and the Chancellor, who was not a stupid man, **understood** that in the space of a minute he had been shown up by a chimpanzee, a keeper and a squirrel, gave a short laugh and said, "Madam Minister, I think we should look again at clause nineteen."

这件小事做到了任何条约都做不到的事：它让房间发笑，而一起笑过的房间不可能完全是自己的**敌人**；瓦尔加太太开始微笑，并非蠢人的总理**明白**自己在一分钟内被一只黑猩猩、一名饲养员和一只松鼠揭穿，短促地笑了一声，说："部长女士，我想我们应该重看第十九条。"

They looked at it for six hours; the clause was reworded, the comma removed, the tributaries restored to their owners, and by six in the afternoon the lawyers, who had not eaten since breakfast, were reduced to an **unfocussed** contemplation of the carpet, and Mrs. Fenn, a woman with an instinct for the moment, proposed that the delegations take the air and a **break**.

他们看了六个小时；条款被重新措辞，逗号被删除，支流回到了原主人手里，到下午六点，自早饭后没吃东西的律师们已陷入对地毯的**失焦**沉思，对时机有直觉的芬太太提议代表团出去透透气、**休息**一下。

The **initiator** of the **football** match was never established; some said the Chancellor, some said Mrs. Varga's granddaughter, who was seen holding a **ball** under her coat; but at half past six two teams of twenty-two, an **army** of interpreters, cooks, cameramen and men in dark coats, had assembled on the lawn that Mick had mowed twice, under floodlights borrowed from the car park.

足球赛的**发起人**一直没查清；有人说是总理，有人说是瓦尔加太太的孙女，有人看到她把一个**球**藏在外套下；但六点半，两支二十二人的队伍，一支由翻译、厨师、摄影师和黑外套男人组成的**军队**，在米克割过两遍的草坪上集结，借来停车场的泛光灯照明。

Westmark, who had a **specialization** in everything, including sport, fielded a **dynamic** team in matching kit, with a **sophomore** from the embassy in goal, a **skilful** midfielder who was also the Chancellor's cook, and a striker called Karl who could kick a ball over the aviary; the Federation fielded a **rough**, ragged, cheerful side in whatever it could find, and the referee was Billy, because nobody else was neutral.

在一切包括体育方面都有**专长**的西标派出了一支穿统一球衣的充满**活力的**球队，大使馆的一位大二**学生**守门，一位兼任总理厨师的**技术娴熟**的中场，以及一个能把球踢过鸟舍的前锋卡尔；联邦派出的是一支**粗糙**、衣衫不整却愉快的队伍，穿着能找到的一切衣服，裁判是比利，因为没有别人是中立的。

The first half was **awful**: there was **foul** after foul, a **punch** that was meant to be a header, a **crash** of two interpreters on the halfway line that stopped the match for ten minutes, and a long dispute about whether a ball kicked by a squirrel, which had fallen out of a tree onto the pitch, counted as a legitimate pass.

上半场**糟糕**透了：**犯规**接着犯规，一记本想作头球的**拳**击，两位翻译在中线**相撞**导致比赛暂停十分钟，还有一场长久的争论，关于松鼠从树上掉到球场被踢出去的球是否算合法传球。

The second half was better; it ended two–two, which **satisfied** everybody and nobody, and an **award** of a plastic trophy in the shape of a giraffe went, by acclamation, to Mortimer the chimpanzee, who had come out in a **cloak** made of a blanket, and who, on being given the cup, **dived** into the lawn in a somersault of joy.

下半场好一些；以二比二结束，使每个人都**满意**又谁都不满意，一座长颈鹿形塑料奖杯经欢呼通过**授予**黑猩猩莫蒂默，它披着用毯子做的**斗篷**出场，拿到奖杯后喜悦地翻了个筋斗**扑**到草坪上。

The treaty was signed at noon the next day in the Reptile House, under a banner, with the gold pen, which Mortimer had returned damp and which Mrs. Varga insisted on using; the signing took nine seconds, the applause took five minutes, and the **headline** in the evening papers, "ZOO TREATY: THE KEEPER, THE CHIMP AND THE COMMA", was the first headline in eighteen years that anyone in either nation had read to the end without a **frown**.

条约于次日正午在爬行馆的横幅下签署，用的是莫蒂默还回来时湿漉漉的那支金笔，瓦尔加太太坚持用它；签字用了九秒，掌声持续五分钟，晚报**标题**“动物园条约：饲养员、黑猩猩与逗号”，是十八年来两国任何人读到最后都没**皱眉**的第一个标题。

The **overview** of the commentators, who were paid to be sceptical, was that it had been a triumph of luck over **hype**, an accident, a squirrel and a banana, but the more thoughtful among them noted a **precedent**: accidents of this kind occur only in places where people are looking, and the **ongoing** difficulty of peace, wrote one, was not that nobody wanted it but that nobody was in the room to notice when it was possible.

受雇保持怀疑的评论员们的**总体看法**是，这是运气战胜**炒作**的胜利，一场意外，一只松鼠和一根香蕉，但其中更有思想的人注意到一个**先例**：这类意外只发生在有人在看的地方，有一位写道，和平**持续**的困难不是没人想要它，而是在它可能时没人在场察觉。

The terms of the treaty were **favourable** to both sides, which was the main reason that neither could be proud of it: the river was shared, the valley was a region, and a joint commission, meeting on the second Friday of each month at the zoo, would administer it; the commission's first act was to adopt a **currency** for the region, the otter, since both existing currencies were disliked.

条约条款对双方都**有利**，这恰是任何一方都无法为之骄傲的主要原因：河共享，山谷是一个地区，一个每月第二个周五在动物园开会的联合委员会负责管理；该委员会的第一项行为是为该地区采用一种**货币**，叫“水獭”，因为现有两种货币都不受欢迎。

Mrs. Varga came to say goodbye to Billy in the keeper's hut, alone, in the early morning, with a small parcel and a face that, for the first time, was not that of a negotiator; she sat on his one chair and looked at the notebook lying open, with a drawing in the margin of a squirrel in a tiny diplomatic sash.

瓦尔加太太清晨独自来饲养员小屋向比利告别，带着一个小包裹，脸上第一次不是谈判者的脸；她坐在他唯一的椅子上看着摊开的笔记本，页边有一幅松鼠系着小小外交绶带的画。

"Mr. Hart," she said, "my country is small and **fertile** and surrounded by people who wish it well and want it nothing like itself. **Morality**, in my profession, is a luxury; we mostly behave as we can. But yesterday morning a man I had never seen sat on the edge of my bed at dawn and told me the truth for no reward. That is not a **phenomenon** I have met often enough."

“哈特先生，”她说，“我的国家很小，土地**肥沃**，被祝它好却希望它一点也不像自己的人包围。在我的行当里，**道德**是奢侈品；我们大多只能能怎样就怎样。但昨天早晨，一个我从没见过的人在黎明坐在我床沿，毫无报酬地对我讲真话。这种**现象**我遇到得还不够多。”

She gave him the parcel: a small silver brooch in the shape of a river, made by the Federation's goldsmiths, a **jewel** of no great **price**, and with it a letter inviting him to take up an **appointment** as the first curator of the joint commission's Wildlife and Peace Reserve, which was to be the zoo itself.

她把包裹递给他：一枚小小的河形银胸针，由联邦的金匠制作，**价值**不高的**珠宝**，还有一封信，邀请他**出任**联合委员会野生动物与和平保护区的首任馆长，该保护区就是动物园本身。

He read the letter twice, and then did something that surprised them both: he said, "No," politely, and then, after a pause, "Not as the curator. As the keeper. If I **may**."

他读了两遍信，然后做了件让两人都吃惊的事：礼貌地说了声“不”，然后停顿一下，又说：“不当馆长。当饲养员。如果**可以**的话。”

With the joint commission's grant the zoo was transformed: the reptile house got a new roof, an **interactive** exhibit where children could weigh themselves against a python, a **gallery** of photographs of animals in diplomacy, an **exotic** aviary, a cafeteria with **cream** cakes and **crisp** salads, and a **nostalgic** carousel of painted horses that played the national anthems of both countries, one after the other, out of tune.

有了联合委员会的拨款，动物园焕然一新：爬行馆换了新屋顶，有一个让孩子们与蟒蛇比体重的**互动**展品，一间外交中动物的照片**画廊**，一座**异国**鸟舍，一家有**奶油**蛋糕和**脆爽**沙拉的食堂，还有一个**怀旧的**彩绘木马旋转台，依次演奏两国国歌，走了调。

The old zoo's **autonomy**, which had been the autonomy of the poor, was replaced by a more complicated autonomy of the funded: a board, a recruitment programme, a **conditioning** of the paths, a **survey** of visitors, a **systematical** overview of the animals' health, and a new director with a **diploma** in management, a woman with a sophomore's face who, to Billy's astonishment, liked him.

旧动物园穷人的**自主**被更复杂的有资金者的自主取代：一个董事会，一项招聘计划，一次小路的**整修**，一份游客**调查**，一份对动物健康的**系统**概览，以及一位持有管理学**文凭**的新园长，一个脸像大二学生的女人，令比利吃惊的是，她喜欢他。

"Mr. Hart," she said, "the most **essential** person in a zoo is whoever notices things, and I intend to formalise you." "Formalise?" "I am giving you a title: Chief Observer."

“哈特先生，”她说，“动物园里最**重要的**人是注意到事物的人，我打算给你正式身份。”“正式？”“我给你一个头衔：首席观察员。”

He refused to wear a badge with it; he accepted a new notebook, and a salary which, though modest, was calculated on a scale that did not **wrinkle** his pride.

他拒绝戴相应的徽章；他接受了一本新笔记本，以及一份薪水，虽然微薄，但其计算标准没有让他的自尊**起皱**。

The squirrel, whose name was now Pinsent in the official records because of an argument about naming, was given an enclosure of his own, disliked it and promptly escaped, and **hovered** at the edge of the cafeteria, where he stole sandwiches from visitors with the confidence of an **affiliated** diplomat.

因为命名之争，官方记录里的松鼠名字现在叫“平森特”，它得到了自己的围场，不喜欢，立刻逃走，在食堂边缘**徘徊**，以一个**附属**外交官的自信偷游客的三明治。

Mortimer the chimpanzee, who had **successfully** negotiated one of the great banana trades of history, was put on a diet, and his autobiography, dictated to a keeper in sign language, was announced for publication; it was **entitled** "Plucking the Pen."

成功谈成历史上伟大香蕉交易之一的黑猩猩莫蒂默被安排了节食，它的自传由饲养员用手语记录，宣布将要出版；**书名**是《拔笔记》。

The Chancellor and the Minister came each month for the commission's meetings, and in time they developed the bond of two people who have nearly killed each other in a Reptile House: they bickered, they pooled ideas, they sent each other cards at Christmas that were beautifully worded and impossible to interpret, and each kept in a drawer a small photograph of the same chimpanzee.

总理和部长每月来参加委员会会议，渐渐形成了两个在爬行馆里几乎置对方于死地的人之间的纽带：他们斗嘴，集思广益，圣诞节互寄措辞优美却无法解读的贺卡，各自在抽屉里放着同一只黑猩猩的小照片。

In the second year a cloud appeared: the **lender** that had financed the zoo's renovation, a bank with a short memory and a long face, said that the zoo's accounts were **creative**, its attendance forecasts a **gamble** and its sources of income **vulnerable** to the whim of two governments, and that it would call in its loan unless the commission found a **primary** source of revenue by the end of March.

第二年出现了一片乌云：为动物园翻修提供资金的**放款方**，一家记性短、脸拉长的银行，说动物园的账目富于**创造**性，出席预测是**赌博**，收入来源**易受**两国政府一时兴起的影响，除非委员会在三月底前找到**主要**收入来源，否则将收回贷款。

The commissioners, who had been so generous in the glow of the treaty, discovered the virtues of **short-termism**: the Westmark delegate suggested the sale of the lions, the Federation's delegate suggested the sale of the monkeys, and a third, from the finance ministry, with a face like a spreadsheet, proposed that the zoo be **eliminated** and the land sold for housing.

在条约光环下曾如此慷慨的委员们发现了**短视**的好处：西标代表建议卖掉狮子，联邦代表建议卖掉猴子，第三位来自财政部、脸像电子表格的人，提议**取消**动物园，把地卖了盖房子。

Mrs. Fenn, who had a temper that she kept in a drawer, opened the drawer; she said, in a voice that made the windows **tremble**, that a zoo sold to pay for a treaty would be a monument to the stupidity of treaties, that the zoo was not a luxury but a **medium**, the place where two nations had discovered that they could laugh, and that whoever wanted to remove it would have to do so over her body and Mortimer's.

脾气被她锁在抽屉里的芬太太打开了抽屉；她用让窗户**颤抖**的声音说，为付条约的钱而卖掉的动物园将成为条约愚蠢的纪念碑，动物园不是奢侈品而是一种**媒介**，是两个国家发现自己能一起笑的地方，谁想拆掉它就得从她的和莫蒂默的尸体上踏过去。

She called a gala, a **charity** dinner on the lawn, with tickets at a price that was an insult to nobody and an assault on everybody's wallet; she said that the animals would attend, in so far as they could be persuaded to wear a bow tie, and she asked Billy to say a few words.
她召集了一场盛会，草坪上的**慈善**晚宴，票价对谁都不构成侮辱，对每个人的钱包却是攻击；她说动物们会出席，只要能说服它们戴上领结，并请比利说几句话。

"I am no speaker," said Billy. "Nobody is," said Mrs. Fenn, "but you have a notebook."
“我不会演讲，”比利说。“没人会，”芬太太说，“但你有笔记本。”

On the evening of the gala he stood on a box among two hundred diners in evening dress and a hundred and forty animals in their enclosures, in a crisp new jacket that was too large, with his notebook shaking in his hand; he had, he found, nothing to say, for the words had evaporated, and he opened the notebook at random and read in a small flat voice the entry from the first night.
盛会当晚，他站在一只箱子上，面对两百位穿晚礼服的食客和围场里的一百四十只动物，穿着一件过大的挺括新夹克，手里的笔记本在颤抖；他发现自己没有话说，字词都蒸发了，他随手翻开笔记本，用小而平的声音读了第一夜的条目。

"Friday, the world comes to the zoo. The zoo, if it is wise, will not change." He paused. "I was wrong. It should change. It has changed more than anything I have known. But the thing in it that mattered, a hundred and forty animals, a squirrel, a chimp and a keeper with a notebook, did not change, and the world, in its confusion, found it, and took a deep breath. I am not asking you to give money to a zoo. I am asking you to keep a place where the world can do that again."
“周五，世界来到动物园。动物园如果聪明，不会改变。”他停顿一下，“我错了。它应该改变。它的变化比我知道的任何事都大。但其中重要的东西，一百四十只动物、一只松鼠、一只黑猩猩和一个带笔记本的饲养员，没有变，而世界在困惑中找到了它，深吸了一口气。我不是要你们给动物园捐钱。我是请你们保留一个世界能再次那样做的地方。”

Nobody clapped for a moment; then the Chancellor, who had been looking at his plate, stood and began slowly to clap, and the clapping spread among the tables; the lender, a thin man in a navy suit, was seen to wipe his glasses with a napkin, and in the enclosure beside the lawn Mortimer, who had understood not one word, beat his chest and let out a hoot of such unforced joy that the whole company laughed, and wrote cheques.
片刻没人鼓掌；然后一直盯着盘子的总理站起来，慢慢开始鼓掌，掌声在桌间蔓延；放款方，一个穿深蓝西装的瘦人，被看到用餐巾擦眼镜，草坪旁围场里一个字都没听懂的莫蒂默捶着胸口，发出一声如此毫不勉强的欢呼，全场大笑，然后开了支票。

charity n. 慈善，慈善机构，救济金，救济物

Morning at the zoo began with the **bark** of the sea lions and a **cluster** of **toddlers** in woolly hats pressing their noses to the glass of the penguin pool and shouting that the penguins had stolen their breakfast; Billy, with a **bottle** of milk for an orphan lamb and a **torch** for the dim corners, walked the paths in his usual **stride**, noticing, as he always noticed, the **odd** things: the **chill** in the air, the **gossip** of the sparrows and the **neighbor** of the giraffe, a fox, which had been seen to pay it courtesy visits.

动物园的早晨以海狮的**吠叫**开始，**一群**戴毛线帽的**幼儿**把鼻子贴在企鹅池玻璃上，喊企鹅偷了他们的早餐；比利带着**一瓶**给孤羔的奶和一支照暗角的**手电**，以惯常的**步伐**走过小路，像往常一样注意到那些**奇怪的**事：空气里的**寒意**，麻雀的**闲话**，以及长颈鹿的**邻居**——一只被看到去拜访它的狐狸。

He **ought to** have taken a **nap**, he knew, since his shift had **lasted** twelve hours, but a keeper's day, like a river, **depends** on the mood of the weather, and the weather today was a **blow** of cold wind from the north, hard enough to **stun** a sparrow.

他知道自己**该打个盹**，因为他的班已经**持续**了十二小时，但饲养员的一天，像一条河，**取决于**天气的情绪，而今天的天气是一阵北风的**冲击**，猛得能把麻雀**打晕**。

In the afternoon a school group, forty children and four teachers, came for a survey of the animals' habitats; a girl asked what the point of a zoo was, and Billy, who had a **notion** on the subject but no talent for **abstract** answers, took her to the elephant house and let her feel, with her palm on the thick, warm, wrinkled skin, the great slow pulse of a living thing; she said in a hushed voice, "Oh."

下午一个学校团体，四十个孩子和四位老师，来调查动物的栖息地；一个女孩问动物园有什么意义，对这个问题有**想法**却不擅长**抽象**回答的比利把她带到象馆，让她把手掌放在厚实、温暖、起皱的皮肤上，感觉一个活物的缓慢而巨大的脉搏；她压低声音说：“哦。”

The **oceanic** calm of the elephant, he told her, was the quality he most admired: it did not **apply force**, it merely was, and by being, it eliminated the need for argument.

他告诉她，大象**海洋**般的平静是他最钦佩的品质：它不**施加力量**，只是存在，而通过存在，它消除了争论的必要。

In the **interior** of the aviary a small, quiet boy with eyes like jewels stood for twenty minutes without moving, **studiously** watching a heron; his teacher, who had tried everything, said it was the longest he had ever paid attention to anything, and Billy, who understood, wrote his name in the notebook under a single word: "**Recruit**."

在鸟舍**内部**，一个眼睛像宝石般的安静小男孩一动不动地站了二十分钟，**专注地**观察一只苍鹭；试过一切办法的老师说这是他有史以来对任何东西注意力最长的一次，比利懂了，在笔记本里他的名字下写了一个词：“**新兵**。”

He wrote in the new notebook: "Today nothing happened. That is the miracle."

Years later, when a **formidable** commission of historians came to enquire how the Treaty at the Zoo had been possible, they found no **certain data**, only the notebook, and a **shepherd**, a **folk** singer and a retired **linen** merchant who each swore that they had been present at the signing and each remembered something different.
多年以后，一个**声势显赫**的历史学家委员会前来探究动物园条约何以可能，他们没有找到**确凿**的**数据**，只找到了那本笔记本，以及一个**牧羊人**、一个**民谣**歌手和一个退休的**亚麻布**商人，他们各自发誓自己在签字现场，且各自记得不同的事。

One historian, an **upstart** with **sharp** elbows and a first-class degree, wished to **degrade** the whole affair to a coincidence of weather and chimpanzees, arguing that the **atmosphere** of the zoo had merely been a **fit** of luck and that no **coherent** policy could be read into it.
一位肩肘**尖锐**、拿着一等学位的**新贵**历史学家想把整件事**贬低**为天气与黑猩猩的巧合，论称动物园的**气氛**不过是一阵运气的**发作**，从中读不出任何**连贯的**政策。

Billy, then an old man with a bad back and a pipe, folded his hands over the head of his stick and said that luck was a **boon**, but that luck **regardless** needed somebody awake at the gate.
彼时已是个背不好、叼着烟斗的老人的比利，把双手叠放在手杖头上，说运气是一种**恩惠**，但**无论如何**运气也需要有人在门口醒着。

The historian smiled with the **cautiousness** of a man who had been told stories before, and asked whether it was true that the Chancellor had once **ditched** an entire delegation to follow a squirrel across the lawn.

"True," said Billy, "and the delegation **caught** up with him, red-faced and **awkward**, in front of the monkey house, where the Chancellor was sitting on a bench and laughing like a boy; he said afterward that it was the first time in thirty years that anyone had looked him in the eye without wanting something."

“是真的，”比利说，“代表团在猴舍前**追上**了他，红着脸，**局促不安**，总理正坐在长椅上像个男孩一样大笑；他后来说，那是三十年来第一次有人直视他的眼睛而不想从他那里要什么。”

The commission wrote down every word, and the **remainder** of the afternoon they **measured** the cages, the paths and the distances between the benches, as though the secret of peace might lie in an **esthetic** of the layout, in the curve of a hedge or the angle of a sunlit bench.

委员会把每个字都记下来，下午**余下**的时间里他们**丈量**笼舍、小径和长椅之间的距离，仿佛和平的秘密可能藏在布局的**美学**里，藏在一道树篱的曲线或一张向阳长椅的角度里。

They found nothing, of course, because the thing they were looking for was not a place but a decision, and decisions leave no footprints in the gravel.

当然，他们什么也没找到，因为他们寻找的不是一个地方而是一个决定，而决定不会在碎石上留下脚印。

In the evening, under the strings of colored lamps, the historian came to Billy again, tired and humbler, and asked at last the question he had saved: what had made them stay at the table when every instinct told them to leave?

傍晚，在一串串彩灯下，历史学家又来找比利，疲惫而谦逊了些，终于问出了他留到最后的问题：当每一种本能都叫他们离席时，是什么让他们留在了桌边？

Billy thought for a long time, while an oar-shaped cloud drifted across the moon and a small **missile** of a bat shot out of the eaves, and then he said that in a **siege** one learns what folk do when they are afraid, and that what they do, almost always, is look for something small to hold on to.

比利想了很久，一朵桨形的云飘过月亮，一只像小**导弹**般的蝙蝠从屋檐下射出，然后他说，在**围困**中人们会懂得民众害怕时会做什么，而他们几乎总是在找一样小东西抓住不放。

"The squirrel, the pen, the football," he said, "were **claws** for them to hang on by; and when the claws held, they found that they did not need the cliff."

“松鼠、钢笔、足球，”他说，“是给他们攀附的**爪**钩；而当爪钩抓牢了，他们发现自己不需要那面悬崖。”

The historian said nothing; he shut his notebook, and since there was nobody to sign the paper for him, he signed the visitors' book himself, in a hand that no longer looked sharp.

历史学家什么也没说；他合上笔记本，因为没有人替他在纸上签字，他自己在来访者登记簿上签了名，笔迹已不再显得锋利。

Not every account of that week was kind; a pamphlet printed in the capital called the treaty a **romance** for fools, a piece of **decoration** on the **hell** of real politics, and its author, an **adult** of fifty who had never fed a goat, argued that peace could never be **available** to people who were merely polite to each other.

那一周并非每种说法都友善；首都印行的一本小册子称这条约是傻瓜的**浪漫**故事，是现实政治**地狱**上的一件**装饰品**，其作者是个五十岁、从没喂过山羊的**成年**人，他论证说，只是彼此客气的人永远**得不到**和平。

Billy read it twice, put it in the **disposal** bin beside the monkey house, and wrote in his notebook that a man who spends his life looking for the worst in others will **necessarily** find it, and will call this a **merit**.

比利读了两遍，把它扔进猴舍旁的**垃圾桶**，在笔记本里写道：一个一辈子找别人最坏一面的人**必然**会找到，并把这叫作**优点**。

A letter of **enquiry** came from the Ministry of Agriculture, asking whether the zoo's old manure heap, which had been turned into excellent **fertiliser**, might be sold to farmers who had been told by their **forefathers** that the best soil is made by patience.

农业部来了一封**询问**信，问动物园那座老粪堆已被变成上好的**肥料**，能否卖给被**祖辈**告知最好的土壤由耐心造成的农民。

Billy said yes, on the condition that the profit went to the school, and that the farmers, however **slack** their accounts, would visit the zoo once a year and explain to the children what a seed does in the dark.

比利答应了，条件是利润归学校，且农民们不管账目多么**松散**，每年都要来动物园一次，给孩子们讲种子在黑暗里做什么。

In the spring a **flare** of red tulips came up beside the gate, **unrecognised** by everyone but the old woman who had planted them, and the creaking of a rowing boat's **oar**, carried across the pond, made the visitors feel that they stood in a place that had nothing to hide.

春天，大门旁冒出**一片**火红的郁金香，除了种下它们的老妇人外无人**认得**，而池塘上传来的划**船桨**的吱嘎声让游客感到自己站在一个无需隐藏任何东西的地方。

A **crack** in the wall of the old reptile house, however, threatened the roof; the engineers, who had been told to **evacuate** the building within a week, said that no sum of money could save it, and Billy, who was **continually** asked to **affirm** that the zoo would never **imprison** any creature in poor conditions, affirmed it without a flicker.

然而旧爬行馆的墙上有一道**裂缝**，威胁着屋顶；被告知要在一周内**撤离**该建筑的工程师说任何钱都救不了它，而被**不断**要求**确认**动物园绝不会把任何动物**关**在恶劣条件里的比利，毫不犹豫地确认了。

He took no **credit** for the plan that followed, in which the snakes were moved to a new house built from the stones of the old one, a task that did not **paralyze** the keepers but made them **excel**, since no one could **comprehend** how a snake might feel except those who had held one.

对随后的方案他不**居功**，该方案把蛇迁入一座用旧馆石料建成的新馆，这项任务没有令饲养员们**瘫痪**，反而使他们**出类拔萃**，因为除了抱过蛇的人，没有人能**理解**一条蛇会有什么感觉。

Some people said that the zoo's survival was an **insignificant** thing beside the fate of nations, but Billy, who did not argue with cynics chewing **gum**, said only that a nation which could not keep one small place peaceful would not keep a large one.

有人说动物园的存续与国家命运相比是**微不足道**的事，但不与嚼着**口香糖**的愤世嫉俗者争辩的比利只说，一个连一小块地方都保持不了和平的国家，也保不住一大块。

Materialism, he thought, was the failure to see that the things we own were only on loan; **communism** and capitalism, when they came to the zoo gate, were turned away for the same reason, since nobody who was **drowning** in a theory could **transcend** it, and the gate, like the notebook, was open to anyone who came, **anywhere**, at any hour, with an empty pocket and a full heart.

他认为，**物质主义**就是看不到我们拥有的东西不过是暂借；**共产主义**与资本主义来到动物园门口时，因同样的理由被拒之门外，因为没有人能**超越**自己**溺**在其中的理论，而大门就像那本笔记本，对**任何**人敞开，无论来自何处，无论何时，只要口袋空空而心里装满。

Her student Oskar, a **lame** boy from the north who had been born in the mountains, came running into the cafe with snow on **his** shoulders, and said that he **intended** to find the **source** of the claim, since the quotation in question was from an old **examination** paper that only the department possessed.

她的学生奥斯卡是个来自北方、生于山里的**跛脚**男孩，肩上带着雪跑进咖啡馆，说他**打算**找出这个说法的**来源**，因为被指的引文出自一份只有系里才有的旧**考试**卷。

"It is **appropriate**," she said, "that we begin with your **contribution** to the third chapter, since it is the **part** with the **factoid** about the **limbic** system that the committee finds suspicious."

“**合适**的做法是，”她说，“先从你对第三章的**贡献**开始，因为委员会觉得可疑的，恰恰是那一**部分**里关于**边缘系统**的**小趣闻**。”

Oskar, who did not yet **specialise** in anything but intended to **qualify** as a geologist, opened the **compulsory** course file and found that the **brutal** truth was simpler than a conspiracy: someone had **copied** the old examination into a **domestic** journal, a small press downtown that hoped to **industrialise** the printing of local history, and the copy, not the original, was what the accusers had read.

尚未**专精**任何方向但打算取得地质学家**资格**的奥斯卡打开**必修**课文件，发现**残酷**的真相比阴谋简单：有人把旧考卷**抄**进了一份**本地**期刊，一家就在市中心、希望把地方史印刷**工业化**的小出版社，而控诉者读到的是抄本，不是原件。

They went to the examination hall together, and Oskar, who could come and go through any door because he was the **least** noticed person in the building, climbed **inside** the old storeroom among the **antique** desks and the **upholstered** chairs that nobody had thrown away, then found the original paper on a **slippery** shelf **behind** a **grand**, dusty globe of the northern **hemisphere**.

他们一起去了考场，在楼里**最不起眼**因而能出入任何门的奥斯卡爬进旧储藏室，**里面**有**古董**课桌和没人扔掉的**蒙皮**椅，然后在一座北**半球大**尘封地球仪**后面**一个湿**滑的**架子上找到了原卷。

The original was dated **before** the copy, which was a **definite** point in her favour, yet the paper was **incomplete**, and Oskar, who had a **gentle** manner and a stomach that would not **prefer** one meal to another, sat down on the floor with a **snack**, a **pencil** and a **video** of the lecture, to **ascertain** whether any sentence had been changed in the long years between.

原卷的日期**早于**抄本，这是对她**有利**的一点，但那份卷子**不完整**，举止**温和**、对哪顿饭都不**挑剔**的奥斯卡盘腿坐在地上，带着**点心**、**铅笔**和一段讲课**视频**，想**弄清**这些年间有没有哪句话被改过。

extinct a. 熄灭的，灭绝的，耗尽的

"It is **promising**," said Lena, "but we need a **sequence**: first the water, then the sick, then the sources, and we need **adequate** hands; do you have any students old enough to **count**, record and carry a bucket?" He had thirty, a **robust** band of children from the **upper** school who were **ready** to **start** at once and who, with **ink** on their fingers and a **fierce** desire to be useful, called themselves the **Troop**.

“很**有希望**，”莉娜说，“但我们需要一个**顺序**：先是水，然后是病人，再是源头，而且需要**足够的**人手；你有哪些大到能**计数**、记录和提桶的学生吗？”他有三十个，**一群**来自**高年级**、身体**结实的**孩子，早已**准备好**马上**开始**，指尖沾着**墨水**，怀着想帮上忙的**强烈**愿望，自称“小分队”。

For six days the Troop went from door to door on bicycles and on foot, noting the **symmetry** of the dying: the sick houses clustered around three wells, the healthy ones around two, and the **total** of cases, when counted on a map by an **editorial** committee of two girls, showed a loose ring around the lower pump, with a **former** tenant's **cat** dead beside it as a kind of grim evidence.

六天里小分队骑着自行车或步行挨家挨户，记录下病情的**对称**：病家聚集在三口井周围，健康人家聚集在两口井周围，当两个女孩组成的**编辑**小组把病例**总数**标在地图上时，显示出围绕下游水泵的一圈松散环形，井边还有一只**前**租客的死**猫**，算是一种严酷的证据。

Lena, who had **treated** forty patients and had slept three hours a night, compared the pattern with her notes in an **encyclopaedia**, declared that the **context** fitted a known bacterium, and ordered, with the new confidence of a leader, that every well be covered with a plank and every family given a pinch of salt, a **gram** of medication and a lesson in boiling.

治疗了四十名病人、每晚只睡三小时的莉娜，把这个模式与**百科全书**里的记录对照，宣布其**背景**符合一种已知细菌，并以新领导者的信心下令每口井都用木板盖上，每家分得一撮盐、一**克**药和一堂煮水课。

But the stock of medication was **limited**, and the cure could not be extended to the whole valley; she needed more, and more was beyond the tunnel, fourteen kilometers of rubble away, which the governor, who now seemed oddly sulky, had still refused to clear.

但药品存量**有限**，疗法无法延伸到整个山谷；她需要更多，而更多的药在隧道另一头、十四公里的碎石之外，那位如今显得古怪地闷闷不乐的总督仍然拒绝清理。

Unfortunately the governor was an **illiberal** man with an **instinct** for **ruin**, and when she came back with a **bill** for the clearing of the tunnel, a **refrigerator** of vaccines in her imagination and the **dialog** already rehearsed in her head, he said coldly that she was a **transient** visitor with no **privilege**, that her **system** was an **imitation** of the capital's fashions, and that he would not **hire** a single worker or pay a **sum** he had not budgeted for.

不幸的是，总督是个思想**不开明**、**本能**里带着**毁灭**倾向的人，当她拿着清理隧道的**账单**、想象中的一**冰箱**疫苗和已在脑中排练好的**对话**回来时，他冷冷地说她是个没有**特权**的**过客**，她的**体系**不过是对首都时尚的**模仿**，他不会**雇**一个工人，也不会付任何未列预算的**款项**。

他的妻子一直站在门后，抱着已经恢复**正常的**孩子**走上前来**，当着整个礼堂的人说，已无**选择**，母亲的**信念**是比任何税收都强的**事业**，如果她丈夫不肯**下到**隧道里，她就乘**马车**亲自去。

The governor, **momentarily disconcerted**, looked at his son, at his wife, at the Troop of children standing at the back with their ink and their rolls, and at last **patted** his ruined pride into shape, and said, with a **savage** shrug and a gesture toward the **saddle** on the wall, "Take the horses, then; take the men; and let it be remembered that the **mess** was not mine."

次日早晨，四十个男人、一辆卡车、两辆马车和一位以骂人闻名的**司机**出发去隧道，上坡的**侵蚀**多周来一直**笼罩**在**入口**上方；莉娜在一位旧**纺织**商的勘测报告里读到过地质情况，**劝**他们不要**碰**顶部，而是徒手一桶一桶把碎石**运**出来，带着**必要感**，不冒不必要的**险**。

The work was **historical** in its way, a communal enterprise with no **contract**, no **recruiter** and no profit, in which a miller worked beside a schoolboy and a priest beside a poacher, and in the pauses a **fan** was passed around in the heat, a **sweet** was **shared** among the hungry, and a farmer's **companion**, a lame dog, lay sleeping in the shade of a cart.
这项工作在某种意义上是**历史**性的，一项没有**合同**、没有**招募者**、没有利润的共同事业，磨坊主与小学生并肩，神父与偷猎者并肩，休息时有人在炎热中传递着**扇子**，饥饿者**分**着一块**糖**，一个农夫的**同伴**——一条瘸腿的狗——躺在一辆车的阴影里睡着。

By the fifth day they had **retrieved** the tools, exposed a fissure in the rock and, with an **extension** of timber props, reached the middle of the tunnel, where the air was **obscure** with dust and the lamps **tilted** in the draught like candles at a funeral; Lena, who **tended** to be calm in a crisis, told them to stop, to listen, and to count to ten.

In the silence they heard it: a **boom** from **somewhere** beyond the rubble, a dull sound like a **god** clearing his throat, and then a thin shaft of light, and the pale face of a boy in **sneakers**, a messenger from the far side, who had squeezed through a gap and said that a doctor had come by **aeroplane** to the field behind the hills, with crates of medication, a refrigerator of vaccines and a surgeon's team, and that they had been waiting for six days.

寂静中他们听到了：碎石之外**某处**传来一声**闷响**，像一位**神**在清嗓子，接着是一缕细细的光，和一个穿**运动鞋**的男孩苍白的脸，他是对面来的信使，从一个缝隙里挤了过来，说一位医生坐**飞机**到了山后的田野，带来了成箱的药、一冰箱疫苗和一队外科医生，他们已等了六天。

Lena, **deprived** of speech for a moment, understood the **contrast**: while the governor had refused every **aid**, an unknown colleague in the capital, to whom she had sent a short, desperate note by the weekly post, had read it, believed it, and hired a pilot with his own savings, not out of any **commercial** hope but out of the **blessing** of simple faith.

莉娜一时**说不出话**来，明白了这个**对比**：总督拒绝了一切**援助**，而她通过每周邮班寄出一封简短绝望的便条给首都的一位无名同事，对方读了，信了，并用自己的积蓄雇了一位飞行员，不是出于任何**商业**希望，而是出于单纯信念的**祝福**。

The men widened the gap, and in an hour the two groups met in the middle of the tunnel, a **bride's** veil of dust between them, and the visitors, who **admitted** that they had expected a siege and found a festival, unloaded the crates, which contained not only the vaccines but also a total of two hundred grams of the cure, a **transplant** kit and a stack of printed leaflets with a **simplification** of the **procedure**.

人们拓宽了缺口，一小时后两队人在隧道中部会合，中间隔着一层像**新娘**面纱般的灰尘，来访者**承认**原以为会遇到围困，却遇到了庆典，他们卸下箱子，里面不仅有疫苗，还共有两百克药、一套**移植**工具和一叠印好的、把**流程简化**了的传单。

Within a week the vaccines had been given in every village, and the plague, which had threatened to ruin the whole valley, began to **vanish**; the doctors **detected** only a few new cases, mostly among those who had refused to boil water and who, **notably**, were the same men who had **opposed** Pieter's wells, calling them an **inherently** foolish scheme and an **inferiority** complex of the schoolmaster.

一周之内，每个村子都接种了疫苗，原本要毁掉整个山谷的瘟疫开始**消失**；医生们只**发现**了几个新病例，大多是拒绝煮水的人，而且**值得注意**的是，正是那些**反对**彼得打井的人，他们称这是个**本质上**愚蠢的计划，是校长**自卑**情结的产物。

Conversely, the Troop, who had **defended** every family's well with planks and patience, gained a **scholastic** honour of their own: Pieter wrote their findings into a short **publication** on the **psychology** of fear and the **science** of clean water, and an editor in the capital agreed, with a pat on the back and a **confining** deadline, to print it in the weekly paper.
相反，用木板和耐心**守护**过每家水井的小分队赢得了他们自己的**学业**荣誉：彼得把他们的发现写成一篇关于恐惧**心理学**和清洁水**科学**的**短文**，首都的一位编辑拍着他的背，在一个**紧迫**的期限内同意把它刊登在周报上。

The governor, who had **lately** been **guilty** of nothing but silence, finally appeared at the tunnel mouth in a **late** carriage, his **appearance** greatly changed; he had lost his **weapon** of arrogance, and in his fine **china** face there was a deep fatigue, as if he had lain awake with a **dearth** of ideas and an **intake** of regrets, wondering how his enterprise of pride could ever be repaired.

"I will not **stir** you with speeches," he said to Lena, "and I will not **compel** you to forgive me; I only wish to **acquaint** you with the cost, which I will pay: the **upkeep** of the road, the **pasture** for the horses, the wages of every man and a clinic in the town, for your **convenience** and not for my credit; and I would be grateful if you would not **refer** to me as a hero."
“我不想用演说来**打动**你，”他对莉娜说，“也不会**强迫**你原谅我；我只想**让你知道**费用，这笔钱我来付：道路的**维护**、马匹的**牧场**、每个人的工钱，还有镇上的一家诊所，为你的**方便**，而不是为我的名声；如果你不**称**我为英雄，我会很感激。”

Lena, whose **view** of the world had never been naive, saw that the old man's **reality** had at last caught up with him; she said that she would not **patronise** him, that forgiveness could not be **enacted** by law, and that the clinic should be run by the town, with a young surgeon from the capital to **enhance** its skills and a committee of mothers to **protect** its **strength**.
莉娜对世界的**看法**从未天真，她看出老人的**现实**终于追上了他；她说自己不会以**施舍的口气**对待他，宽恕无法靠法律来**颁布**，诊所应由小镇来办，请首都一位年轻外科医生**提高**其技术，并由一个母亲委员会**保护**它的**力量**。

Tomas, who knew nothing of law but a great deal about **soil**, **kilograms** of onions and the habits of the weather, was soon the leader of the cause, a **heroic** figure in a **flat** cap who stood on a **deck** of crates in the square, at four in the **afternoon**, and **proclaimed** to a crowd of **widespread feeling** that the old bus was a **commodity** no money could replace.

A **tendency** to joke was his **virtue** and, he admitted, his **shortcoming**; he **amplified** every complaint with a story, **classified** the conglomerate's arguments as **trivial**, tiresome or **toxic**, and made the crowd laugh so heartily that even the **jealous maid** of the old inn, who had spoken harshly about him for years, found herself clapping and cried "**Hooray**!"
爱开玩笑是他的**美德**，他自己也承认，也是他的**缺点**；他用故事**放大**每一项抱怨，把集团的论点**分为琐碎的**、乏味的或**有毒的**，逗得人群大笑，连多年来对他出言刻薄、心怀**嫉妒**的老客栈**女仆**也发现自己在鼓掌，大喊"**万岁**！"

The conglomerate, under a **premier** of the board with a **pale**, **sophisticated** face and a **satellite** of lawyers, sent a **client's** letter in reply, **notifying** the valley that the plane would be **exciting**, **comparatively** cheap and **beneficial** to the **landscape**, that the old **machinery** of the bus would be hauled away, and that the roads, now **overhauled**, would be given over to lorries and a survey by **laser**.
集团董事会的**总裁**面色**苍白**、气质**老练**，身后跟着**一圈**律师，派人送来一封**回函**，**通知**山谷：飞机将**令人兴奋**、**相对**便宜、对**景观有益**，旧公交车的**机器**将被拖走，经过**翻修**的道路将让给卡车和一次**激光**勘测。

托马斯虽**衣着**粗陋，却是个**利他的**人，他决定**设立**一个**富有成效**而**独立的基金会**，由每户**承诺分配**一份**月供款**——一撮**钾肥**或一只母鸡——使公交车能由乘客们买下、保养和重建，让这条老线路**源于**人民而非董事会。

The **mature** mechanics of the valley, a **crust** of old men with **hose**, grease and **belts**, **undercut** every rumour about **faulty** engines, saying that a bus, like a human being, needed only an **orderly** tune-up, a periodic **release** of old **fumes** and a **cozy** shed, and that the **secondary** roads, with their **ancient** stone bridges and steep slopes, would be gentle on a well-kept machine.

山谷里的**老**技工们，**一群**手拿**水管**、油脂和**皮带**的老人，**驳斥**了所有关于引擎**故障**的传闻，说一辆公交车就像一个人，只需要一次**有序**的保养、定期**放掉**陈年**废气**和一个**暖和**的棚子，而那些有着**古老**石桥和陡坡的**次要**道路，对一辆保养良好的机器是温和的。

A **futurologist** from the capital, a **punctual** man with a **passport** full of stamps, an **organic lifestyle** and a **keyword** for everything, came to the valley to **publicize** the plane and, wearing a **smart outfit** with a pale tie and a **pharmacy** of pills in his pocket, told the crowd that the **urban** future would not be **impaired** by a few rural customs, and that every **parasite** of the old **civilization**, from the coal stove to the country bus, must be put to sleep with **ease**.

首都来的一位**未来学家**，一个**守时**、**护照**上盖满戳印、过着**有机生活**、对什么都有个**关键**词的人，来山谷为飞机**造势**，他穿着一套带着浅色领带的**时髦衣服**，口袋里装着一**药房**的药片，对人群说，**都市的**未来不会被几个乡村习俗**损害**，旧**文明**的每一条**寄生虫**，从煤炉到乡村公交，都必须**轻松**地被送去睡觉。

A **Marxist** schoolteacher, who was also a **Catholic** and **unlearned** in the ways of compromise, shouted that the futurologist's speech was **meaningless** in the face of the people, and that a bus, whatever its **impact** on the **ecology**, was the **skeleton** of every village, a **hierarchical** order of stops and handshakes which no **emperor** and no **lord** could **manufacture**.

一位既是**马克思主义者**又是**天主教徒**、**不懂**妥协之道的教师喊道，未来学家的演讲在人民面前**毫无意义**，不论公交车对**生态**有何**影响**，它都是每个村子的**骨架**，一种由站点和握手构成的**等级**秩序，没有哪个**皇帝**、哪位**领主造**得出来。

The day of the vote arrived; the arbiter, a **tidy** woman with a **stringent** view of the rules, **ushered** the crowd into a barn, took the **pronoun** "we" out of every speech, and forbade the spokesman to **mislead** the people with any **adjective**, any **scale** of figures or any **liveliness** of tone that might hide the **crux**, which was whether the valley wished to keep its bus or accept the plane.

投票那天到了；仲裁人是个**整洁的**女人，对规则有**严格的**看法，她把人群**领进**谷仓，把每篇发言里的“我们”这个**代词**拿掉，禁止发言人用任何**形容词**、数字**尺度**或可能掩盖**症结**的**活泼**语调**误导**人们，症结就是：山谷是想留下公交车还是接受飞机。

The spokesman, a smooth fellow **brimming** with **disguise**, **criticized** the old line as an **unreasonable** burden, a **chip** on the shoulder of progress, an **enclosure** of habit, and predicted that those who **clung** to it would be left in a **rut**, in a **tomb** of their own **childhood**, while the rest of the **land** would **fly** forward on the wings of **aviation**.

发言人是个**满脸伪装**的圆滑家伙，**批评**老线路是**不合理的**负担，是进步肩上的一块**碎片**，是习惯的**围栏**，并预言那些**抱着它不放**的人会陷在一道**辙**里，陷在自己**童年**的**坟墓**里，而其余的**土地**将乘着**航空**的翅膀向前**飞**。

Tomas, who had been given the last word, rose slowly, put his hand on his old, bruised **ankle**, and said that he **foresaw** nothing but he remembered everything: that the bus had carried a doctor in a storm, a bride in the snow, a **waiter** to his first job, a child to the first day of school and a grandmother, in a coffin, to the last.

获得最后发言权的托马斯慢慢站起来，把手按在老旧、青肿的**脚踝**上，说他什么也**预见**不到，却什么都记得：这辆车曾在暴风雨中载过医生，在雪中载过新娘，载过一个**服务**生去他的第一份工作，载过一个孩子去上学第一天，还载过一位祖母，躺在棺材里，走完最后一程。

The vote, a **deliberate** show of hands in a barn full of lanterns, went **overwhelmingly** for the bus; the **speaker** of the conglomerate, who had come with a **portable** microphone and a **retail** contract in his pocket, said that the result would be appealed as a **tort** against the company's **career** plans, and he **switched** off the microphone with a **duck** of his head, like a man **hatching** an **inhuman** scheme.

投票是在满是灯笼的谷仓里举手进行的，**慎重**地，**压倒**性地支持了公交车；集团的**发言**人带着**便携**话筒和口袋里的**零售**合同来，说这个结果将被当作对公司**事业**规划的**侵权行为**而上诉，他低了**低头关掉**话筒，像一个**孵化**着**非人**道计划的人。

Yet a new **tournament** had begun: while the lawyers **hailed** one **another** across the **river**, Mira and the **workers** of the valley, with a **molecule** of hope and a great deal of patience, began to **publicise** the cause in the **contemporary** way, with a **longline** of letters to every newspaper, a **lateral** appeal to the neighbouring valleys, and an **upgrade** of their little foundation into a proper cooperative.

然而一场新的**较量**已经开始：当律师们隔着**河**互相打**招呼**时，米拉和山谷的**工人**们，怀着**一丝**希望和大量耐心，开始以**当代的**方式**宣传**这项事业，给每家报纸发出**一长串**信件，向邻近山谷发出**横向**呼吁，并把他们的小基金会**升级**成一个真正的合作社。

Those who feared **surgery** on the heart of the valley, and who now saw its **simulation** in the capital's plans, were considerate of each other's doubts, and a single side, a single bait and a single **bisect** line of the old map was all that remained of the quarrel.

"I have a **suggestion**," **said** the promoter, a **slim** man with a **jazz** tie and a **tagline** for every breath, "which is that you stop being a quiet place and become an **international symbol**; I can **multiply** your tourists by ten, and all you need is a **signal** of confidence and a small loan from the bank."

The old schoolmaster, who was **strict** but **wise**, replied that a symbol is a poor thing to eat, that the region had **survived** worse **tempests** than fashion, and that he would **hesitate** before he handed his town to anyone with a **phoney** smile and a **handbook** of other people's successes.

老校长**严厉**而**睿智**，回答说象征是一样很难当饭吃的东西，这个地区**挺过**的**风暴**比时尚更糟，他在把小镇交给任何带着**虚假**微笑和一本别人成功**手册**的人之前，会**犹豫**的。

The promoter, a **cordial** man who never lost his **temper**, said that the boy's eggs were **doubtless** a charming find, a **cure-all** for the museum's loneliness, but that a town with no **cake** in the oven and no **fuel** in the **tank** could not afford to be sentimental; he offered a **bonus** to every household that would sign, a **tribute** to the **opponent's** honesty, and a **mobile** office to **chat** with those who hesitated.

推广员是个从不**发火**的**亲切**人，说男孩的蛋**无疑**是迷人的发现，是治愈博物馆孤独的万应**灵药**，但一个烤箱里没有**蛋糕**、**油箱**里没有**燃料**的小镇负担不起多愁善感；他向每户愿意签字的人家提供一笔**奖金**，对**对手**的诚实**致以敬意**，并设了一间**流动**办公室，与犹豫者**闲聊**。

The dentist, who had a **modesty** that he disguised with **jokes**, rose to say that the proposal had a **dental flavour** of its own, sweet at first, painful later, and that she had seen too many teeth rot under a coat of sugar; the barber, with a **lick** of his pencil, added that every tourist would want a haircut but nobody would want a spade, and the real wealth of the region lay in the soil and in the **patience** of its people.

牙医的**谦逊**总用**玩笑**来掩饰，她站起来说这个提议有一种自己的**牙科味道**，起初甜，后来痛，她见过太多牙在一层糖衣下烂掉；理发师**舔**了舔铅笔，补充说每个游客都想理发，但没人想要铁锹，而这个地区真正的财富在土壤里，在人民的**耐心**里。

The mayor, who had listened with his hands **tangled** behind his back, said that governance was a matter of **circumstance** and not of **gospel**, that he would not **indulge** a fashion **merely** because it was **powerful**, nor refuse it merely because it was new, and that the town should, **within** a month, prepare an **urgent**, **strategic** study of both ideas, with a **skillful**, **local** expert from the university to judge the eggs and a **software** model to measure the money.

A **confident** but anxious young man, the promoter's assistant, **tried** to **annoy** the meeting into quick **action** with an **inclement** list of deadlines, saying that the investors' **dominance** of the region's **air** would **fade** if the town delayed, and that the **removal** of the old **rail** line, which the **company** had agreed to fund, would leave the valley with no **connection** to the sea.

推广员的助手是个**自信**却焦虑的年轻人，他**试图**用一份**恶劣的**截止期限清单把会议**逼向**迅速**行动**，说如果小镇拖延，投资者对该地区的**支配地位**就会**消退**，而**拆除**旧**铁路**线（**公司**已同意出资）将使山谷与大海失去**联系**。

Ivo, who had been given a chance to teach, set up his telescope on the hill at dusk, with a lens the size of a **melon** and a tank of **oxygen** for the old schoolmaster, who was **sick** with a **cold** and **grave** doubts; as the first stars grew sharp, he showed the town the Milky Way, a **swan** of light across the dark, and explained in a gentle, **immersed** voice that the same laws that raised the dinosaurs had once **governed** the sky.

获**得了**教学机会的伊沃傍晚把望远镜架在山上，镜头有一个**甜瓜**那么大，还为得了**感冒**又满怀**沉重**疑虑的老校长备了一罐**氧气**；当第一批星星变得清晰，他让全镇人看银河，那是横过黑暗的一只光之**天鹅**，并用温和而**投入**的声音解释，曾经造就恐龙的同样定律，也曾**支配**着天空。

Paradoxically, it was the **oversize emotion** of the night, and not any argument, that began to **reconcile** the town: the farmers, the barber, the dentist and even the promoter's **skeptical** assistant stood in a quiet ring on the hill, with the **manual** of the telescope open at their feet, a **jug** of tea passed among them, and the occasional shiver of a cold wind from the **terrain** below; no one wished to **refrain** from looking, and no one, for a **minute**, wished to **read** his phone.

悖论的是，开始**调和**全镇的并非任何论点，而是那一夜过**大的情感**：农夫、理发师、牙医，甚至推广员那位持**怀疑**态度的助手，都静静围成一圈站在山上，望远镜的**手册**摊在脚边，**一壶**茶在人们之间传递，偶尔有一阵冷风自下方的**地形**吹来；没有人愿意**不去**看，也没有人，在那一**分钟**里，想去**读**他的手机。

On a **Wednesday** in August, when the **snow** on the **volcano's** upper slope was half melted and the **lake** in its crater had gone a strange, milky green, Ned Okafor, the one **veteran fireman** of the island of Tarn, a **stubborn**, **bald** man of fifty with a quiet voice and a **kit** of tools always packed beside his bed, climbed the **path** from the **coast** to his **cottage**, **tired**, and found a letter from the **mainland** pinned to the door.

八月的一个**星期三**，**火山**上坡的**雪**已半融，火山口里的**湖**变成了奇怪的乳绿色，塔恩岛上唯一的**资深消防**员内德·奥卡福，一个**固执**的**秃顶**五十岁男人，声音轻柔，床边总放着一套收拾好的**工具**，**疲惫**地沿着从**海岸**通向他**小屋**的**小路**爬上来，发现门上钉着一封来自**大陆**的信。

The letter, from a **bureau** of geology, was **vague** in its phrasing and **exclusionary** in its tone: the instruments on the mainland had detected a tremor, but the experts, who preferred to **evaluate** such matters from a distance, would not **fully** commit themselves, and would only advise the island to remain calm and to refrain from any panic, which, said the **memorandum**, was the greatest danger of all.

这封来自地质**局**的信措辞**含糊**，语气**排他**：大陆上的仪器探测到了一次震颤，但喜欢远距离**评估**此类事情的专家们不愿**完全**表态，只劝岛民保持冷静，避免任何恐慌，**备忘录**说，恐慌才是最大的危险。

Ned read it **twice**, folded it into a **miniature** square, and went down to the harbor to **inspect** the lake and the **stable** of the old **chiller**, where the fishermen kept their catch; there **he** met the island's **psychologist**, Dr. Lise Brandt, a **brilliant**, **obedient** woman in a scarf of coloured squares who was **conducting** an **intensive** survey of the villagers' fears; Ned, **incidentally**, liked to call **himself** "a creature of **tradition**, **ironic**, and fully immune to **hatred**."

内德读了**两遍**，把它折成一个**小**方块，下到港口去**检查**那个湖和老**冷冻库**的**棚**，渔民们在那儿存放渔获；他在那里遇到岛上的**心理学家**丽丝·勃兰特博士，一位**聪慧**、**听话**、围着彩色方格围巾的女人，正对村民的恐惧**做**一次**深入**调查，**顺带一提**，内德爱称**自己**是“一个注重**传统**、带点**讽刺**意味、完全不受**仇恨**影响的生物”。

"**You need** to see this," Ned said, and he led her up the path to the **hill**, where the ground was warm to the touch, the **paste** of mud **between** the stones was steaming, and an old **bison** from the island's tiny herd stood stubbornly **upon** the ridge, as **though** the animal had a **perceptual insight** into some **complex** disturbance below, and refused, **whatever** he did, to come down; Lise took **out** her notebook, accepted the oddity of the moment and wrote, in a **systematic** hand, the **initial numerical** facts of the animals' **direction** and the **magnitude** of their unease.

Back in the cottage, over a plate of fish, a **sauce** of onions and a **glass** of **milk**, Ned, who was a **cautious** man, outlined his idea: he would **equip** the village with a simple **code** of signals, **install** an alarm of two hundred **volts** on the **railway** shed, **distribute** the old fireman's kit among the **needy**, and, if the **paradigm** of the mainland experts, which was to wait, did not change, he would himself **submit** a formal request for the evacuation of the island's weaker families, with the **cohesive** backing of the village.

回到小屋，一盘鱼、一份洋葱**酱**和一**杯牛奶**旁，**谨慎的**内德讲了他的想法：他要给村子配一套简单的信号**密码**，在**铁道**棚上**装**一个两百**伏**的警报，把旧消防**装备分**给**需要的人**，如果大陆专家那套等待的**范式**不改变，他自己会向上**提交**一份正式请求，疏散岛上较弱的家庭，并得到全村**团结一致**的支持。

The next day the villagers, a **patchwork** of fishermen, bakers, schoolchildren and idle **passengers** waiting for the ferry, crowded into the church, where a vague preacher gave a **sermon** on patience; Ned, tired of the **inertia**, stood up in the **front** row and said that he would not **accuse** the mainland of lying, but that he would no longer wait for their assessment, since the evidence, the warm ground and the bison, **attested** to something that no memorandum could **conceal**.

次日，村民——渔民、面包师、学童和等渡轮的闲散**乘客**拼成一块**杂色布**——挤进教堂，一位含糊的牧师做了一场关于耐心的**布道**；厌倦了**惰性**的内德在**前排**站起来，说他不会**指责**大陆撒谎，但他不会再等他们的评估了，因为证据——温热的地面和野牛——**证明**着某件任何备忘录都**掩盖**不了的事。

An **ordinary** murmur ran along the benches, **sad** and **miserable**, and a **dubious** baker, who had a **nephew** on the mainland and an **uncle** in the harbor, said in a loud voice that the fireman was an **idiot** hungry for **glamor** who wished to **smash** the island's **business** and **expand** his own **job**; but Lise, rising with a **point** of her finger and a **cop's** calm, answered that she had measured the fear of every household for a **week** and the fear, she said, was not **disruptive** but **wholly** rational, and she **begged** the meeting to **respond** with some sympathy, instead of an **insult**.

The island's **historian**, an **unpretentious** old man with a **periodical** under his arm and a **chapter** of local lore in his head, stood up, trembling, and said that a volcano which had erupted twice, once in his grandfather's time and once, according to a **clue buried** in a church register, three centuries earlier, had always begun with the same signs; he **illustrated** the point with an old **illustration** of a burning hill, a copy of a **tropic** sky and a **cloth** map, and he **urged** the meeting, **unanimous at** last, to vote for the evacuation.

岛上的**历史学家**，一位**不摆架子**的老人，腋下夹着一本**期刊**，脑中装着**一章**地方传说，颤抖着站起来说，这座火山喷发过两次，一次在他祖父的时代，另一次据教会登记册里**埋**着的一条**线索**是三个世纪之前，两次都以同样的征兆开始；他用一幅老**插图**——一座燃烧的山、一份**热带**天空的摹本、一张**布质**地图——**说明**这一点，并**敦促**终于**一致的**会议投票赞成撤离。

The vote was passed, and the island, which had thrived amid **contagious** optimism for a century, began a **piecemeal**, **painful** and **increasingly** efficient evacuation: the **twin** ferries, loaded to the **margin** with children, **wheat**, blankets and boxes of the **vaccine** for the mainland's hospitals, ran their **yearly** summer route four times a day, and Ned, standing on the quay with a megaphone and a list, gave the **command** in a firm, **tender** voice, calling out the **name** of each family, and helping every elder to climb aboard.

投票通过了，这座在**传染**性乐观中繁荣了一个世纪的岛屿，开始了一次**零敲碎打**、**痛苦**而**日益**高效的撤离：载满孩子、**小麦**、毯子和给大陆医院的**疫苗**箱、几乎满到**边缘**的**两艘**渡轮，每天跑四趟它们**每年**夏天的航线，内德站在码头上，拿着扩音器和名单，用坚定而**温柔的**声音下达**命令**，喊出每户的**名字**，扶每位老人登船。

By Sunday the island was empty except for a handful of stubborn exceptions: Ned, Lise, the historian and a **trim** woman named Maren, a **skilled carrier** of the island's post, who had a **hug** for every child and a **salute** for every old soldier, and who refused to leave until the last cat, the last rosebush eaten by **aphids** and the last **neat** row of her **scarcely** visible wheat had been seen to.

到星期天，岛上除了一小撮固执的例外，已空无一人：内德、丽丝、历史学家，和一位名叫玛伦的**整洁**女人，她是岛上邮件的**熟练**投**递员**，对每个孩子都有一个**拥抱**，对每位老兵都有一个**敬礼**，直到看顾好最后一只猫、最后一丛被**蚜虫**啃过的玫瑰、最后一行**整齐的几乎**看不见的小麦，她才肯走。

At two in the morning the **moon** was a pale coin over the crater, the bison, which they had failed to persuade to leave, stood out on the hill like a statue, and a long, low rumble ran under the cottage, a vibration so **massive** that the plates on the shelf began to **shake** and the glass in the window to hum, and Ned, who had waited for this moment all week, pressed the **button** of the alarm.

凌晨两点，**月亮**是火山口上方一枚苍白的硬币，他们没能说服离开的野牛像一座雕像立在山上，一阵悠长低沉的隆隆声从小屋底下传过，震动之**巨大**，使架子上的盘子开始**晃动**，窗上的玻璃嗡嗡作响，内德整个星期都在等这一刻，他按下了警报的**按钮**。

The eruption, when it came, was no **ballet** of fire but a **collision** of rock and air, a roar whose **volume** made them clap their hands over their ears, and the sky was filled with a **copious** cloud of ash and a rain of **loose** stones, **magnified** by the dark into a thousand falling planets; in the **turmoil** the four of them ran, **hid** in the **pit** of the old quarry and waited, covered in dust, with their **lips** pressed tight, while the **galaxy** of sparks went over their heads.

喷发来临时，它不是一场火的**芭蕾**，而是岩石与空气的**碰撞**，一声咆哮，**音量**大到使他们捂住了耳朵，天空充满了**大量的**灰云和一阵**松散**石块雨，在黑暗中被**放大**成上千颗下坠的行星；**混乱**中他们四人奔跑，**躲**进旧采石场的**坑**里，满身灰尘，**嘴唇**紧抿着等待，而火星的**银河**从他们头顶飞过。

When the worst had passed, Ned, who had a cut on his lip and no illusions, took a long look at the sky and said that the **future** of the island was now an inescapable question of **fiber** and patience, that nobody could **assess** the damage until daylight, and that, **today** at least, no one had been lost.

最糟的过去后，嘴唇有道伤口、毫无幻想的内德久久看着天空说，这座岛的**未来**现在是一个躲不开的、关于**韧性**与耐心的问题，天亮前没人能**评估**损失，而且至少**今天**，没有人遇难。

At dawn a **rescue** boat arrived from the mainland with a team of officials in **ornate** coats, a **congressional** delegate with a **suitable** frown and a young scientist, Dr. Pavel Roth, whose instruments, he admitted in an **elaborate** apology, had been **marginal** and whose forecasts, which **varied** wildly from week to week, had been a **misinterpretation** of the data; he did not **flatter** Ned, nor offer a **prize**, but simply shook his hand, with an **acceptance** of his mistake that was, Ned thought, the most generous gift of the day.

黎明时，一艘**救援**船从大陆赶来，载着身穿**华丽**外套的官员、一位带着**合适**皱眉表情的**国会**代表和一位年轻科学家帕维尔·罗斯博士，他在一番**详尽的**道歉中**承认**，他的仪器**不够精准**，他的预报逐周大幅**变化**，是对数据的**误读**；他没有**奉承**内德，也没有给**奖**，只是握了握他的手，带着对自己错误的接受，内德觉得，这是那天最慷慨的礼物。

Meanwhile on the ruined island the survivors' return was slow and quiet; the volcanic ash had buried the roads under **kilos** of grey **mineral**, but had also **revealed**, in a freshly torn **fracture** of the hill, a **line** of footprints of an ancient **hominid**, preserved in the mud of some earlier eruption, which the historian, with an **aural gratification** at the thought of a new chapter, dubbed "the oldest **campaign** of the island," and which became, to the **artist** Maren's delight, the first **exhibit** of a small **exhibition**.

与此同时，在满目疮痍的岛上，幸存者的归来缓慢而安静；火山灰把道路埋在了数**公斤**灰色**矿物**之下，却也在山上一道新撕裂的**裂缝**中**露出**了**一行**古**人类**的脚印，保存在更早一次喷发的泥浆里，历史学家一想到新的一章，**耳朵**里充满**满足**感，把它称作“岛上最古老的**远征**”，这成了**艺术家**玛伦欣喜的小**展览**的第一件**展品**。

Lise, who had written a **preface** for the island's new records, wrote that the **evolution** of fear, from **rage** to acceptance, had a **richness** that could not be **generalised**, and that no **external counsel** could **suppress** the **growth**, **inescapably** real, of a people who had **stared** at disaster and had not **frozen**; she did not **idealize** the villagers, whom she found stubborn, **prone** to quarrels and sometimes **criminal** in their hoarding, but she **sympathized** with them as one does with relatives.

In the evening, around a fire of driftwood on the beach, the survivors, without any **litter** of speeches, sat in a **stretch** of silence and listened to the soft crackle of wood, until Maren said that she could not stand a quiet that had not been paid for with a song; they sang, off key, an old fisherman's tune, and Lise, who found the **assertion** beautiful, whispered that nothing could **disturb** a people who still sang **amongst** ruins.

傍晚，在海滩上一堆浮木的火边，幸存者没有任何**累赘**的演讲，坐在**一段**沉默里听木头轻轻噼啪，直到玛伦说她受不了一种没拿歌声来换的安静；他们跑调地唱起一首老渔夫调子，觉得这句**断言**很美的丽丝低声说，没有什么能**打扰**一个在废墟**中**仍歌唱的民族。

The pilot of the rescue boat, who had come back to **congratulate** them, said that the newspapers on the mainland, hungry for **info**, had called Ned a hero, and Ned, who had no wish to **violate** the privacy of his own modesty, said that a hero was a man who did not **startle** easily and could **substantiate** nothing but a good night's sleep; he would be happy to give up the title to anyone who could **insure** that the next volcano was announced by the last of the bison, and not by a loud bang.
